# Welcome

Established in 1978, we are the UK's leading value-added supplier of telecoms and datacoms infrastructure equipment, tools, test equipment and consumables.

Our product range has evolved to include; fibre optic tooling, blown fibre equipment, and PIA consumables to equip operators, ISP's and their contractors delivering the roll out of FTTx networks worldwide and in the UK.

Today, from our UK headquarters we operate two business divisions:

## Comtec Product Distribution

A distribution business stocking 12,000 product lines serving installers of fibre optic and copper networking system on a next day basis. Value added services include:

- ▶ Product Hire
- ▶ Product Finance
- ▶ Tool & Van Kits
- ▶ Calibration, Repair and Service
- ▶ Cable Cutting

## Comtec Supply Chain Management

A product sourcing and supply chain outsourcing service for telecoms operators and systems vendors.

We have a menu of services to choose from and combine these to tailor a solution for you, on-time and on-budget:

- ▶ Global product sourcing and procurement
- ▶ Forecasting and inventory management
- ▶ Leading industry brands
- ▶ Process re-engineering
- ▶ Product and batch testing
- ▶ Product design and system integration
- ▶ Technical support
- ▶ Product assembly
- ▶ Cabinet pre-build
- ▶ Logistics

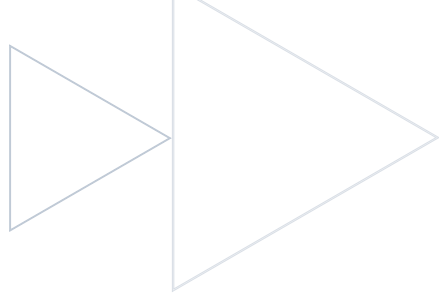

# COMTEC ▶

Sales office open 8.00am – 6.00pm, Monday to Friday

Next day delivery on all orders placed before 5.30pm

# Ordering

## Service and Support

We pride ourselves on exceptional service. Support is available via our experienced field sales team, our CNCI qualified internal sales team and our in-house technical services team.

## Stock and Availability

Every product is selected for its quality, performance and value and because we manage our own distribution centre, products are delivered to you without delay.

## Easy Ordering

We're on hand Monday to Friday between 8.00am and 6.00pm to take your order, confirm price and delivery details. Orders can also be placed online at [www.comtecdirect.co.uk](http://www.comtecdirect.co.uk)

## Discounts

Discounts are available dependent on order quantity and size of project. Simply call our sales team for further details.

## Warranty

Comtec provides up to 25 years' warranty cover on its products. For further details please call our sales team.

# Carriage Charges

## Delivery

Next day delivery is guaranteed for all orders placed by 5.30pm\* (excluding cable cutting and cabinets) and is Free of Charge on orders over £150\*\*. For timed deliveries please refer to the table below.

**Please note:** The below rates apply to UK Mainland orders only and whilst the rates cover the majority of our product range, it is not possible to offer this service on bulky items.

| Order Value | Next Day Delivery | Timed Deliveries |             |          |
|-------------|-------------------|------------------|-------------|----------|
|             |                   | Pre 9am          | Pre 10.30am | Pre Noon |
| <£50        | £9.95*            | £30.00           | £25.00      | £15.00   |
| £51 - £149  | £4.95             | £30.00           | £25.00      | £15.00   |
| >£150       | FOC**             | £30.00           | £25.00      | £15.00   |

\* 5.30pm for web orders

\*\* Free delivery applies to Comtec account holders and is to kerbside only

\*\*\* Oversized items POA

For tooling deliveries to Ireland please refer to the table below:

| Order Value | Next Day Delivery | Consignments over 30kg, pallets, free standing/server cabinets – competitive delivery pricing – POA |
|-------------|-------------------|---|
| <£500       | £9.95             | Non-catalogue items ordered may incur a special item order charge – POA                             |
| >£500       | FOC               |   |

## Cabinets

Delivery for Cabinets where charged is £35/£45 (dependent on size) per cabinet (to England & Wales only). The following geographical restrictions apply:

### England & Wales

- ▶ Next day delivery when ordered before 4pm Monday - Thursday; or before 1pm Friday

### Scotland (delivery charge dependant on location)

- ▶ We offer a best endeavours service to extreme locations, but cannot always guarantee next day delivery

## Cable Cutting Services

Cable cutting services are available until 4.30pm where next day delivery is requested (Final order time may vary).

## Export Sales

For delivery charges outside of the UK Mainland, please contact our Sales Department on +44 (0)1480 415000 or email [sales@comtecdirect.co.uk](mailto:sales@comtecdirect.co.uk)

## Payment Options

Payment can be made through your Comtec Trade Account, credit or debit card or by cash or cheque with your order.

### Terms and Conditions

All prices shown are ex-works and are exclusive of VAT which will be charged at the current rate. Comtec reserves the right to alter prices and product specifications without notification. For credit account customers within the UK, payment terms are 30 days from date of invoice. A full set of Comtec's terms and conditions of sale is available by calling 01480 415000. Comtec cannot be held responsible for any consequential losses caused by late delivery, but please be assured that Comtec will be doing everything within its power to ensure a speedy solution.

## VO MJET

Extremely compact jetting machine with electrical operation for cable dimensions between 0.5 and 6mm and duct dimensions 16mm.

## V1 MJET

Robust and compact model with pneumatic operation for cable dimensions between 0.8 and 16mm and duct dimensions between 7 and 50mm.

## V3 MJET

Pneumatically-operated jetting machine for larger dimensions for cable dimensions between 10 and 40mm.

## ELECTRIC (110V)/PETROL DRIVEN COMPRESSOR DESIGNED FOR USE WITH FIBRE BLOWING MACHINES

### ELECTRIC (110V)

- V-Twin oil free pump
- 9.5 CFM (270 Ltr/Min)  
Air Flow Rate
- 110V 1.5HP (1.1kw) 4 Pole Motor

### PETROL

- 3 HP - 3000rpm Petrol Engine
- 9.5 CFM (270 Ltr/Min)  
Air Flow Rate
- 145 Psi (10 Bar) Max.Pressure

The perfect companion to  
**VO MJET**

## VRK200 CABLE BLOWING MACHINE COMPRESSOR

The Rotair VRK200 is a portable, versatile and highly specified compressor designed for cable blowing activities.

The perfect companion to  
**V1 MJET & V3 MJET**

To find out more details about Blowing Machine Compressors, see pg 16.

## V0 MJet Blowing Machine

Extremely compact jetting machine with electrical operation for cable dimensions between 0.5-6mm and duct dimensions between 3-16mm

- Ideal for last mile fibre blows
- Can be used with 10 bar petrol or electric compressor
- Battery powered
- Electronic stopping/slipping protection within 250ms
- Gentle operation, reduced cable pull with the aid of continuously variable pulling force
- Digital display for current speed, distance, cable force and pressure
- Max. speed 250m/min,max. pushing force on cable 60N
- Continuously variable contact pressure
- Outlet connector - CEJN bayonet
- Weight 2Kg

**HIRE THIS PRODUCT**

| Item   | Description     | Type     | Max Pressure | Pushing Force | Cable Diameter | Duct Diameter | Price |
|--------|-----------------|----------|--------------|---------------|----------------|---------------|-------|
| 819509 | MJet V0 Machine | Electric | 16Bar        | 60N           | 0.5-6mm        | 3-16mm        | POA   |

**FINANCE AVAILABLE ON JETTING PRODUCTS - SPEAK TO OUR SALES TEAM**

## V1 MJet Blowing Machine

Robust and compact model with pneumatic operation for cable dimensions between 0.8-16mm and duct dimensions between 7-50mm

- Pneumatic operation, operated by compressor power alone
- Used with 15 bar compressor
- Digital display counter for speed and distance
- Gentle operation with long contact surface on the cable
- Display for speed, distance, cable force and pressure in duct
- Max. speed: 150 m/min,max. pushing force on cable: 550 N
- Continuously variable contact pressure
- No need for hydraulic power pack
- Outlet connector - CLAW
- Weight 9Kg

**HIRE THIS PRODUCT**

| Item   | Description     | Type      | Max Pressure | Pushing Force | Cable Diameter | Duct Diameter | Price |
|--------|-----------------|-----------|--------------|---------------|----------------|---------------|-------|
| 819510 | MJet V1 Machine | Pneumatic | 20Bar        | 550N          | 0.8-16mm       | 7-40mm        | POA   |

## V3 MJet Blowing Machine

Pneumatically-operated jetting machine for larger dimensions for cable dimensions between 4-40mm and duct dimensions between 10-40mm

- Pneumatic operation, operated by compressor power alone
- Use with 15 bar compressor
- Digital display counter for speed and distance
- Gentle operation with long contact surface on the cable
- Display for speed, distance, cable force and pressure in duct
- Max. speed 120 m/min,max pushing force on cable 1200 N
- Outlet connector - CLAW
- Continuously variable contact pressure
- Weight 22Kg

**HIRE THIS PRODUCT**

| Item   | Description     | Type      | Max Pressure | Pushing Force | Cable Diameter | Duct Diameter | Price |
|--------|-----------------|-----------|--------------|---------------|----------------|---------------|-------|
| 819906 | MJet V3 Machine | Pneumatic | 20Bar        | 1200N         | 4-30mm         | 10-50mm       | POA   |

## EPFU Kit For MJET V1

The EPFU accessory kit enables the V1 jetting machines to cope with even the smallest of cables

- Features a roller and a slip clutch
- Easy to fit using the clamp to attach to duct block cradle
- Equipped with a precision regulator for precise setting of the desired airflow
- Both clamping force and pushing force are continuously adjustable
- Reconfiguration takes less than a minute
- Type: For Blown/Nano Fibre
- Weight 2.5Kg

| Item   | Description        | Max Pressure | Pushing Force | Cable Diameter | Duct Diameter | Price |
|--------|--------------------|--------------|---------------|----------------|---------------|-------|
| 819538 | EPFU Kit (MJET V1) | 16Bar        | 100N          | 0.8-2.7mm      | 5mm           | POA   |

## Y Block

Y block for blowing a second cable into a duct which already contains an existing cable

- Supplied with 32mm and 40mm jaws as standard
- Additional jaws for further sizes are available
- A 25mm tube is connected between jetting machine and Y block
- Max pressure 30Bar
- Weight 3Kg

| Item   | Description                   | Price |
|--------|-------------------------------|-------|
| 819537 | Y-Block for Blowing 2nd Cable | POA   |

## Cable Blowing Tips

Often referred to as bullets, these tips are designed to reduce snagging when blowing cable into a microduct

- Available for 1.8-16mm cable

| Item   | Description  | Cable Dia | UoM      | Price |
|--------|--------------|-----------|----------|-------|
| 821527 | Blowing Tips | 1.8mm     | Pk of 10 | POA   |
| 821528 | Blowing Tips | 2mm       | Pk of 10 | POA   |
| 821529 | Blowing Tips | 3.5mm     | Pk of 10 | POA   |
| 821530 | Blowing Tips | 4mm       | Pk of 10 | POA   |
| 821531 | Blowing Tips | 4.5mm     | Pk of 10 | POA   |
| 821532 | Blowing Tips | 5mm       | Pk of 10 | POA   |
| 821533 | Blowing Tips | 5.5mm     | Pk of 10 | POA   |
| 821535 | Blowing Tips | 6mm       | Pk of 10 | POA   |

| Item   | Description  | Cable Dia | UoM      | Price |
|--------|--------------|-----------|----------|-------|
| 821536 | Blowing Tips | 6.5mm     | Pk of 10 | POA   |
| 821537 | Blowing Tips | 7mm       | Pk of 10 | POA   |
| 821538 | Blowing Tips | 7.5mm     | Pk of 10 | POA   |
| 821539 | Blowing Tips | 8mm       | Pk of 10 | POA   |
| 821540 | Blowing Tips | 9mm       | Pk of 10 | POA   |
| 821541 | Blowing Tips | 10mm      | Pk of 10 | POA   |
| 821542 | Blowing Tips | 16mm      | Pk of 5  | POA   |

## Microduct Lubricating Projectiles (Sponges)

Sponges for the lubrication of microducts prior to cable blowing

- Available for microducts with inside diameters from 3.5-35mm

| Item   | Microduct ID | UoM      | Price |
|--------|--------------|----------|-------|
| 821545 | 3-5.5mm      | Pk of 20 | POA   |
| 821546 | 7-11mm       | Pk of 20 | POA   |
| 821547 | 8-12mm       | Pk of 20 | POA   |

| Item   | Microduct ID | UoM      | Price |
|--------|--------------|----------|-------|
| 821548 | 14-21mm      | Pk of 10 | POA   |

| 821550 | 22-35mm      | Pk of 10 | POA   |

## Blown Fibre Cable & Duct Lubricants

Lubricants to aid with blowing cable into ducts & microducts

- Prelube 2000 suitable for lubricating fibre cable and ducts
- Prelube 5000 suitable for lubricating micro fibre cable and microducts

| Item   | Description                      | Volume | Price  |
|--------|----------------------------------|--------|--------|
| 821552 | Prelube 2000 Duct Lubricant      | 950ml  | £8.95  |
| 821551 | Prelube 5000 Microduct Lubricant | 240ml  | £12.95 |

## Hose Assemblies for Fibre/Cable Blowing

High quality hose assemblies designed for use between blowing machines and compressors

- 3/8" Hose with Cejn to Cejn connectivity  
Perfect for use between the Jetting V0 blowing machine and our Last Mile compressors (Petrol, and Electric)
- 3/4" Hose with Claw to Claw connectivity  
Perfect for use between the Jetting V1/V3 blowing machines and our Rotair VRK200 Compressor

819535

820321

| Item   | Description   | Type      | Pressure | For Machine | Length | Price |

| 820321 | 3/4" Air Hose | Claw-Claw | 20 Bar   | V1 & V3     | 10Mtr  | POA   |

## Fibre Optic Blowing Compressor (Petrol/Electric)

Petrol/Electric compressor designed for use with fibre blowing machines

- 9.5CFM (270 litre per minute) air flow rate
- 145psi (10bar) Max. pressure
- V - Configuration oil-less compressor pump
- Oil free air production
- Tankless design
- Cast aluminium construction
- Unique connecting rod system for perfect balance
- Heat-treated components for longer life
- Stainless steel valves

## VRK200 Cable Blowing Machine Compressor

The Rotair VRK200 is a portable, versatile and highly specified compressor designed for cable blowing activities. Designed with safety and efficiency in mind, it delivers on performance and is designed to ensure that removable parts are easily accessible

- Built in aftercooler - no need for a second unit to cool/dry delivered air
- Automatic optimum air flow delivery - the unit will automatically adjust the air flow to the optimum volume, this reduces stress on the engine and improves fuel consumption
- Service intervals are longer and basic maintenance is simpler.
- Max operation pressure 15bar 218psi
- Working pressure 13bar 188psi
- Free air delivery 1000l/min 28cfm
- Minimum working pressure 5.5bar 80 psi
- Drive system engine-air end, belt-drive XP2 over-dimensioned
- Compressor cooling system Air/Oil
- Oil cooling capacity 5l 1.33 gal
- Air outlet temperature 20C - 105F + ambient temperature
- Hose Diameter 3/4"

# COMING SOON FROM

## TriggAir

The robust handheld fibre blowing machine

- Cables up to 3 mm in ducts 5 & 7 mm
- No tools needed
- Quick set up
- Speedy installation

## Mjet VO HD

Last mile.....the powerful way

- Cables up to 6.5 mm in ducts up to 16 mm
- No tools needed
- Quick set up
- Max pushing force = 200 N

### COMPARISON BETWEEN VO & VO HD

VO - Working with cables up to 3 mm

VO HD - Working with cables 3-6, 5 mm

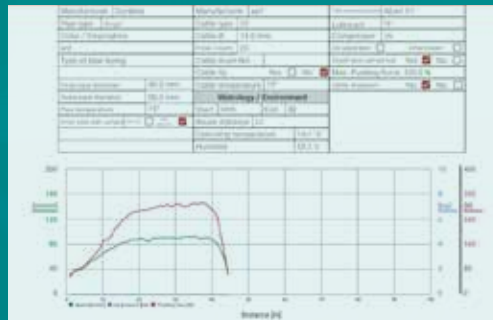

## JetLogger

Documentation system for blown fibre in ducts

The Jetlogger documents several key parameters in one single report. The user enters details describing the job name, cable type & duct type. The Jetlogger will then automatically log the temperature, the humidity, and the exact location by GPS. It also monitors every metre, the air pressure, speed, distance and pushing force used. All measurement parameters are displayed live on the tablet giving the user a full overview of the process

**NO MORE

## 36F ULW Overhead Cable Stripper

OPT stripper with a profiled cassette that slits the sheath on a 36f Ultra-Light Weight (ULW) overhead 7mm diameter x 2mm sheath cable

- A profiled roller, located either side of the rotary blade ensures the internal cable elements are not damaged during the stripping operation
- Handle locking mechanism ensures the stripper remains closed during the sheath stripping

| Item   | Type                 | Mfr Ref | Price  |
|--------|----------------------|---------|--------|
| 814854 | 36F ULW Stripper     | T0158   | £90.96 |
| 820212 | Replacement Cassette | T0137   | £58.56 |

## Flat (Self Rodding) Drop Cable Sheath Stripper

The stripper makes two longitudinal parallel slits in the sheath on one side of the flat dropcable, the outer sheath portion can then be 'peeled' away to expose the cable element

- Suitable for 'Slippery Fish' COF250, SST dropcable or 12f flat dropfibre cable

| Item   | Style                          | Mfr Ref | Price  |
|--------|--------------------------------|---------|--------|
| 825715 | 12F COF250 Drop Cable Stripper | T0183   | £90.96 |

## 4/12f Overhead Drop Cable Stripper

The OPT stripper has a profiled cassette that slits the sheath on a 4/12f overhead drop cable

- A profiled roller is located either side of the rotary blade to ensure the internal cable element is not damaged during the stripping operation
- The handle locking mechanism ensures the stripper remains closed during the sheath stripping operation

| Item   | Description          | Mfr Ref | Price  |
|--------|----------------------|---------|--------|
| 814187 | 4/12F Cable Splitter | T0159   | £90.96 |
| 820213 | Replacement Cassette | T0138   | £58.56 |

## Minicable Sheath Stripper

- The yellow label signifies 7.2mm diameter cable (typically a 96f Prysmian cable)
- The green label is used on a 6.5mm diameter cable (typically a 72f Corning or 96f Sterlite cable)
- Supplied with 2 cassettes (7.2/6.5mm) yellow/green label

| Item   | Description               | Mfr Ref | Price   |
|--------|---------------------------|---------|---------|
| 820208 | COF205 Minicable Stripper | T0168   | £140.71 |

## Copper Hybrid Cable

The OPT tool separates the web joining the Blown Fibre Droptube (BFD) and copper element (containing a twisted pair) enabling the individual components to be terminated at both distribution pole and the customer's premises

| Item   | Description          | Mfr Ref | Price  |
|--------|----------------------|---------|--------|
| 814150 | Web Separating Tool  | T0162   | £88.38 |
| 826438 | Replacement Cassette | T0135   | £58.56 |

## Jumper Cable Sheath Stripper

Longitudinal cable sheath stripper designed for 3mm fibre jumper cable

| Item   | Description       | Mfr Ref | Price  |
|--------|-------------------|---------|--------|
| 820211 | 3A Fibre Stripper | T0199   | £31.77 |

## Blown Fibre Tube Intercept Cutter

The cutter performs both a circumferential and longitudinal sheath cut to expose the multi-tubes within a 6x 4.5mm 7 blown fibre tube bundle. One or more tubes can be cut and connectorised to other tube(s) for diverse routing

| Item   | Description                | Price   |
|--------|----------------------------|---------|
| 814786 | T0133 BFT Intercept Cutter | £113.70 |

## Pullback Cable Window Sheath Cutter

The pullback cable window sheath cutter creates a 50mm window in multi-element internal/external pullback (typically 12mm diameter) to enable access to the individual fibre elements to drop off one or more customers at a single breakout point

| Item   | Description                  | Mfr Ref | Price   |
|--------|------------------------------|---------|---------|
| 820210 | Pullback Cable Window Cutter | T0110   | £140.71 |

## Cable Stripping Tool (VCST)

The Verticasa Cable Stripping Tool (VCST) is typically used in multi dwelling units or office fibre cabling systems where extractable fibre cables like the Prysmian Verticasa cable range have been installed. It is used to create a longitudinal window cut on the cable. The window cut will allow to access the fibre modules inside the cable

| Item   | Description                    | Price  |
|--------|--------------------------------|--------|
| 800901 | Verticasa Cable Stripping Tool | £85.00 |

## Dropfibre Butterfly Stripper

Dropfibre stripping tool for overhead fibre cables 12F and 36F, ideal for the fast and safe removal of the outer sheath for dropwire cables

- Precisely calibrated blade guarantees no damage to the internal optical fibres

| Item   | Description            | Colour | Price  |
|--------|------------------------|--------|--------|
| 806645 | 12F Dropfibre Splitter | Yellow | £15.52 |
| 806646 | 36F Dropfibre Splitter | Red    | £15.52 |

## Fibre Stripper

Tri-Hole stripping tool. Factory calibrated to remove 2-3mm jackets, 900µm and 250µm buffer coating.

- Spring action handles
- Lock to hold tool closed when not in use
- V-Notch jaw type
- Comfort grip

| Item   | Description                       | Mfr Ref | Price  |
|--------|-----------------------------------|---------|--------|
| 816179 | 3-in-1 Fibre Optic Stripping Tool | FS203   | £10.95 |

## 5-Way Fibre Optic Stripper

Durable fibre stripping tool with 5 useful stripping positions

- 250µm, 900µm, 2-2.4mm, 2.8-3mm, & 2-3mm

| Item   | Description                      | Price  |
|--------|----------------------------------|--------|
| 808354 | 5-in-1 Fibre Optic Stripper Tool | £32.95 |

# Fibre Optics

## Kevlar Cutter

For cutting Kevlar strength members and aramid yarn in fibre optic cables

- Lightweight and compact
- Ergonomic handles with non-slip pattern grips
- Powerful cutting action

| Item   | Description           | Mfr Ref | Price |
|--------|-----------------------|---------|-------|
| 100149 | Steel Kevlar Scissors | SK100   | £8.14 |

## Fibre Optic Kevlar Cutters

Precision, diagonal cutting nipper specially designed for Kevlar strands

995145

812739

| Item   | Description             | Mfr Ref | Price  |
|--------|-------------------------|---------|--------|
| 995145 | Ultra Flush Cut         | 8142    | £39.95 |
| 812739 | Cutting Micro Bevel Cut | 8160    | £57.00 |

## Tube Cutter 2A

Tube/hose cutter ideal for cutting blown fibre tubing

- Lightweight and simple to use with a see-saw action
- Hardened and tempered steel blades

| Item   | Description             | Mfr Ref | Price |
|--------|-------------------------|---------|-------|
| 100061 | Microduct & Tube Cutter | TC100   | £3.46 |

## 6 In 1 Blown Fibre Crimper Tube Cutter

Tube/hose cutter ideal for cutting blown fibre tubing.

The 6 functions are:

- Tube cutter
- Bead crimper
- Manifold tube measurement guide
- Tube reforming nipple
- Gas and water block activation tool
- 30mm splice protector fibre guide

| Item   | Description        | Price  |
|--------|--------------------|--------|
| 797524 | 6 in 1 Tube Cutter | £17.00 |

## Fibre Optic Mid Span Access Slitter

Designed to provide easy access to optical fibres in loose buffer tubes

- Suitable for tube sizes from 1.5-3.3mm diameter
- Precision grooves prevent damage to the fibre within the tube
- Easy to use with squeeze and pull operation

| Item   | Description                         | Price  |
|--------|-------------------------------------|--------|
| 808374 | Mid Span Access Fibre Optic Slitter | £14.25 |

## Slippery Fish Fibre Optic Drop Cable Slitter

The Slippery Fish (FOD speed slitter) is used to safely prepare flat fibre optic drop cables typically found in fibre-to-the-home networks

- Simplifies the slitting of drop cable jackets at the end of the cable or mid-span
- Slits on both sides of the jacket allowing easy access to the fibre or strength member

| Item   | Description                 | UoM     | Price  |
|--------|-----------------------------|---------|--------|
| 806726 | Slippery Fish Cable Slitter | Each    | £35.95 |
| 814858 | Replacement Blades          | Pk of 5 | £1.85  |

## MS-6 Mid-Span Slitter Tool

The Jonard MS-6 mid span slitter with 6 precision grooves provides easy access to optical fibres in loose buffer tubes 1.2 - 3.3mm diameter without damage to the fibre. The blades are replaceable

- Groove sizes:- 1.2-1.5mm, 1.5-1.8mm, 1.8-2.1mm, 2.1-2.5mm, 2.5-2.9mm and 2.9-3.3mm
- Specified for use on the OFS EZ-Bend 3.0mm cable
- Works on PPC semiflex 3mm

| Item   | Description           | Mfr Ref  | Price  |
|--------|-----------------------|----------|--------|
| 821241 | Mid-Span Slitter Tool | MS-6     | £61.50 |
| 821246 | Replacement Blades    | MSB-1533 | £27.75 |

## MS-26 Mid-Span Slitter Tool

The Jonard MS-26 mid span slitter opens fibre jackets and loose buffer tubes to provide easy fibre access. It works on cables or buffer tubes ranging in size from 2.9 to 6.8mm in diameter.

Its 5 precision grooves are identified on the top of the tool

- Groove Sizes:- 2.9-3.6mm, 3.6-4.4mm, 4.4-5.2mm, 5.2-6mm & 6-6.8mm
- Works with OFS EZ-Bend 3.0 and 4.8mm drop cables

| Item   | Description           | Mfr Ref  | Price  |
|--------|-----------------------|----------|--------|
| 821242 | Mid-Span Slitter Tool | MS-26    | £69.50 |
| 821245 | Replacement Blades    | MSB-2968 | £27.95 |

## CSR-1575 Cable Strip & Ring Tool

The CSR-1575 is designed to slit and ring cables, buffer tubes and jackets on fibre optic cables up to 7.5mm in diameter. The tool features an easily adjustable slit blade and ring blade as well as a removable and reversible V block that improves slitting performance and accommodates smaller to larger diameter cables

- Suitable for cable diameters 1.2mm-7.5mm

| Item   | Description             | Mfr Ref  | Price  |
|--------|-------------------------|----------|--------|
| 821250 | Cable Strip & Ring Tool | CSR-1575 | £19.50 |
| 821254 | Replacement Blade       | CSR-2    | £6.25  |

## JIC-4366 Cable Slitter & Ring Tool

Cable sheath slitter used to ring-cut many types of tight buffer, loose tube buffer, breakout cables and other types of jacketed fibre cables. Depth of the cut has two adjustments for 0.46 mm or 0.78 mm thick plastic, rubber or fabric insulation, and can handle cable diameters from 4.7-12.7mm"

- One spare blade of each style is included with the tool

| Item   | Description           | Mfr Ref  | UoM  | Price  |
|--------|-----------------------|----------|------|--------|
| 821251 | Slitter & Ring Tool   | JIC-4366 | Each | £49.75 |
| 821252 | Blades (Radial/Ring)  | RB2060/6 | Pk 6 | £6.25  |
| 821253 | Blades (Longitudinal) | RB2878/6 | Pk 6 | £6.25  |

## Kabifix Jacket Stripper

The Kabifix jacket stripper effortlessly cuts the outer insulation sheath from cables and wires from 6 to 28mm

- The cutting blade automatically changes from circular to longitudinal mode for the safe damage free removal of insulation without the use of additional cutting tools
- The replaceable hardened steel blade has an adjustable cutting depth making this a versatile tool for fast and effective stripping and cutting

| Item   | Description             | Price  |
|--------|-------------------------|--------|
| 990067 | Kabifix Jacket Stripper | £27.25 |
| 991874 | Replacement Blade       | £8.75  |

## FTS Fibre Scoring Tool

This handy tool enables the user to score buffer tubes in one simple step, eliminating the need for multiple tools

- This unique tool scores buffer tube sizes from 1.6-6mm
- No blade adjustment as steel blade is pre-fixed at the factory
- Acetal polymer plastic body makes tool strong and durable

| Item   | Description        | Mfr Ref | Price  |
|--------|--------------------|---------|--------|
| 814789 | Fibre Scoring Tool | FTS     | £12.50 |

# Fibre Optics

Fibre Optics

## FOKC Fibre Optic Kevlar Cutter

Designed to cut Kevlar strength members in fibre optic cables

- Powerful quick cutting action
- Full serrated edge for consistent, fast and clean cuts
- Lightweight and compact
- Return spring designed for precise repeated cuts
- Ergonomic handles with cushioned non-slip grips
- Made of high carbon steel specially treated for long life and trouble free cuts

| Item   | Model | Description   | Length | Price  |
|--------|-------|---------------|--------|--------|
| 782394 | 36495 | Kevlar Cutter | 146mm  | £21.00 |

## KS-1 Fibre Optic Kevlar Cutter

Lightweight shears for cutting Kevlar or aramid yarn from fibre cables

- Ergonomic moulded handles
- One micro-serrated blade reduces slippage

| Item   | Model | Description        | Price  |
|--------|-------|--------------------|--------|
| 997773 | 80671 | Steel Kevlar Shear | £11.25 |

## All-in-One Fibre Optic Stripping & Kevlar Cutting Tool

The Miller all-in-one fibre stripping tool combines jacket stripping, fibre stripping and the trimming of aramid yarn (Kevlar) all within a single compact tool

- Strips jacket sizing from 1.6-3mm diameter
- Strips 900µm buffer down to 250µm buffer coating
- Strips 250µm coating down to 125µm fibre
- Kevlar trimming tool located on the cutting side and slides out

| Item   | Model | Description                         | Price  |
|--------|-------|-------------------------------------|--------|
| 820461 | 81430 | All-in-One Stripping & Cutting Tool | £71.95 |

## Buffer Stripper

Original Miller 10A tool used for stripping 250µm buffer coating from 125µm optical fibre

- Precision diameter hole & V-opening in blade allow for accurate buffer coating removal
- Pivot pin, spring and precision handles enhance tool functionality and durability

| Item   | Model | Description     | Mfr Ref  | Price  |
|--------|-------|-----------------|----------|--------|
| 996354 | 80355 | Buffer Stripper | FO-103-S | £31.03 |

## Buffer & Jacket Strippers

Dual and triple hole buffer and jacket strippers

- Spring action handles return jaws to open position when not in use
- 998134 - Dual hole for stripping 2-3mm jackets and standard 250µm buffer coating to expose 125µm clad fibre
- 782396 - Dual hole for stripping 2-3mm jackets and standard 125µm fibre stripping (250µm removal to 125µm)
- 782393 - Tri-Hole for stripping 2-3mm jackets, removal of 900µm tight buffer to 250µm buffer coating and standard 250µm to 125µm

| Item   | Model   | Description                              | Style          | Buffer        | Price  |
|--------|---------|--|----------------|---------------|--------|
| 998134 | 46107-M | Dual Hole Fibre Buffer & Jacket Stripper | CFS-2          | 250µm         | £16.95 |
| 782396 | 80676   | Dual Hole Fibre Buffer & Jacket Stripper | FO 103-D-J     | 250µm         | £32.95 |
| 782393 | 80677   | Tri Hole Fibre Buffer & Jacket Stripper  | FO 103-T-250-J | 900µm & 250µm | £49.50 |

## ACS/ACS2 Armoured Cable Slitters

Professional grade tool ideal for slitting the corrugated copper, steel or aluminium armour layer on fibre feeder, central tube, stranded loose tube fibre optic cables and other armoured cables

- ACS Gold Wheel - 8-28.6mm Diameter
- ACS2 Red Wheel - 4-10mm Diameter
- Versatile design allows jacket or shield slitting on non-fibre optic cables as well
- Tool slits outer cable jacket and armour in one operation
- Performs longitudinal and circumferential slitting
- Blade rotates 90 degrees by activating blade lever, allowing easy mid-span preparation
- Adjustable blade depth to 5.5mm maximum to accommodate different cable jackets
- Cable guide wheel provides cable stability and allows for easier tool movement along the cable
- Rugged anodised aluminium and steel construction

| Item   | Model | Description            | Mfr Ref | Price  |
|--------|-------|------------------------|---------|--------|
| 810637 | 37880 | Armoured Cable Slitter | ACS     | £89.95 |
| 812750 | 37897 | Armoured Cable Slitter | ACS-2   | £87.95 |

## Twister Flat Drop Cable Slitter

Miller's FTTx drop cable slitter has a patent-pending design that slits both sides of flat drop cable jackets on end or mid-span applications and allows for precise, safe and easy access to fibre buffer tubes

- Unique articulating hinge allows accurate stripping without disassembling the tool
- Shielded blades promote safe operation, preventing cuts and lacerations
- Ergonomic design with convenient opening tabs fitting comfortably in the hand
- Comes with two reversible blades and two additional replacement blades stored within the tool body
- Very lightweight tool, requires minimal effort and made from a durable polymer construction
- Also known as a Slippery Fish tool

| Item   | Model     | Description                  | Cable Width | Cable Height | Jacket Thickness | UoM     | Price  |
|--------|-----------|------------------------------|-------------|--------------|------------------|---------|--------|
| 820490 | MB04-7000 | FTTx Flat Drop Cable Slitter | 7.7mm-8.9mm | 3.9mm-4.7mm  | 0.76mm-1mm       | Each    | £29.69 |
| 825278 | MB04-7020 | FTTx 36F Drop Cable Slitter  | 11mm        | -            | -                | Each    | £29.95 |
| 820492 | MB04-7500 | Replacement Blades           | -           | -            | -                | Pk of 4 | £5.58  |

## MSAT-5 5-Channel Mid-Span Access Tool

The MSAT 5 mid-span access tool is designed to allow easy access to the fibres in multiple tube sizes, all with no adjustments or die changes

- Includes 5 channels for tubes ranging from 1.6-3mm
- Locking mechanism ensures the tool will remain closed during operation
- Safe, compact & ergonomic design fits comfortably in hand for easy operation
- Rugged polymer construction is lightweight & durable

| Item   | Model | Description          | Type      | Mfr Ref | Price  |
|--------|-------|----------------------|-----------|---------|--------|
| 821266 | 80930 | Mid-Span Access Tool | 5-Channel | MSAT-5  | £49.95 |

## MSAT-16 16 Channel Mid-Span Access Tool

The MSAT-16 is designed to easily size and access fibres in loose tube cables 16 diameter settings ranging from 1 to 3mm diameters in mid-span applications

- Convenient built-in sizing channels quickly determine proper setting for a wide variety of loose tube cables
- Features a self-aligning, easy-to-load buffer tube channel that supports & guides the tube through precision shaving operation

| Item   | Model     | Description           | Price  |
|--------|-----------|-----------------------|--------|
| 812763 | MB01-7000 | MSAT 16 Mid-Span Tool | £69.95 |

## MSAT 3-Channel Mid-Span Access Tool

The MSAT is used to quickly and easily access fibres in 2mm, 2.5mm and 3mm buffer tubes in a mid-span location without damage to fibre. No blade adjustment is necessary, as the factory precisely mounts the blades in the tube slitting channels, resulting in consistent and accurate slitting

- Sizing channels on the tool body determine the proper diameter channel
- Spring-loaded lever opens the tool body & remains flush when the tool is closed

| Item   | Model | Description          | Price   |
|--------|-------|----------------------|---------|
| 788225 | 80785 | MSAT 3 Mid-Span Tool | £185.00 |

## MSAT All Access Tool Kit

The MSAT all access tool kit gives the user a selection of 5 tools in a handy foam lined plastic case

- Kit includes; Stripper FO 103S
- Kevlar Shears KS-1
- Hard Jacket Stripper PCS-114
- Buffer Tube Scorer FTS
- Mid Span Access Tool MSAT-16

| Item   | Model     | Description              | Price   |
|--------|-----------|--------------------------|---------|
| 818921 | MA03-7000 | MSAT All Access Tool Kit | £199.00 |

## IET Fibre Optic Connector Insertion/Extraction Tool

Deep reaching insertion and extraction tool for LC, SC, MU and MTRJ fibre optic connectors

- Easily inserts and extracts fibre optic connectors in high density patch panels
- Tool tip design insures positive gripping without slipping
- Ergonomic grips
- Left or right hand operation

| Item   | Model | Description               | Price  |
|--------|-------|---------------------------|--------|
| 821267 | 80860 | Insertion/Extraction Tool | £25.95 |

## LC Connector Extraction Tool

LC extraction tool designed to allow simple removal of LC duplex, simplex and pigtail connectors

- Specifically engineered jaws fits all LC connector types
- Lightweight, compact design easily fits in the pocket

| Item   | Description     | Price  |
|--------|-----------------|--------|
| 804824 | Extraction Tool | £10.95 |

## Microduct Rounding Tool

To round microducts after cutting and before adding a connector. Can be used with microducts that have internal diameters of 2.1, 3.5 and 8mm

| Item   | Description             | UoM       | Price |
|--------|-------------------------|-----------|-------|
| 808373 | Microduct Rounding Tool | Pack of 4 | £6.75 |

## Microduct Collet Locking Tool

5 Piece collet release tool set for quick connect fittings and valves

- Sizes 3/16", 1/4", 5/16", 3/8" & 1/2"

| Item   | Description                     | Mfr Ref | Price |
|--------|---------------------------------|---------|-------|
| 821249 | Collet Locking/Release Tool Set | ICLT/2  | £4.95 |

## Straight Tweezer

Stainless steel fine grade tweezers

| Item   | Description      | Length | Price |
|--------|------------------|--------|-------|
| 995143 | Straight Tweezer | 114mm  | £1.59 |

## Tweezers

CK tweezers made from hardened carbon steel with fine nickel plating

- Fine, blunt tips milled together
- 2mm or 3.5mm wide options
- Anti-magnetic to prevent damage

| Item   | Description    | Type            | Price |
|--------|----------------|-----------------|-------|
| 784811 | 2mm Tweezers   | Fine Blunt Tips | £7.95 |
| 784812 | 3.5mm Tweezers | Blunt Tips      | £8.50 |

## PLCC Extraction Tool

For removing PLCC type devices from their sockets

- Prevents damage to the IC packaging and socket
- Easy to use, simply squeeze the tool handle to extract

| Item   | Description              | Price |
|--------|--------------------------|-------|
| 784825 | PLCC Component Extractor | £2.95 |

## EasySplicer Handheld Fusion Splicer MK2

MK2 EasySplicer handheld fusion splicer designed for 'last mile' and LAN fibre optic cable installations. Its small and handy size make it perfect for FTTH or digital-TV fibre installs. New features for the MK2 model include moulded fibre holders

**PRECISION  
CLEAVER  
Included**

- Alignment method: V-groove (cladding alignment)
- Fibre holders: 3 pairs (250µm, 900µm and loose tube)
- Typical splice Loss: 0.03dB singlemode, 0.01 dB multimode
- Typical Cycle time: 7s + 35s (splice cycle + oven cycle)
- Sleeve Dimensions: Max 64mm length, 2-5mm diameter supported by oven
- Communication: USB, mini USB plug
- Memory: Internal 1MB, External SD-Card
- Monitor: Colour LCD, 2.8", 320x240 pixels
- Magnification: Camera 140x
- Power Sources: External power supply, 6V, 1.25A, 100-240VAC 50-60Hz, built in Li-Ion battery pack
- Splicing Capacity: 60 splicing cycles

## Mini M7 Fusion Splicer

The INNO Mini M7 is an active clad-alignment splicer with an ultra-portable design

- Active V-Groove clad alignment splicing method
- Lightweight and easy to handle
- 4.3" colour LCD touch screen with user friendly intuitive GUI
- Outstanding magnification up to 400x
- Double tapping zoom in and out
- Supplied with adjustable strap hanger

## View 8+ Fusion Splicer

INNO's premium core-alignment fusion splicer View8+ features a world class splice time of 6 seconds and a heating time of 9 seconds, with a large battery capacity allowing 355 cycles. Together with 5" wide HD LCD monitor and user-friendly intuitive GUI (Graphic User Interface), this premium splicer comes with a dedicated Wi-Fi app to check progress simply from a smartphone

- Fast splice time of 6 seconds
- Large battery (9000mAh) allows 355 cycles
- Automatic ARC compensation
- 320x Magnification
- 5" HD LCD Monitor
- Quick result checking using downloadable Android/Apple App

## View 12R Ribbon Fibre Fusion Splicer

The INNO View 12R is a ribbon splicer with a fully motorised clamp alignment system. Its advanced automatic clamp alignment system offers accurate and dependable ribbon fibre splicing up to 12 fibres with double-tapping (zoom in and out), and scrolling to magnification of 250x. The View 12R provides maximum work efficiency due to its fast splicing and heating time, ultra-high battery capacity of 220 splice / heat cycles, and its supplied universal holder both for 250µm & 900µm single fibres

- Motorised clamp alignment system
- 5" colour LCD touch screen
- User-friendly smart GUI
- Double-Tap to Zoom in & out
- Fast working time
- Ultra-high capacity battery
- Universal single fibre holder
- 3 Bright LEDs and Illuminated keypads for dark environments
- Ceramic clamp for improved durability
- Protective cover
- Adaptable for use in harsh weather conditions

## V7+ Cleaver

High precision fibre cleaver

- For cleaving 250µm, 900µm, 3.0mm, ribbon and flat fibres with universal holder
- Compatible with all VIEW series fusion splicers
- Easy and simple 2 step operation
- Durable blade with lifetime of over 48,000 fibre cleaves
- Detachable sharps bin

| Item   | Description             | Price   |
|--------|-------------------------|---------|
| 803531 | V7+ Fibre Optic Cleaver | £345.00 |

## B-77 Replacement Cleaver Blade

Replacement cutting blades for use with INNO cleaver

- B-77 suitable for VF-15, VF-15H, VF-78, V7 & V7+
- Cutting Position: 16 Points
- Blade life: 48,000 times

| Item   | Description        | Price  |
|--------|--------------------|--------|
| 802505 | B-77 Cleaver Blade | £73.88 |

## Splice On Connectors

INNO's splice on connectors have been designed to save time and increase productivity without sacrificing quality. These splice on connectors, also known as 'SOC' are pre-cleaved and pre-polished to improve the quality of the termination and reduce installation time required out in the field

- Splice joint protected inside of the connector body
- Available in UPC and APC finish
- 900µm & 3mm types available
- Temperature range: -45°C to 85°C

| Description          | Mode | Standard | Connector | 900um Boot | 3mm Boot | Price |

## Fibre Optic Cleaver

Designed for fibre cleaving applications that include field termination of fibre connectors and mechanical splices as well as laboratory applications

- Small, lightweight and easy to use
- Features a graduated leaf spring scale, which allows cleave lengths of 2-20mm
- The score and snap leaf spring function is easy, fast and is the preferred method by many fibre installers
- Produces a precise cleave endface angle of less than 2 degrees
- Supplied with a standard carbide cleaving blade capable of over 6,000 consistent cleaves
- Cleaving tool is designed for singlemode and multimode fibre with cladding O.D. diameter of 125µm with no operator tool adjustments
- Cleaver and instructions come in a 60g hard plastic case that measures 137 x 86 x 29 mm
- Cleaver dimension: 124 x 20 x 40 mm
- Weight: 60g

| Item   | Model | Description   | Mfr Ref | Price   |
|--------|-------|---------------|---------|---------|
| 808372 | 46490 | Fibre Cleaver | FOC-SS  | £135.00 |

## Mobile Splicers Work Table System

Mobile workstation providing a sturdy work platform for splicing in various environments. The Uni co mobile tray comes with a waist and shoulder strap and includes a raised position for the cleaver and additional fabric side pockets for storage. Optional accessories available

- Splicer & tray sold separately

LIGHTWEIGHT,  
STURDY AND  
EASY TO  
ASSEMBLE

| 822114 | Work Tray Ladder Mount Accessory | £41.95  |

## Standard Fibre Optic Cleaning Kit

Fibre optic cleaning kit with everything you need to clean 800+ fibre end faces quickly, reliably and inexpensively

- Kit includes 1x Cleanwipes 600 box
- 1x Cleanwipes 90 Tub
- 25x Outdoor Cleanwipes optical grade wipes
- 30x Cleaning sticks for 2.5mm
- 20x Cleaning sticks for 1.25mm
- 1x Orange case + LED flashlight

| Item   | Mfr Ref  | Description                       | Price  |
|--------|----------|-----------------------------------|--------|
| 808915 | MCC-FK03 | Standard Fibre Optic Cleaning Kit | £64.25 |

## High-Volume Fibre Optic Clean Kit

High-volume fibre cleaning kit containing all the equipment needed to clean thousands of E2000, FC, LC, MU, SC & ST connectors. These kits are optimised for data centres, telco central offices and cable head-ends

- Includes enough supplies for 2,300+ cleanings
- Kit includes 1.25mm & 2.5mm ClickCleaner 750+ pen tools
- 2x Connector cleaning fluid
- 1x Cleanwipes 600 (optical grade)
- 1x Cleanwipes 90 tub
- 25x Outdoor Cleanwipes optical grade wipes
- 30x Cleaning Sticks for 2.5mm
- 20x Cleaning Sticks for 1.25mm
- 1x Orange Case + LED flashlight

| Item   | Mfr Ref  | Description                          | Price   |
|--------|----------|--------------------------------------|---------|
| 822215 | MCC-FK08 | High-Volume Fibre Optic Cleaning Kit | £159.95 |

## CleanClicker Fibre Optic End Face Cleaners

The Sticklers 'click-to-clean' or 'push-to-clean' tools have been designed for all common fibre optic connectors including SC, LC and MPO. They have the most gentle activation on the market and the longest 'throw' of cleaning ribbon delivering perfectly clean connectors with just one activation

- Available in 2.5mm, 1.25mm and MPO style pens
- ClickCleaner 750 products providing 750+ activations
- CleanClicker 400 mini providing 400+ activations
- 2.5mm cleaner engineered for SC, FC, ST, E2000, OptiTap and hardened SC-sized Connectors in standard and angled polish
- 1.25mm cleaner engineered for LC and other small form factor connectors

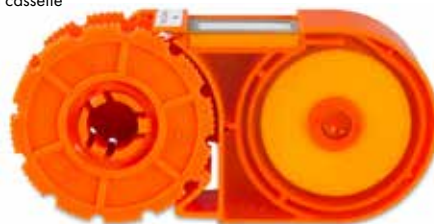

| Item   | Mfr Ref    | Description                  | For Use With              | Price  |
|--------|------------|------------------------------|---------------------------|--------|
| 822205 | MCC-CCM125 | 1.25mm End Face Cleaner Mini | LC Connectors             | £43.60 |
| 822059 | MCC-CCU125 | 1.25mm End Face Cleaner      | LC Connectors             | £45.25 |
| 822058 | MCC-CCU250 | 2.5mm End Face Cleaner       | SC,FC,ST,E2000 Connectors | £45.25 |
| 822212 | MCC-CCMPO  | MPO End Face Cleaner         | All MTP/MPO Connectors    | £66.51 |

## CleanClicker Fibre Optic Cassette Cleaners

The Sticklers CleanClicker cassette cleaners are a one time use cassette and micro-woven cleaning ribbon for cleaning connector end faces cleaner available in two options but both cleaning industry common connectors.

- Available in standard end face clean and a specific Male MTP/MPO clean cassette
- Both RC and MT versions contain about 500+ cleanings
- Compact size, easy to use and fits comfortably in the hand

| Item   | Mfr Ref   | Description                               | For Use With                   | Price  |
|--------|-----------|---|--------------------------------|--------|
| 822210 | MCC-CCWRC | CleanClicker Fibre Optic Cassette Cleaner | 1.25mm, 2.5mm & Female MTP/MPO | £35.41 |
| 822211 | MCC-CCWMT | CleanClicker Fibre Optic Cassette Cleaner | Male MTP/MPO Only              | £35.41 |

## CleanWipes Benchtop (Lint Free)

Sticklers CleanWipes are high quality, lint free wipes engineered for use on bare fibre before splicing and for cleaning fibre optic jumpers

- Makes wet-dry cleaning of fibre optic connectors easy
- Far stronger and less linting than cellulose wipes

| Item   | Mfr Ref | Description | UoM      | Price |
|--------|---------|-------------|----------|-------|
| 803938 | MCC-WFW | CleanWipes  | Pk of 90 | £6.05 |

## CleanWipes Desk Box (Lint Free)

High quality optical grade wipes for cleaning fibre prior to splicing or for cleaning fibre optic jumpers and connector plugs. They are engineered to be used with the Sticklers fibre optic splice and connector cleaner fluid

- CleanSwipe slots for fast, perfect cleans
- No touch, no rip, no shredding
- High-modulus wipes won't scratch end-faces

| Item   | Mfr Ref    | Description    | UoM | Price  |
|--------|------------|----------------|-----|--------|
| 803939 | MCC-WCS100 | CleanWipes Box | 400 | £23.28 |

## CleanStixx

Sticklers CleanStixx fibre optic cleaning swabs offer consistent, speedy, reliable and inexpensive cleaning

- Blue 2.5mm connector cleaning stick, for cleaning SC, ST, FC, SC/APC, FC/APC, etc.
- Green 1.25mm connector cleaning stick, for cleaning LC, MU and similar
- Cleans the entire end-face, not just the central core
- High-purity cleaning tips-no fabric, foam, glues or particulate
- Precision moulded to exact size and shape, for better cleaning
- Packaged in high-purity, re-closable bags
- Colour coded for easy selection
- High performance and low cost cleaning

| Item   | Description       | Mfr Ref | Colour | UoM       | Price  |
|--------|-------------------|---------|--------|-----------|--------|
| 795677 | CleanStixx 1.25mm | MCC-S12 | Green  | Box of 50 | £22.00 |
| 795678 | CleanStixx 2.5mm  | MCC-S25 | Blue   | Box of 50 | £22.00 |

## Fibre Optic One Click Cleaners

Cleaning of fibre connector end faces either on patch leads or inside bulkheads with just one-click

- 500+ cleanings per unit

| Item   | Description       | Type     | Ferrule Size      | Price  |
|--------|-------------------|----------|-------------------|--------|
| 400294 | One-Click Cleaner | Mini-500 | LC, MU, 1.25mm    | £39.95 |
| 779315 | One-Click Cleaner | Mini-500 | SC, ST, FC, 2.5mm | £39.95 |
| 804737 | One-Click Cleaner | Original | MPO               | £49.95 |

## Fibre Optic Pen Click Cleaner

Fibre optic pen cleaners, with push click action, for use with all common types of fibre connector and adaptor. Easy to use push click action and robust sturdy construction

- Push click handheld cleaner tool
- 800 clean cycles
- 2.5mm cleaner for use with FC, SC & ST connectors
- 1.25mm cleaner for use with LC connectors

| Item   | Description         | Style               | Type      | Up to      | Price  |
|--------|---------------------|---------------------|-----------|------------|--------|
| 822941 | Fibre Optic Cleaner | 1.25mm (LC)         | Click Pen | 800 Cycles | £19.95 |
| 822940 | Fibre Optic Cleaner | 2.5mm (FC, SC & ST) | Click Pen | 800 Cycles | £19.95 |

## Fibre Optic Cleaners (Cletop-S)

Fibre optic connector ferrule end face cleaner

- Second generation cleaner with improved ergonomics and tape maintenance
- Connector ferrules are wiped along slots in exposed cleaning cloth
- Cleaning tape is automatically wound each time the cassette is used ensuring a clean surface for each connector
- Dry cleaning eliminates the need to use IPA or solvents
- Anti-static properties for static sensitive applications
- 400+ wipes per cartridge
- Available in 2.5mm and 1.25mm
- Type-S A: Designed for single 2.5 mm ferrules (FC, SC, SC2, ST, DIN and D4)
- Type-S B: Designed for MU, LC, MT, MPO/MTP without pins, MT-RJ without pins (will also clean 2.5mm ferrules)

| Item   | Description                    | Type              | Tape  | Price  |
|--------|--------------------------------|-------------------|-------|--------|
| 994650 | Fibre Cleaner Cassette         | Cletop-S Type A   | Blue  | £88.00 |
| 797767 | Fibre Cleaner Cassette         | Cletop-S Type B   | Blue  | £79.00 |
| 782105 | Fibre Cleaner Cassette         | Cletop-S Type B   | White | £79.00 |
| 994700 | Fibre Cleaner Replacement Tape | Cletop-S Type A&B | Blue  | £19.00 |
| 782106 | Fibre Cleaner Replacement Tape | Cletop-S Type A&B | White | £19.00 |

## Fibre Optic Cleaners (Original Version)

**CLETOP**

Fibre optic connector ferrule end face cleaner

- Connector ferrules are wiped along slots in exposed cleaning cloth
- Cleaning tape is automatically wound each time the cassette is used ensuring a clean surface for each connector
- Dry cleaning eliminates the need to use IPA or solvents
- Anti-static properties for static sensitive applications
- 300+ wipes per reel
- Type A: Designed for single 2.5mm ferrules (FC, SC, SC2, ST, DIN and D4)

| Item   | Description                    | Type            | Mfr Ref | Tape | Price  |
|--------|--------------------------------|-----------------|---------|------|--------|
| 803717 | Fibre Cleaner Cassette         | CleTOP Type A   | FCC-02R | Blue | £88.00 |
| 994651 | Fibre Cleaner Replacement Tape | CleTOP Type A&B | FCC-R   | Blue | £22.90 |

## Optipop R Series Cartridge Cleaning System

A reel cleaning system designed for cleaning fibre optic connectors

- Available in single slot and dual slot variants to maximise number of cleans depending on connector type
- 400 cleaning positions per tape (800 positions for dual slot)
- Single slot version suitable for SC/MU/FC/LC/MT/MPO
- Dual slot version suitable for SC/MU/LC/FC
- Efficient and easy to use
- Delivers consistently high quality cleaning performance
- Lightweight and safe to use
- Anti-static resin is used
- Replacement reels available as singles or packs of 6

| Item   | Description              | Connectors      | Mfr Ref | UoM     | Price   |
|--------|--------------------------|-----------------|---------|---------|---------|
| 719195 | Reel Cleaner Single Slot | SC/MU/FC/MT/MPO | R1      | Each    | £63.62  |
| 719196 | Reel Cleaner Dual Slot   | SC/MU/FC/MT/MPO | R2      | Each    | £66.74  |
| 820450 | Replacement Reel         | -               | RR      | Each    | £23.93  |
| 719197 | Replacement Reel         | -               | RS      | Pk of 6 | £130.14 |

## Fibre Optic End Face Cleaner

A fibre optic end face cleaner for use with all common connector types. High quality, sturdy construction and easy to use

- Handheld cleaner tool
- 500+ clean cycles
- FC, LC, MTP/MPO, MU, SC & ST connector types
- Replacement reel available

| Item   | Description                          | Price  |
|--------|--------------------------------------|--------|
| 822938 | Fibre Optic Cleaner Cassette         | £25.82 |
| 822939 | Fibre Optic Cleaner Replacement Reel | £10.94 |

## Fibre Optic Sharp Bins

**SHARPSGUARD®**

Sharp bins for the safe disposal of used tissues, wipes, gloves, epoxy residues, syringes and fibre cut-offs

- Available in 2 sizes

| Item   | Description     | Volume | Price |
|--------|-----------------|--------|-------|
| 782083 | Fibre Sharp Bin | 0.6Ltr | £2.59 |
| 782073 | Fibre Sharp Bin | 5Ltr   | £3.95 |

## Fibre Optic Sharp Bin

**MILLER®**

For the safe disposal of optical fibre scraps

- Features a sliding lid
- Can be incinerated when full

| Item   | Model | Description     | Price |
|--------|-------|-----------------|-------|
| 999130 | 46157 | Fibre Sharp Bin | £2.62 |

## Fibre Optic Cleaning Buds

**Ultima**

For cleaning fibre optic connectors and adaptors with IPA (isopropyl alcohol)

- Can be used to clean v-grooves in splicers

| Item   | Description          | UoM       | Price |
|--------|----------------------|-----------|-------|
| 400013 | 1.25mm Cleaning Buds | Pk of 100 | £9.90 |
| 996393 | 2.5mm Cleaning Buds  | Pk of 100 | £9.90 |

## Deionised Water

Deionised water to be used when joining two pieces of bare fibre, often within mechanical splices, to reduce frenal reflections and therefore reducing ower loss

- 1Ltr bottle
- Reduces frenal reflections

| Item   | Description      | Volume | Price |
|--------|------------------|--------|-------|
| 782075 | De-Ionised Water | 1Ltr   | £2.20 |

## Fibre Optic Isopropyl Alcohol

Isopropyl alcohol for optical fibre and connector end face cleaning

- Ensures fibres are in optimum condition prior to splicing or termination
- Used with cleaning wipes and buds for removing dirt and contamination from fibre connectors

| Item   | Description                  | Volume | Price |
|--------|------------------------------|--------|-------|
| 995167 | Isopropyl Cleaning Solvent   | 500ml  | £5.95 |
| 996357 | Isopropyl Lockable Dispenser | 113ml  | £3.50 |

## Fibre Optic Splice & Connector Cleaner

**STICKLERS**

Non flammable and specifically engineered for fibre optic connectors. Use with CleanStixx cleaning swabs, CleanWipes and one-click fibre optic cleaners

- Completely removes dust, dirt, fingerprints, moisture and dissipates static
- Cleans in five seconds, dries instantly
- Safe on all surfaces
- Volume 3oz (85g)

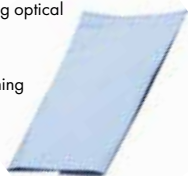

| Item   | Description              | Mfr Ref    | Price  |
|--------|--------------------------|------------|--------|
| 794187 | Splice/Connector Cleaner | MCC-POC03M | £11.22 |

## Fibre Optic Cleaning Cloth

**Fujikura**

A dry woven blue cloth which is an alternative to alcohol or solvent wipes, for cleaning optical connectors and lenses

- No need for cleaning solvent
- Washable and re-usable fibre cleaning cloth
- High performance cleaning cloth made from ultra fine microfibre
- 100mm height x 100mm width

| Item   | Description                   | Price  |
|--------|-------------------------------|--------|
| 999014 | Reusable Fibre Cleaning Cloth | £11.95 |

## Kim Wipes Fibre Optic Cleaning Wipes

**KIMTECH**

Non-abrasive lint free tissues

- Can be used dry or with IPA (isopropyl alcohol)
- Tissue Size 21 cm x 20cm
- Lint Free 2 Ply

| Item   | Description                | UoM       | Price |
|--------|----------------------------|-----------|-------|
| 782100 | Fibre Optic Cleaning Wipes | Pk of 100 | £3.90 |

# Fibre Optics

Fibre Optics

## Fibre Optic Impregnated Wipes

Isopropyl alcohol impregnated wipes for general cleaning

- Lint free and non-abrasive

| Item   | Description           | UoM       | Price  |
|--------|-----------------------|-----------|--------|
| 990234 | Impregnated IPA Wipe  | Each      | £0.45  |
| 997147 | Impregnated IPA Wipes | Box of 50 | £13.75 |

## Impregnated Wipes

d'Gel telecom industry cleaning solution

socomore

- High performance cleaner of cables, tools and equipment
- Cleans and removes gels and blocking compounds without sticky residue
- Equally effective with both copper and fibre optic cables

| Item   | Description       | UoM      | Price  |
|--------|-------------------|----------|--------|
| 786919 | Impregnated Wipes | Pk Of 24 | £13.20 |

## Fibre Optic Aerosol Duster

For the removal of dust and airborne contamination

- Does not contain CFCs
- Do not use near fusion splicers

| Item   | Description               | Volume | Price |
|--------|---------------------------|--------|-------|
| 820395 | Invertible Aerosol Duster | 110ml  | £6.95 |

## Aqua-Gel II

Aqua-Gel II cable pulling lubricant

- Polymer-based formula provides maximum tension reduction in high-stress electrical and communications cable-pulling operations
- Compatible with all cable types
- Cleans up easily with soap and water
- Environmentally safe - non-toxic, non-flammable and non-corrosive

| Item   | Description | Size  | Mfr Ref     | Price |
|--------|-------------|-------|-------------|-------|
| 808375 | Lubricant   | 950ml | Aqua Gel II | £5.95 |

## Cable Lubricant

d'Gel telecom industry cable lubricant

- Slow drying
- Pleasant almond odour
- Low viscosity
- Bright orange colour

socomore

| Item   | Description     | Volume | Price  |
|--------|-----------------|--------|--------|
| 993414 | Cable Lubricant | 20Ltr  | £66.26 |

## Cable Cleaner

d'Gel telecom industry cleaning solution

- High performance cleaner of cables, tools and equipment
- Cleans and removes gels and blocking compounds without sticky residue
- Equally effective with both copper and fibre optic cables

socomore

| Item   | Description                    | Volume | Price  |
|--------|--------------------------------|--------|--------|
| 999007 | Cable Cleaner                  | 1 Ltr  | £18.95 |
| 786918 | Trigger for 1Ltr Cable Cleaner | -      | £2.95  |

## Pump Lubricant 2A

Pump used for applying cable lubricants

| Item   | Description       | Price   |
|--------|-------------------|---------|
| 200319 | Pump Lubricant 2A | £239.00 |

## White Spirit

Clear bottle of white spirit with childproof safety cap

- Conforms to BS 245

| Item   | Description  | Volume | Price |
|--------|--------------|--------|-------|
| 809633 | White Spirit | 750ml  | £2.75 |

## Syringes

Used to load connectors with epoxy

- Needle and syringe screw together
- Epoxy is delivered to the rear of the ferrule without trapping air bubbles
- Suitable for directly loading from epoxy bi-packs

| Item   | Description         | Price |
|--------|---------------------|-------|
| 777166 | Syringe Non Sterile | £0.25 |
| 777165 | Syringe Tip         | £0.35 |

## Fibre Laser Warning Labels

For use on all singlemode fibre applications to warn of laser hazards associated with un-capped connectors and adaptors

- Bright yellow background
- Self adhesive backing
- Available in two different sizes

| Item   | Description         | Height | Width | Price |
|--------|---------------------|--------|-------|-------|
| 782399 | Fibre Warning Label | 25mm   | 50mm  | £0.18 |
| 782398 | Fibre Warning Label | 55mm   | 75mm  | £1.14 |

## Ultima Splice Protectors

Used to protect fusion spliced joints

- Heat shrink polymer tube with rigid stainless steel bar
- Clear

| Item   | Description                 | Diameter | Length | UoM      | Price |
|--------|-----------------------------|----------|--------|----------|-------|

# WHAT LINKS COMMUNICATIONS TO COMMUNITIES?

## Cable solutions to support the development of the world's telecoms infrastructure

As the world's largest producer of telecoms cables, supporting the infrastructures of many of the world's leading telecoms operators, the Prysmian Group delivers optical fibre and copper cabling solutions that help link communications to communities around the globe.

Covering voice, video and data transmission, we are a world leader in the production of optical fibre, offering unique and fully owned technology. Our portfolio sets the benchmark in global innovation, and is the outcome of continuous multi-million Euro investment in R&D and production in more than 30 facilities worldwide.

## Portable FTTx Tool Kit

Small compact FTTx tool kit ideal for every fibre engineer who's working on FTTx, LAN, PON and optical CATV networks

- 9 piece tool kit from preparation, inspect and test
- Includes visual light pen for fault location
- Tools for jacket and fibre stripping
- Precision cleave tool with sharps bin
- Optical power meter with SC and FC adaptors
- Fixed length cleave guide
- IPA bottle (empty) and wipes
- Supplied in a soft carry case
- NOTE: VFL pen and power meter require AA batteries. See pg 115

| Item   | Description            | Price   |
|--------|------------------------|---------|
| 824610 | Portable FTTx Tool Kit | £149.00 |

## Fibre Optic Microscope

Precision handheld fibre microscopes for connector ferrule end face inspection

- Lightweight, robust construction offering up to x400 magnification
- Includes 1.25mm, 2.5mm adaptors, a soft carry case and 3 x AAA batteries
- Momentary On/Off switch and fine focus controls
- Built-in IR filter providing over 35dBm of attenuation over 1310nm to 1550nm and 20.5dBm over 850nm
- **NEVER TO BE USED ON ACTIVE EMITTING FIBRE!**

| Item   | Description            | Price  |
|--------|------------------------|--------|
| 803325 | Fibre Optic Microscope | £89.00 |

## Visual Fault Locator

Specially designed VFL for field personnel who need an efficient and economical tool for fibre tracing, fibre routing and continuity checking in optical networks

- 2.5mm universal connector, with adaptor for 1.25mm connectors
- Operates either in continuous wave (CW) or Pulsed mode with constant output power
- 20mw laser output power giving a range of up to 20km
- Low battery warning
- Long battery life (up to 60 hours)
- Drop-resistant and dust-proof design of laser head
- Laser case ground design prevents ESD damage
- Portable and rugged
- Easy to use
- Requires 2x AA batteries. See pg 115

| Item   | Description          | Output Power | Price  |
|--------|----------------------|--------------|--------|
| 822887 | Visual Fault Locator | 20mW         | £22.36 |

## VLS Visual Fault Locators

The VLS series of visual fault locators are ultra-portable and very easy to use

- Small, portable design
- Standard universal 2.5mm adaptor
- Provide CW or a 2Hz modulated output
- 12km Range
- 10mW Output
- 12 Hour battery life

| Item   | Description          | Mfr Ref | Price  |
|--------|----------------------|---------|--------|
| 819734 | Visual Fault Locator | VLS-10  | £75.52 |

## OPM-12 Mini Optical Power Meters

The OPM-12 is a pocket-size optical power meter capable of precision measurements for commonly used wavelengths: 850nm, 1300nm, 1310nm, 1490nm, 1550nm and 1625nm. Its small size makes it extremely versatile and easy to carry

- Measurement Range -70 to +10dBm
- 2.5mm universal interface that supports FC/SC/ST connector types
- More than 80 hours of continuous battery life
- Reference level measurement capability
- Battery life indicator

| Item   | Description              | Mfr Ref | Price   |
|--------|--------------------------|---------|---------|
| 819732 | Mini Optical Power Meter | OPM-12A | £107.14 |

## OPM-2 Optical Power Meters

OPM-2 high performance power meters enable technicians to make measurements more efficiently, with less chance of error. These meters have a wide dynamic range with high power measurement capability. The units are calibrated to the most common wavelengths 850nm, 1300nm, 1310nm, 1490nm, 1550nm and 1625nm. They also have data storage capability for capturing measurements

- High performance optical measurements
- Auto wavelength and reference level capability when used in combination with ComSonics laser sources
- 270Hz, 1kHz, 2kHz tone detection
- Supplied with FC & SC adaptors
- Data storage up to 1,000 measurements
- USB connectivity with PC application

| Item   | Description         | Range         | Mfr Ref | Price   |
|--------|---------------------|---------------|---------|---------|
| 819725 | Optical Power Meter | -70 to +10dBm | OPM-2A  | £249.16 |
| 819811 | Optical Power Meter | -50 to +26dBm | OPM-2B  | £249.16 |

## Light Sources

The ComSonics range of high precision laser sources includes dual and triple wavelengths as well as fixed and adjustable outputs. The OLS series devices are equipped with "TWIN" functionality. This function allows select ComSonics optical power meters to automatically detect the laser source output wavelength

- Singlemode dual and triple wavelength options
- -5dBm Output power
- 5nm Spectral width
- Supplied with FC & SC adaptors
- Support 270Hz, 1kHz, and 2kHz tones
- TWIN functionality is supported
- Auto-Power Off

| Item   | Description  | Wavelengths      | Mfr Ref | Price   |
|--------|--------------|------------------|---------|---------|
| 819724 | Light Source | 1310/1550nm      | OLS-2DF | £275.00 |
| 819733 | Light Source | 1310/1490/1550nm | OLS-2T1 | £575.00 |

# Test Equipment

## Visual Fault Locator 180XL

The 180XL VFL enables quick and safe visual location of broken and pinched fibres, faulty connectors and bad splices

- 1MW laser output power giving a range of up to 7km
- 2.5mm universal connector included
- Optional 1.25mm adaptor available
- Class 2 certification, 0dBm output power
- Compatible with singlemode and multimode fibres
- 2Hz modulation mode
- Requires 2x AA batteries (included)

| Item   | Description            | Mfr Ref | Price  |
|--------|------------------------|---------|--------|
| 802598 | Visual Fault Locator   | 180XL   | £79.95 |
| 802599 | 1.25mm VFL/OPM Adaptor | -       | £28.00 |

## Live Fibre Identifier

The FI-100 fibre identifier allows you to quickly determine the approximate core power and signal direction in a fibre optic cable without disconnecting the fibre

- Low induced insertion loss
- Able to sense the presence of light in bend insensitive fibre
- Supports all common fibre types, including ribbon fibre
- Tone detect
- Determines direction of light travel
- Rugged and easy to use
- Requires 2x AAA batteries (included)

| Item   | Description           | Model  | Range          | Heads Inc.                  | Price   |
|--------|-----------------------|--------|----------------|-----------------------------|---------|
| 802610 | Live Fibre Identifier | FI-100 | -50 to +10 dBm | 0.25mm, 0.9mm, 2.0mm, 3.0mm | £375.00 |

## Mini Fibre Loss Kits

Pocket sized fibre test kits including 2 light sources, power meter and carry pouch

- Light source supplied with SC adaptor
- Measurement range +6 to -70dBm
- Power meter has a LCD display, resolution to 0.01 dB, storage for up to 1000 measurements/wavelength, a mini USB port for PC connection and a universal 2.5mm adaptor
- Power meter can detect 850/1300/1310/1490/1550/1611/1625nm wavelengths
- 2kHz tone output on all light sources
- Analysis software for report generation

| Item   | Description                    | Mfr Ref    | Price    |
|--------|--------------------------------|------------|----------|
| 802613 | Light Source & Power Meter Kit | GMFT-SM-MM | £1595.00 |

## Singlemode Fibre Optic Launch Leads

Singlemode fibre optic launch leads for use with OTDRs

- Provide accurate measurements and controlled launch conditions
- Hardened Lens Contact (HLC) termination procedure for scratch resistant end faces
- Manufactured using G652.D singlemode fibre
- Armoured tails for added protection, reducing accidental damage
- Compact spool design - lightweight and durable
- Supplied in padded storage bag to reduce contamination whilst not in use
- Available in 130Mtr, 500Mtr and 1000Mtr lengths
- Colour Yellow

|               | Length 130Mtr | Length 500Mtr | Length 1000Mtr |
|---------------|---------------|---------------|----------------|
|               | £151.23       | £208.29       | £279.56        |
| FC-SC         | 823516        | 823517        | 823518         |
| LC-SC         | 823531        | 823532        | 823533         |
| LC-SC/APC     | 823845        | 823846        | 823847         |
| LC/APC-LC/APC | -             | -             | 823545         |
| SC-SC         | 823521        | 823522        | 823523         |
| SC-SC/APC     | 823542        | 823543        | 823544         |

## Bare Fibre Adaptors

Bare fibre adaptors for connecting fibres to power meters, OTDRs and a variety of other instruments enabling in-situ functional testing without having to attach a permanent connector

- Easy to use
- Suitable for singlemode 250µm and 900µm fibres
- Lifetime tested: 1,000 insertions

| Item   | Description               | Mode | Price  |
|--------|---------------------------|------|--------|
| 814013 | Bare Fibre Adaptor FC/UPC | SM   | £17.50 |

## Bare Fibre Adaptors

Bare fibre adaptors designed to quickly connect to un-terminated (bare fibre) for testing, servicing or communication requirements. Simply connect the patch cable to the test equipment and insert the bare fibre into the end of the bare fibre adaptor. Connections are suitable for many testing applications with results similar to a standard terminated piece of fibre

- Accepts cleaved and non-cleaved fibre
- Quickly test fibre without terminating
- Internal replaceable cartridge filled with optical coupling compound
- Low insertion loss and reflectance
- No dipping, messy applicators or external reservoirs to fill
- Reusable

## Compact DSP Test Telephone

Compact test set designed to operate safely where telephone wiring may be carrying digital traffic, voltage feed or hazardous voltages

- Rugged, drop proof design
- Over current protection
- Test leads are fitted with crocodile clips

| Item   | Description        | Price  |
|--------|--------------------|--------|
| 992879 | DSP Test Telephone | £74.95 |

## TM-500 Tele-Mate Test Telephone

TM-500 Tele-Mate test telephone troubleshoots analogue telecommunication circuits

- DSL compatibility
- Tone or pulse dialling
- BT plug/RJ11 socket
- Luminescent keypad
- Storage of up to 10 telephone numbers
- LNR (Last Number Redial)
- Impact resistant

| Item   | Description                   | Price   |
|--------|-------------------------------|---------|
| 788521 | TM-500 Test Telephone BT Plug | £105.00 |

## TM-700 Tele-Mate Test Telephone

TM-700 Tele-Mate test telephone with LCD enhances technician productivity by clearly showing data for polarity, voltage, current and ringing frequencies

- DSL compatibility
- Tone or pulse dialling
- BT plug/RJ11 socket
- Luminescent keypad
- Storage of up to 10 telephone numbers
- LNR (Last Number Redial)
- Smart intercom & caller ID
- 6 Month battery life

| Item   | Description                   | Price   |
|--------|-------------------------------|---------|
| 788525 | TM-700 Test Telephone BT Plug | £169.00 |

## DigAlert Test Telephones

Field telephones designed to prevent network intervention

- Voltage service protection
- Nautilus 350 & 361 models have added benefit of digital signal detection override
- Nautilus 361 offers the latest in data protection, allowing technicians to test the POTS service on a live ADSL line without fear of bringing down the data service

| Item   | Mfr Ref                      | Price   |
|--------|------------------------------|---------|
| 779919 | Alert 340                    | £125.00 |
| 772823 | DigAlert 350 International   | £175.00 |
| 779920 | DigAlert 361                 | £215.00 |
| 789897 | Braided Retractable Cord Set | £14.48  |

# Test Equipment

## Smart Switch Universal Test Adaptor

Universal Test Adapter is a compact testing device that enables technicians to test all connectors within the access network using one single device. It allows switching between monitor, customer and exchange easily

- Connector types include:  
Standard Krone LSA PLUS/3M SID moule/ECM1B/Discrete Crimp / LSA-TL/PSTN

| Item   | Description                             | Price  |
|--------|---|--------|
| 817284 | Smart Switch Universal Test Adaptor Kit | £85.87 |

## Cordsets B, D, E & F

Cordsets with a BT 631A jack on one end and a range of plugs and clips on the other

- 6/10E - 631A to 3x Croc Clip
- 6/10D- 631A to 4 Pole Krone Plug & Croc Clip
- 6/10B - 631A to 2 Pole Krone Plug
- F - 631A to 2 Pole Krone Low Profile Plug

| Item   | Description     | Price |
|--------|-----------------|-------|
| 990162 | B 6/10E         | £7.40 |
| 990161 | Cordset D 6/10D | £7.40 |
| 990170 | Cordset E 6/10B | £5.40 |
| 990171 | Cordset F       | £9.70 |

## 237 Connection & Test Cords & Plug

COMMSCOPE

Test cords and plugs for interconnecting or testing of circuits on 237 style modules

- Test cord have a plug on one end only with the other end for connection to user's test equipment
- Connections - Banana Sockets to Krone Plug

| Item   | Man. Code   | Description | Length | Price  |
|--------|-------------|-------------|--------|--------|
| 990246 | 66242040-09 | Test Cord   | 200mm  | £14.50 |

## AdaptaJacks

GREENLEE COMMUNICATIONS  
A World of Connections

AdaptaJacks enable test equipment with banana test leads to connect to different types of connector

- Available with BT plug, Krone plug or RJ11

| Item   | Description | Plug         | Price  |
|--------|-------------|--------------|--------|
| 786628 | AdaptaJack  | RJ11 Plug    | £8.89  |
| 786629 | AdaptaJack  | Krone 2 Pole | £22.90 |
| 786630 | AdaptaJack  | BT Plug      | £8.89  |

## Line Jack Test Adaptors

GREENLEE COMMUNICATIONS  
A World of Connections

Jack adaptors to access wiring via a line jack unit

- Clamp on crocodile clips to connect to BT (631A) or RJ45 socket

| Item   | Plug                    | Price  |
|--------|-------------------------|--------|
| 822325 | 8 Wire - RJ45 Plug      | £15.65 |
| 991829 | 6 Wire - BT Plug (631A) | £7.50  |

## Test Adaptor 51A

Test adaptor for use on block terminals 18/19A

- Enables connection of line test equipment

| Item   | Description      | Price  |
|--------|------------------|--------|
| 991043 | Test Adaptor 51A | £16.75 |

## Tone & Probe Kit

Tone generator and probe for tracing and identifying cables

- Volume control for increased sensitivity and adjustable to suit work environment
- 3-position toggle switch controls the modes of operation
- Three coloured LED displays circuit polarity, continuity and testing voltage
- Headset jack
- Tone selector switch for single solid tone or dual alternating tone

| Item   | Type                     | Price  |
|--------|--------------------------|--------|
| 786292 | Tone Generator and Probe | £29.95 |

## PTS Pair Tracing System

GREENLEE COMMUNICATIONS  
A World of Connections

Kit comprises the PTS 200 tone generator and the PTS 100 probe in a woven polyester carrying pouch

- Easy to operate
- Fast, accurate wire identification
- Requires 2x PP3 batteries. See pg 115

| Item   | Description     | Price  |
|--------|-----------------|--------|
| 991761 | PTS100 Tone Kit | £59.00 |

## CP3/701K-G Tone Kits, Generators & Probes

Professional tone and probe tracing equipment available in kits or separately

- CP3 (hard case) & 701K-G (soft case) kits comprise of a 77HP-G high power tone generator, a 200EP-G tone tracing probe, an RJ11/45 coupler, alternate flat/spade plastic, round metallic probe tips, headset jack, short circuit beeper and external warble select
- Tone generator & tone probe also available separately

| Item   | Description              | Mfr Ref | Price   |
|--------|--------------------------|---------|---------|
| 990794 | Tone Probe               | 200EP-G | £59.14  |
| 990795 | Tone Generator           | 77HP-G  | £38.37  |
| 991051 | Tone/Probe Kit Soft Case | 701K-G  | £99.92  |
| 990808 | Tone/Probe Kit Hard Case | CP3     | £109.00 |

## Tone & Tracer 500XP/600J

A selection of audio amplifier, tone and probe kit for organisations operating large copper networks

- BT approved
- Tone generator produces a pure Sine waveform
- Waterproof design
- Additional/replacement lead sets can be purchased separately
- Tone generator and tone probe also available separately
- Battery indicator and warning with auto shut-off

| Item   | Description                         | Mfr Ref    | Price   |
|--------|-------------------------------------|------------|---------|
| 792192 | Tone Probe                          | 500XP      | £73.95  |
| 991771 | Tone Generator                      | 600J       | £75.00  |
| 821352 | Tone/Probe Kit Soft Case            | 500XP/600J | £132.42 |
| 790553 | Lead Set for Greenlee Tone & Tracer | 500XP/600J | £10.85  |

## CTS 132J Cable Tracing System

Two in one kit for tracing underground cable and pair ID

- Includes high power tone generator 600J, amplifier 109K, headset 17A, capacitive probe, inductive search coil and associated connecting cables all supplied in weatherproof pouch
- BT approved
- Able to find buried cables
- 3 year warranty
- Additional replacement headset 17A can be purchased separately

| Item   | Description                   | Price   |
|--------|-------------------------------|---------|
| 994354 | CTS 132J Cable Tracing System | £281.00 |
| 991764 | Receiver Headgear 17A         | £19.95  |

## SA9083 Line Tester

Battery powered, multi-range, analogue, portable line tester

- Primarily intended for use by faultsmen for maintenance testing of telecommunication lines and equipment
- Supplied complete with a robust carrying case and set of test leads and probes (Cords Test 1/1500A, Clip Test 38A, Spike Test 10A)
- Spare/replacement test lead sets (18C) can also be purchased separately

| Item   | Description        | Price   |
|--------|--------------------|---------|
| 100012 | SA9083 Line Tester | £156.00 |
| 400002 | Replacement Lead   | £16.00  |

# Test Equipment

## Graphical TDR Cable Fault Locator

Graphical time domain reflectometer and tone, also known as a Graphical TDR, designed to detect and locate faults on copper communication cables up to 3.5km

- Advanced signal processing techniques enable the TX TDR's to find opens, short circuits, splices, taps, water ingress and other impedance mismatches
- A built in oscillator provides a tone for pair tracing and identification
- Supplied complete with test leads and a protective tool-belt holster

| Item   | Description                    | Price   |
|--------|--------------------------------|---------|
| 782039 | Graphical Fault Locator TX2002 | £349.00 |

## 2 in 1 Cable Tester

Handheld wiremap and continuity tester with RJ11 and RJ45 connections

- Checks open and short pairs, straight through or crossover wiring types
- Shield continuity test
- LED status lights
- Master and Remote
- Requires 1 x 9V Battery (not included) See pg 115

| Item   | Description                 | Price |
|--------|-----------------------------|-------|
| 786296 | 2 in 1 Network Cable Tester | £9.95 |

## 4 in 1 Cable Tester

Handheld tester for RJ45, RJ11, USB and BNC cables

- LED indication for short/open circuit, crossover and no connection
- Single button test
- Low battery indication
- Supplied with a holster
- Requires 1 x 9V Battery (not included) See pg 115

| Item   | Description         | Price  |
|--------|---------------------|--------|
| 786293 | 4 in 1 Cable Tester | £18.95 |

## Twisted Pair & Coax Cable Tester

Verify LAN, telephone, coax, USB and other cables

- Checks open and short pairs, straight through or crossover wiring types
- Shield continuity test
- Master and 8 Remote Identifiers (coax and RJ45 connections)
- Measures length of cable and distance to fault
- Integral tone generator - supplied with tone probe
- Backlit LCD screen
- RJ45, RJ11 and RJ11 to Croc Clip leads
- Requires 2 x 9V Battery (not included) See pg 115

| Item   | Description                | Mfr Ref | Price  |
|--------|----------------------------|---------|--------|
| 810493 | Cable Tester RJ45 and Coax | NF-388  | £66.52 |

## QuinTest Cable Tester

Compact cable tester. Tests and verifies short circuits, open circuits, pair reversals and miss-wires

- For use on 2, 3 and 4 pair voice and data cabling
- Sequencing LED display indicates cable faults at both ends
- Auto power off and low battery indication
- Additional LED indicators show screen continuity when testing STP cable
- Requires 1 x 9V battery. See pg 115

| Item   | Description             | Price  |
|--------|-------------------------|--------|
| 773182 | QuinTest Wiremap Tester | £74.95 |

## SLT3S Tester

Often referred to as a MOD-TAP tester, the Molex SLT3S tester is used to verify the wiring of 1, 2, 3 and 4 pair shielded or unshielded cabling. Master and remote units clip together for compact storage

- Separate ports for testing 568A, 568B and USOC wiring schemes
- Detects shorts, opens, reversals and mis-wires
- Continuously monitors status through use of LEDs
- Tests shield continuity on shielded cabling
- Powered by 9V battery (supplied)

| Item   | Man. Code  | Connectors | Price  |
|--------|------------|------------|--------|
| 776672 | 33A-100-10 | RJ45       | £60.71 |

## Digital Multimeter

Professional multimeter offering 30 testing ranges and 8 functions

- Large 3.5 digit LCD display
- Automatic polarity indicator
- Continuity test with buzzer
- Capacitance, temperature and frequency ranges
- DC current measurement
- Resistance measurement (20 Ohm to 2 MOhm)
- Diode, continuity and transistor test
- Requires a 9V PP3 battery (not included) See pg 115
- Supplied with carrying case, shrouded test leads, K type temperature probe, shock-proof rubber holster and battery

| Item   | Description                   | Price |
|--------|-------------------------------|-------|
| 786051 | Digital Multimeter 500V AC/DC | £6.95 |

## UK 3 Pin Socket Wiring Tester

Mains socket tester to quickly and easily tell if your sockets are safe to use

- Clear LED indication of wiring status
- Audible indication of wiring condition
- Modern ergonomic design with soft finger grip
- Wiring conditions reported: Correct, L/N reversed, missing N, missing E, L/E reversed

| Item   | Description              | Price |
|--------|--------------------------|-------|
| 797124 | Mains Socket Tester 230V | £8.95 |

## 'Check Plug' Socket Tester

Check plug socket testers are a quick and easy way to tell if your sockets are safe to use

- Quick & easy testing of socket wiring
- Detects 28 fault conditions
- Three bright LEDs with clear & simple fault codes on the plug
- Tough sculpted design for easy removal

| Item   | Description        | Socket Type | Price  |
|--------|--------------------|-------------|--------|
| 790781 | Socket Tester 230V | UK 3 Pin    | £12.00 |

## Kewstick Voltage Detectors

A Kewtech voltage detector instantly alerts the user to the presence of voltage without the need to make contact with a system. Proving Unit for instant testing of non-contact voltage testers before and after use.

- Detects the presence of AC voltage from 90 to 600V without the need to make direct contact
- Two colour LEDs - green shows correct operation and red for voltage detection

| Item   | Description                  | Price  |
|--------|------------------------------|--------|
| 824050 | Non-contact Voltage Detector | £17.05 |
| 824049 | Proving Unit                 | £42.25 |

## Voltstick Voltage Indicators

Safely checks the presence of an AC Voltage without making any disconnections in cables, wall sockets, fuses, circuit breakers or junction boxes

- Red indicator in the Voltstick will illuminate on detection of AC Voltage
- Simply apply the tip close to any connection point
- Locates breaks in cables
- Detects blown fuses inside plugs or fuse holders
- Distinguishes between live and neutral wires in single and three-phase supplies
- Yellow - Voltage detection with red LED indicator and pointed tip
- Green - Voltage detection with red LED indicator, pointed tip and buzzer
- Includes 2x AAA alkaline batteries

| Item   | Description | Type                    | Voltage | Colour | Price  |
|--------|-------------|-------------------------|---------|--------|--------|
| 784564 | Voltstick   | Voltage Tester          | 230V AC | Yellow | £14.30 |
| 792057 | Voltstick   | Voltage Tester + Buzzer | 230V AC | Green  | £16.62 |

# Test Equipment

## Elma 932 Clamp Meter AC

Elma 932 clamp meter is a compact unit ideal for keeping in the pocket and for measurement in tight spaces

- Measures voltage, current, resistance and continuity
- 400A AC current measurement
- 2000 counts backlit LCD
- Auto power off and low battery display
- Data and max hold mode
- Non-contact AC voltage detecting function
- Supplied with carry case, test leads and battery

| Item   | Description | Model    | Voltage      | Resistance | Price  |
|--------|-------------|----------|--------------|------------|--------|
| 792062 | Clamp Meter | Elma 932 | 0-600V AC/DC | 0-20MΩ     | £49.87 |

## Sound Level Meter

A Class 2 sound level meter for on-site measurements in accordance with the noise at work legislation in industrial and office environments. Features A and C frequency weighting and fast and slow time weighting. The large, high contrast digital display includes both digital reading and analogue bar graph

- Handheld or tripod mounting
- Power Range 32-130dB
- Dynamic Range 60dB
- Frequency 20-8000Hz
- Complies with BS EN61672-1:2003
- Supplied with detachable wind shield and hard carry case

| Item   | Description       | Height | Width | Depth | Price   |
|--------|-------------------|--------|-------|-------|---------|
| 814963 | Sound Level Meter | 285mm  | 55mm  | 25mm  | £125.00 |

## Anti-Static Wrist Strap

Lightweight, comfortable anti-static wrist strap

- Adjustable wrist strap ensures 360° protection
- A carbon film resistor is incorporated
- Supplied with 3Mtr coiled cord

| Item   | Description             | Price |
|--------|-------------------------|-------|
| 993884 | Anti-Static Wrist Strap | £3.95 |

## Wrist Strap Tester

Wrist strap tester measures the resistance of wrist straps and heel straps between 0.5MΩ to 10MΩ

- LED indication to show 'pass' or 'fail'
  - Low battery indicator
  - Requires 1 x PP3 battery
- See pg 115

| Item   | Description        | Price  |
|--------|--------------------|--------|
| 803982 | Wrist Strap Tester | £69.00 |

## H30FLEX Handheld Meter

A multi-standard handheld tester for measuring Satellite and Terrestrial TV signals

- Measures terrestrial DVB-T/T2 and satellite DVB-S/S2 signals
- LNB powering and activation of DiSEqC and SCR commands
- View programs on digital channels as well as parameters such as service name, PID, resolution, audio types & figures and NIT
- View constellation and echo diagrams
- Integral spectrum analyser
- Real time digital signal processing
- Carrying Case & Coaxial Lead

| Item   | Description                           | Price    |
|--------|---------------------------------------|----------|
| 810721 | H30FLEX Multi-Standard Handheld Meter | £1080.61 |

## MOSAIQ6

A high performance portable meter capable of measuring, analysing and diagnosing return channel, radio, DAB and DAB+, television, optical fibre, Wi-Fi or IPTV signals. It's equipped with an ultra-fast high-resolution spectrum analyser which, together with the echo-analysis functionalities, allows the display of any significant aspect of the signal

| Item   | Description                          | Terrestrial   | Satellite     | Other Signals | Price    |
|--------|--------------------------------------|---------------|---------------|---------------|----------|
| 816873 | MOSAIQ6 Signal Analyser              | DVB-T, DVB-T2 | DVB-S, DVB-S2 | CI & FO       | £4917.85 |
| 816875 | MOSAIQ6 GPS Add On                   | -             | -             | -             | £472.18  |
| 816877 | MOSAIQ6 5GHz Wi-Fi Add On            | -             | -             | -             | £472.18  |
| 816878 | MOSAIQ6 Analogue Measurements Add On | -             | -             | -             | £472.18  |
| 816879 | MOSAIQ6 DAB/DAB+ Add On              | -             | -             | -             | £472.18  |
| 816880 | MOSAIQ6 4K/UHD Add On                | -             | -             | -             | £472.18  |

## Emitor Digiair Pro T2 Digital Terrestrial Meter

For the exact alignment and adjustment of terrestrial antennas

- Made for both analogue and digital signals
- Frequency range of 45-860MHz
- Measures DVB-T, DVB-T2 and DVB-C signals
- Signal level read out in dBuV, dBm, dBmV
- Presents one channel readout with high resolution or six channels simultaneously or the complete spectrum
- Built-in, rechargeable battery - power supply and car-charger included

| Item   | Description                  | Price   |
|--------|------------------------------|---------|
| 799115 | Digiair Pro T2 Digital Meter | £291.95 |

# Test Equipment

## NB-IoT Tester

NB-IoT tester designed for testing signal level in narrowband IoT Cat-M and GSM networks. The NB-IoT Tester measures the signal level in the air at a certain location. It measures continuously and shows the signal strength, both with real-time values, and in the shape of thermometer scales

- Presents digital signals like RSSI, RSRP, RSRQ and SNR
- Built in SIM card reader
- Time recording showing min/max signal level
- Input for external antenna
- Built in rechargeable battery pack
- Includes power supply, rubber case, antenna and owners manual

| 804133 | Electricians Premium Tool Kit | 19 Piece | £205.00 |

## Smart Metering Tool Kit

A fully insulated (1000V) tool kit designed for working on smart metering installs and maintenance. Supplied in a grey carry case. Kit consists of:-

- Screwdrivers:- 0.6mm x 2.8mm x 75mm, 0.6mm x 3.5mm x 100mm, 0.6mm x 4.0mm x 100mm, 0.8mm x 4.5mm x 125mm, 1.0mm x 5.5mm x 150mm
- Screwdrivers:- PZ1 x 80mm, PZ2 x 150mm
- Screwdriver flat/pozi size 2 x 100mm
- Shroud universal 30 x 34mm (G)
- Shroud non-universal 30 x 25mm
- T bar allen key 3mm x 150mm
- Cabinet spanner with adaptor
- Diagonal side cutter 180mm
- Pliers combination 180mm
- Pliers 160mm long nose
- Cable cutter 210mm - 50mm

| Item   | Description             | Set Size | Price   |
|--------|-------------------------|----------|---------|
| 807410 | Smart Metering Tool Kit | 16 Piece | £175.00 |

## Fully Insulated Tool Kit

A fully insulated (1000V) tool kit ideal for electrical installs and maintenance. Supplied in a grey carry case. Kit consists of

- Screwdrivers 0.5mm x 3.0mm x 100mm, 0.8mm x 4.5mm x 125mm, 1.0mm x 5.5mm x 150mm
- Screwdrivers PH1 80 x 175mm, PH2 100mm x 210mm
- T bar allen key 3mm x 150mm
- Pliers combination 180mm
- Pliers 200mm long nose
- Cable cutter round 170mm - 35mm
- Diagonal side cutter 160mm
- Pliers end wire stripping 165mm long
- Pliers 250mm groove joint
- Junior hacksaw 150mm 32tpi with additional special wide blades (1 x 18tpi and 1 x 24tpi)
- Knife 80mm straight blade (non-insulated)
- Voltage detector 90-1000V AC

| Item   | Description        | Set Size | Price   |
|--------|--------------------|----------|---------|
| 807411 | Insulated Tool Kit | 17 Piece | £210.00 |

## Canvas Tool Bags

Heavy duty tool bag made from cotton canvas. Strong webbing handles and heavy duty zip.

| Item   | Mfr Ref | Height | Width | Length | Price |
|--------|---------|--------|-------|--------|-------|
| 821263 | CB150   | 150mm  | 180mm | 460mm  | £4.58 |
| 823780 | CB195   | 195mm  | 180mm | 460mm  | £4.77 |

## Engineers Tool Bag

A strong tool bag ideal for storing and carrying a large selection of hand tools and consumables

- External pockets for easy access
- 2 Internal compartments both with a selection of internal pockets for tool organisation
- Includes shoulder strap

MAX LOAD  
20Kg

| Item   | Mfr Ref | Height | Width | Length | Price  |
|--------|---------|--------|-------|--------|--------|
| 815145 | TB190   | 350mm  | 250mm | 480mm  | £21.00 |

## Multi Access Bag

Heavy duty tool bag with dual opening storage compartments offering superb organisation and visibility of tools

- Dual-sided opening
- Multiple pockets with space on both sides for power tools and hand tools
- Freestanding rigid structure
- Heavy duty nylon construction
- Reinforced plastic base
- Bag length 17" (430mm)

| Item   | Description      | Mfr Ref     | Price  |
|--------|------------------|-------------|--------|
| 805585 | Multi Access Bag | FMST1-73607 | £34.95 |

## Open Tote Bag

A strong and durable open-mouth bag with multiple internal and external pockets for easy organisation and access to tools

- Waterproof reinforced plastic base
- Adjustable shoulder strap
- Bag length 16"

| Item   | Description   | Mfr Ref | Price  |
|--------|---------------|---------|--------|
| 815204 | Open Tote Bag | TB160   | £16.48 |

## Hi-Viz Tool Bag

Multi purpose tool bag, manufactured from polyester with a robust solid base

- Hi-viz reflective straps
- Shoulder strap
- 7 Internal and 23 external pockets of various sizes

| Item   | Height | Width | Length | Price  |
|--------|--------|-------|--------|--------|
| 821288 | 280mm  | 260mm | 600mm  | £24.25 |

## Overhead Tool Bag

A strong tool bag designed for telecommunications engineers working on telegraph poles. It can hold a large selection of hand tools and consumables and can be hoisted up with the included lifting hanger

- External pockets for easy access
- Selection of internal pockets for tooling and consumable organisation and storage
- Includes shoulder strap and bag lifting hanger

MAX LOAD  
15Kg

| Item   | Mfr Ref | Height | Width | Length | Price  |
|--------|---------|--------|-------|--------|--------|
| 822149 | OB300   | 400mm  | 225mm | 300mm  | £15.89 |

# Tooling

## Tool Backpack

The Stanley backpack/rucksack has a zip fastening design from top to bottom that allows the backpack to open in two halves. Complete with internal compartment pockets for easy tool storage

- Two side pockets for storage of larger items
- Back pocket for documents and manuals
- Heavy duty 600 denier fabric for long lasting durability
- Rigid waterproof plastic materials for protection against dirt and moisture
- Separate internal compart ideal for a laptop

| Item   | Description              | Price  |
|--------|--------------------------|--------|
| 808356 | Tool Backpack / Rucksack | £41.95 |

## Belt Pocket

Heavy duty tool pouch with belt

- 5 Pockets for storing tools and consumables
- Reinforced base to prevent tools and screws piercing

| Item   | Description     | Width | Length | Price  |
|--------|-----------------|-------|--------|--------|
| 820915 | Tool Pouch Belt | 295mm | 365mm  | £10.20 |

## Tool Apron

The Stanley tool apron is made from hard wearing, strong and durable 600 x 600 denier fabric. It has multiple pockets and loops to provide maximum organisation

- The tool belt comes complete with a tape pocket and an integrated hammer loop to keep these tools at convenient reach
- Ergonomic back padding for safety and comfort
- Dimensions: 60 x 25.5 x 7.5cm

| Item   | Description | Mfr Ref  | Price  |

## Mini Trunking Cutter

Mini trunking cutter suitable for cutting square or rectangular trunking up to 32mm

- Ratchet action
- Suitable for cutting PVC conduit, blue water mains, plastic pipe, rubber hose, pneumatic pipe, electrical sleeving, etc
- Complete with special adaptor for straight or mitre cutting of small rectangular cross-section trunking

| Item   | Mfr Ref | Description          | Price  |
|--------|---------|----------------------|--------|
| 809757 | 430003  | Mini Trunking Cutter | £20.50 |

## Pipe, Conduit & Duct Cutter

The combination of a ratchet cutting action and a lopper blade makes this plastic conduit cutting tool highly effective

- The blade works against an anvil jaw which holds the pipe securely while pressure is increased

| Item   | Description                 | Duct Dia     | Price  |
|--------|-----------------------------|--------------|--------|
| 771917 | Pipe, Duct & Conduit Cutter | (up to) 42mm | £12.95 |

## Subduct Cutters & Blades

Die-cast aluminium body subduct cutters with stainless steel blade

- Suitable for use on ABS plastic, vinyl, PVC, polythene pipe and conduit
- Trigger operated with 26mm and 42mm pre-set switch
- Quick blade return button
- Max diameter 42mm

| Item   | Description              | Diameter | Price  |
|--------|--------------------------|----------|--------|
| 793147 | Subduct Cutter           | 6-42mm   | £22.80 |
| 300021 | Blade for Subduct Cutter | -        | £6.31  |

# Tooling

## Pipe & Tube Cutter

Tait Tools general purpose pipe and tube cutters

- Cutting dimensions from 6-45mm
- Suitable for cutting copper, bronze, aluminium, plastic, HDPE and steel tubes

| Item   | Description        | Price  |
|--------|--------------------|--------|
| 100239 | Pipe & Tube Cutter | £13.95 |

## Duct Cutter

Circumferential cutter for pipes, ducts and cables

- Cased with wheel drift
- Duct Dia 13-44mm

| Item   | Description                 | Price  |
|--------|-----------------------------|--------|
| 993291 | Duct Cutter c/w Spare Wheel | £29.90 |

## Straight Cut Tinsnips

Straight cutting tinsnips, drop forged for increased durability

- Accurately ground blades with a nut and bolt joint design

| Item   | Description        | Length | Price |

## Precision Screwdriver Set

Phillips, Torx and slotted precision screwdriver set

- Includes: PH000, PH00, PH0
- TX5, TX6, TX7, TX8, TX9, TX10
- 1mm, 1.5mm, 2mm

| Item   | Description               | Set      | Price |
|--------|---------------------------|----------|-------|
| 785074 | Precision Screwdriver Set | 12 Piece | £6.50 |

## 7 Piece VDE Screwdriver Kit

VDE approved fully insulated screwdrivers tested to 10kV, suitable for working on live circuits up to 1kV AC and 1.5kV DC

- S2 steel blades hardened, tempered and chemically blacked
- 4 plain slot size: 2.5 x 75, 4.0 x 100, 5.5 x 125 and 6.5 x 150mm
- 2 PZ TYPE: No.1 x 80 and No. 2 x 100mm
- Mains tester (to GS/TUV and "Low Voltage Directive 73/23/EEC - amendment 98/68/EEC")

| Item   | Description         | Mfr Ref | Price  |
|--------|---------------------|---------|--------|
| 812667 | VDE Screwdriver Set | 46540   | £10.95 |

## 7 Piece VDE Screwdriver Kit

Expert VDE Screwdriver set

- Contains: slotted 2.5 x 85mm, 4.0 x 100mm, 5.5 x 125mm and 6.5 x 150mm. Phillips No. 0 x 75mm, No. 1 x 100mm and No. 2 x 100mm
- Fully certified to EN60900IEC

| Item   | Description         | VDE Rating | Price  |
|--------|---------------------|------------|--------|
| 994643 | VDE Screwdriver Set | 1000V      | £11.95 |

## 11 Piece Softgrip Screwdriver Set

Softgrip screwdriver set with insulated chrome vanadium shafts with hardened and tempered tips

- 2 colour, soft grip handles
- Contains: slotted 2.5 x 75mm, 3 x 100mm, 4 x 100mm, 5 x 125mm, 6 x 150mm and 8 x 175mm; Phillips PH0 x 60, PH0 x 75, PH1 x 80, PH1 x 100 and PH2 x 100mm

| Item   | Description     | Price |
|--------|-----------------|-------|
| 784787 | Screwdriver Set | £7.85 |

## Screwdriver Sets

Professional screwdriver sets with bi-material handles for extra grip and comfort

- Bi-material handles for extra grip and comfort
- Includes PH0, PH1, PH2, PZ1, PZ2, PZ3, PH0 & Slotted 3mm, 4mm, 5mm, 6mm & 8mm
- Supplied in a case

| Item   | Description     | Set      | Mfr Ref | Price  |
|--------|-----------------|----------|---------|--------|
| 823813 | Screwdriver Set | 12 Piece | SS012   | £15.95 |

## Slotted Screwdrivers

## Cranked Combination Spanner

Dual ended combination spanner with cranked angle on the open end

| Item   | Description                 | Size | Price |
|--------|-----------------------------|------|-------|
| 100006 | Cranked Combination Spanner | 10mm | £5.34 |

## Offset Reversible Ratchet Spanner

An offset reversible ratchet ideally suited for the installation of satellite dishes

- Drop forged heat treated steel
- Chrome vanadium steel

| Item   | Description                | Type    | Price |
|--------|----------------------------|---------|-------|
| 821663 | Offset Ring Ratchet Wrench | 10x13mm | £4.95 |

## 39 Piece Socket Set

Forged chrome vanadium steel 39 piece socket set

|--------|----------------|-------------------|--------|
| 794905 | Ratchet Handle | 1/4" Square Drive | £17.02 |
| 795614 | Ratchet Handle | 3/8" Square Drive | £20.42 |
| 794906 | Ratchet Handle | 1/2" Square Drive | £24.97 |

## Ratchet Handles

Tait Tools square drive socket ratchet handles

- 1/2" and 1/4" square drive options available
- Ergonomic grip for added comfort
- 72 Teeth work in 5 degree increments
- Button for quick release

| Item   | Description    | Type              | Price |
|--------|----------------|-------------------|-------|
| 823805 | Ratchet Handle | 1/4" Square Drive | £5.95 |
| 823806 | Ratchet Handle | 1/2" Square Drive | £8.95 |

## Socket Set Extension Bar

100mm 1/4" Square drive satin chrome plated extension bar

- Manufactured from chrome vanadium steel hardened, tempered and satin chrome plated for corrosion protection
- Hexagon ended and knurled for easy grip

| Item   | Description              | Length | Price |
|--------|--------------------------|--------|-------|
| 794877 | Socket Set Extension Bar | 100mm  | £0.95 |

## Torque Wrench

Wera's click-torque wrench features a robust design with high accuracy as per DIN EN ISO 6789-1: 20017-07

- Easy setting and saving of default value
- Audible and tactile clicks on reaching the scale values
- Comes with 1/4" square drive, reversible ratchet and 45 teeth
- Range from 2.5Nm to 25Nm - ultra precise
- 824185 includes mini tool kit comprising of 12 bits, 6 sockets and adaptor

| Item   | Description                            | Price  |
|--------|--|--------|
| 824182 | 39 pc Screwdriver, Ratchet, Socket Set | £66.20 |

## Mini Spirit Level

ABS moulded level with two vials and 0-90° angle finder in body

- Accuracy 1.75mm per 1Mtr = 0.1° in standard position

| Item   | Description       | Length | Price |
|--------|-------------------|--------|-------|
| 789822 | Mini Spirit Level | 100mm  | £2.05 |

## Lightweight Magnetic Spirit Level

Magnetic spirit level moulded from polystyrene with a magnetic strip in the base

- Unbreakable all-round reading horizontal, vertical and 45° vials
- Incorporates a v-groove in the top and a hang hole
- Accuracy 1.75mm per 1Mtr = 0.1° in standard position

| Item   | Description              | Length | Price |
|--------|--------------------------|--------|-------|
| 993508 | Lightweight Spirit Level | 230mm  | £1.95 |

## Spirit Levels

Heavy duty body spirit levels with strengthened end caps for extra protection

- 2-3 durable vials
- Available in 250mm, 300mm and 600mm

| Item   | Description  | Mfr Ref | Length | Price |
|--------|--------------|---------|--------|-------|
| 823804 | Spirit Level | SL250   | 250mm  | £1.05 |
| 813621 | Spirit Level | SL300   | 300mm  | £2.95 |
| 813622 | Spirit Level | SL600   | 600mm  | £3.95 |

## Tradesmans Spirit Levels

Spirit levels made from 1.8mm thick extruded aluminium with ribbed sides for strength and accuracy

- Vertical and horizontal vials, milled top and bottom faces

| Item   | Description            | Length | Price |
|--------|------------------------|--------|-------|
| 784890 | Aluminium Spirit Level | 1000mm | £6.94 |
| 784891 | Aluminium Spirit Level | 1200mm | £8.05 |

## Etched Steel Rule

Steel rule with hang hole

- Permanently etched graduations of cm/mm and inches

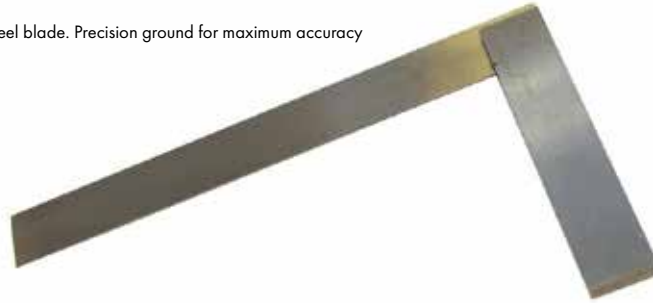

| Item   | Description | Length | Price |
|--------|-------------|--------|-------|
| 772600 | Steel Rule  | 150mm  | £1.05 |
| 802806 | Steel Rule  | 300mm  | £1.75 |

## Engineers Set Squares

Engineers square with durable hardened steel blade. Precision ground for maximum accuracy

| Item   | Description      | Material        | Length | Price |
|--------|------------------|-----------------|--------|-------|
| 807871 | Engineers Square | Stainless Steel | 150mm  | £4.10 |
| 807872 | Engineers Square | Stainless Steel | 250mm  | £9.37 |

## Tape Measure

Tape measure with a powerlock locking mechanism for ease of use

- Die-cast metal case holds its own against rough handling
- Entire blade coated with heavy-duty Mylar polyester film for unbeatable durability
- Two-rivet, corrosion-resistant hook stands up to continuous use
- Special Tru-Zero hook does double-duty as a pivot for drawing circles and arcs

| Item   | Description  | Type      | Mfr Ref  | Length | Price  |
|--------|--------------|-----------|----------|--------|--------|
| 820368 | Tape Measure | Powerlock | 0-33-443 | 10Mtr  | £16.25 |

## Tape Measures

Bi-material soft grip body tape measures

- Clear metric and imperial graduated blade
- Sturdy belt clip
- The blade is lockable in any position

| Item   | Description  | Mfr Ref | Length | Price |
|--------|--------------|---------|--------|-------|
| 815596 | Tape Measure | TM 103  | 3Mtr   | £1.45 |
| 816177 | Tape Measure | TM 105  | 5Mtr   | £2.75 |
| 816178 | Tape Measure | TM 108  | 8Mtr   | £5.50 |

# BEST SELLER 2020!

## RJ45 Fast-Fit Compact Crimp Tool

An ergonomically designed compact crimp tool that's both easy and comfortable to use. Suitable for crimping the new Fast-Fit plugs. Features a locking mechanism that keeps the tool closed when not in use.

- Compact design
- Cuts and crimps at the same time
- Suitable for both shielded and unshielded Fast-Fit plugs

**You Tube** DEMONSTRATION VIDEO ONLINE

| Item   | Description                 | Price  |
|--------|-----------------------------|--------|
| 821426 | Ratchet Fast-Fit Crimp Tool | £24.75 |
| 821821 | Replacement Blade           | £4.55  |

## Fast-Fit Cat5e RJ45 Plugs

The Fast-Fit RJ45 system is designed to make terminating RJ45 plugs simpler, faster and more repeatable. The one-piece plugs are suitable for stranded and solid wires and have 50µm gold plated contacts for enhanced performance and durability. Plugs are supplied in packs of 100 in environmentally conscious, reusable packaging

- Optimised performance due to reduced length of untwisted wires
- Faster termination times and reduced errors by checking wiring positions before crimping
- Suitable for stranded or unstranded wire
- 50µm gold plating
- Terminate using the Fast-Fit Compact Crimp Tool

821409

821410

821411

The very best quality 50µm gold plating

Supplied in packaging with no single use plastics

| Item   | Description   | Category | Shielding  | UoM       | Price  |

## Fast-Fit Plug Boots

Plug boots for use with Ultima Fast-Fit plugs

- Slimline design for high density patching
- For use with Fast-Fit plugs
- Snagless latch design
- Clear plastic suitable for use with any coloured cable

Supplied in packaging with no single use plastics

| Item   | Description | Boot Style | Max. Cable OD | Pack Size | Price  |
|--------|-------------|------------|---------------|-----------|--------|
| 821820 | Plug Boot   | Snagless   | 6mm           | 100 Pcs   | £14.08 |

## Modular Crimping Plier

A high quality ratcheting tool for cutting, stripping and crimping modular telephone plugs

- The steel frame gives long term durability and reliability
- Suitable for RJ45 (8P8C), RJ12 (6P6C), RJ11 (6P4C), RJ9 (4P4C) & 4P2C handset plugs

| Item   | Description                   | Mfr Ref | Price |
|--------|-------------------------------|---------|-------|
| 785017 | 3 in 1 Ratchet Crimping Plier | CT200   | £9.94 |

## BT Modular Plug Crimping Tool

A full circle ratchet tool for terminating 4 and 6 way BT type plugs

- Suitable for 431A / 631A (BT Plugs) only
- Heavy duty metal pliers

| Item   | Description                   | Price  |
|--------|-------------------------------|--------|
| 993832 | BT Modular Plug Crimping Tool | £18.89 |

## Jelly Crimp Plier 8B

Pliers specially designed for crimping jelly crimp contacts

- Made from special tool steel
- Drop forged, entirely hardened and tempered
- Cutting edges induction hardened
- Handles plastic dipped

| Item   | Description       | Price |
|--------|-------------------|-------|
| 991030 | Crimping Plier 8B | £9.95 |

## Ratcheting Crimp Tool R/B/Y

Ratchet crimping tool for red, blue or yellow terminals

- For crimping 1.5mm, 2.5mm and 6mm terminals
- Soft grip, ergonomic handles

| Item   | Description                 | Mfr Ref | Price  |
|--------|-----------------------------|---------|--------|
| 823816 | Ratchet Crimping Tool R/B/Y | TC056   | £12.95 |

## Non-Insulated Terminal Ratchet Crimp Tool

Crimp tool designed for safe and secure crimping of non-insulated terminals. They are heavy duty with a hardened steel jaw

- Auto-stop ratchet system
- Moulded handle for comfort and control
- Guaranteed for 30,000 crimps
- Cable sizes 1.5-10mm

| Item   | Description           | Model  | Price  |
|--------|-----------------------|--------|--------|
| 812587 | Ratchet Crimping Tool | 430025 | £35.95 |

## Crimpstar Ratchet Crimp Tool

Designed for crimping electrical connections including bootlace ferrules (end sleeves)

- Treated steel crimp jaws with high mechanical properties
- Emergency release lever which, if necessary, opens the crimp jaws before their complete closure
- Ergonomically designed non-slip moulded plastic grips
- Cable Size 0.5-4mm

| Item   | Description              | Mfr Ref | Price  |
|--------|--------------------------|---------|--------|
| 806617 | Mechanical Crimping Tool | HNKE 4  | £79.95 |

## HT51 Hydraulic Crimping Tool

This hydraulic compression tool develops a crimping force of 50kN with a built in safety valve and a pressure releasing system that can be operated at any stage of the compression. With spring loaded handles and a tool head that rotates through 180°, connectors can be positioned with one hand while the other advances the dies

- For use with copper cables up to 150mm
- Complete with carrying case
- Die sets are to be purchased separately

| Item   | Description                      | Mfr Ref | Price   |
|--------|----------------------------------|---------|---------|
| 793070 | Handheld Hydraulic Crimping Tool | HT51    | £625.00 |

## HT51 Hex Die Sets

| Item   | Description      | Size  | Mfr Ref | Price  |
|--------|------------------|-------|---------|--------|
| 793071 | HT51 Hex Die Set | 16mm  | ME3-50  | £24.95 |
| 793072 | HT51 Hex Die Set | 25mm  | ME5-50  | £24.95 |
| 793076 | HT51 Hex Die Set | 35mm  | ME7-50  | £24.95 |
| 793464 | HT51 Hex Die Set | 50mm  | ME10-50 | £24.95 |
| 797031 | HT51 Hex Die Set | 70mm  | ME14-50 | £24.95 |
| 797032 | HT51 Hex Die Set | 95mm  | ME19-50 | £24.95 |
| 797033 | HT51 Hex Die Set | 120mm | ME24-50 | £29.95 |

### Inserter Wire 2A

Single wire insertion tool for LSA style IDC terminations

- Durable and reliable for regular use
- Includes blade to assist in removal of termination strips from backmount frames
- Includes hook for removal of wires from terminations
- Scissor action blades trim excess wire

| Item   | Description      | Type | Price |
|--------|------------------|------|-------|
| 773118 | Inserter Wire 2A | LSA  | £5.58 |

### NETCONNECT Inserter Wire 2A

Enhanced punchdown tool for termination of all products with LSA-PLUS style IDC

- Can be used for all LSA-Plus series modules, jacks, patch panels and highband
- Sensor version ensures the conductor is fully inserted into the contact before allowing excess wire to be cut off

| Item   | Description                  | Price  |
|--------|------------------------------|--------|
| 772146 | Inserter Wire 2A with Sensor | £20.95 |

### Inserter Wire 8A

Impact and punchdown tool for seating wire into terminal block with cutter for excess wire

- Durable and reliable for regular use
- TPR soft-grip handle provides better comfort

| Item   | Description      | Price  |
|--------|------------------|--------|
| 821184 | Inserter Wire 8A | £29.95 |

### Inserter Wire 9A Bix

A single forward movement will seat the wire into the BIX IDC clip and cut off the excess wire

- Terminates 22, 24 and 26-AWG plastic insulated solid copper conductors

| Item   | Description          | Price  |
|--------|----------------------|--------|
| 993343 | Inserter Wire 9A Bix | £18.90 |

### Inserter Wire 10A

Single point inserter with automatic wire cutting for 3M cabinet modules and jumpers

- Suitable for connecting wires to 3M MS2 modular cross connection systems

| Item   | Description       | Price  |
|--------|-------------------|--------|
| 802891 | Inserter Wire 10A | £14.00 |

# Tooling

## Inserter Wire 11A

Single point insertion tool when wire cut off is not required

- Designed for use with 3M MS2 modular cross connexion solution
- Does not cut wires after punch down

| Item   | Description       | Price  |
|--------|-------------------|--------|
| 789414 | Inserter Wire 11A | £21.00 |

## Pouyet/Krone Inserter Wire

Insertion tool for terminating into Pouyet and Krone style strips

- Scissor action wire cutting facility
- Wire extraction hook

| Item   | Description                | Price  |
|--------|----------------------------|--------|
| 802893 | Inserter Wire Pouyet/Krone | £19.50 |

## Pouyet Inserter Wire

CORNING

Tools for insertion of wires in to Pouyet STG modules

- Tools have a scissor action wire cutting facility

| Item   | Description          | Price  |
|--------|----------------------|--------|
| 991891 | Inserter Wire Pouyet | £48.50 |

## SID Standard Inserter Wire

Insertion tool for Quante SID modules

- Wire extraction hook

| Item   | Description              | Price  |
|--------|--------------------------|--------|
| 802892 | Inserter Wire SID Quante | £19.95 |

## Cosmic Quick Clip Inserter Wire

Multipurpose wire insertion tool ideal for wire insertion in Cosmic and Cosmic II distributing frames

- Capacity 22 or 24 AWG

| Item   | Description                     | Price  |
|--------|---------------------------------|--------|
| 818029 | Inserter Wire Cosmic Quick Clip | £89.00 |

## Huawei Inserter Wire

Wire insertion tool inserts and crops wires simultaneously on Huawei IDC and has an integral hook and spudger

- Features a simple wrist lanyard for security during use

| Item   | Description          | Mfr Ref  | Price  |
|--------|----------------------|----------|--------|
| 823040 | Huawei Inserter Wire | JPX-DXD2 | £18.95 |

## Inserter Wire QDF

Insertion tool for QDF Modules

- Ergonomic handle
- Integral hook and spudger

| Item   | Description       | Price  |
|--------|-------------------|--------|
| 816206 | Inserter Wire QDF | £17.95 |

## 110 Inserter Wire

Punchdown tool for terminating wires on 110 IDC blocks

- Automatically trims excess wire
- Adjustable impact force setting
- Supplied with spare blade stored in tool handle

| Item   | Description       | Price  |
|--------|-------------------|--------|
| 770218 | 110 Inserter Wire | £18.90 |

## Cable Stripper & Punch Down Tool

Stripper and punch down tool for inserting wires and stripping jackets

| Item   | Description                       | Price |
|--------|-----------------------------------|-------|
| 791294 | Cable Stripper 110 Punchdown Tool | £2.12 |

## Dropwire Stripper

Non adjustable, two blade dropwire stripper for splitting dropwire 10 lengthways

- Exceptionally fast and completely safe

| Item   | Description     | Type     | Price  |
|--------|-----------------|----------|--------|
| 993296 | Jacket Stripper | Dropwire | £12.50 |

## Dropwire Sheath Stripper

The OPT dropwire sheath splitter performs the longitudinal sheath splitting process over the desired cable length to enable access to the internal cable components

- The sheath splitter design will allow end and mid-point cable access
- The sheath splitter is ergonomically designed to fit into the engineer's hand whilst providing adequate grip to draw the splitter along the cable sheath
- Designed for a minimum of 500 x 1 Mtr cuts

| Item   | Description               | Mfr Ref | Price  |
|--------|---------------------------|---------|--------|
| 820207 | Dropcable Sheath Stripper | T0215   | £59.00 |

## Cyclops Sheath Cutter

Cyclops cutter for accurately cutting sheaths of unshielded and shielded cables. Once cut the sheath can be easily removed

- Self adjusting blade
- Capacity: 3mm - 11mm
- Suitable for twisted pair and coax cables

| Item   | Description           | Price |
|--------|-----------------------|-------|
| 823605 | Cyclops Sheath Cutter | £7.55 |

## Universal Cable Jacket Stripper

A universal stripper for flat or round cable

- Strips twisted pair, computer, power, speaker cables as well as bell wire and flat telecom cable
- Suitable for UTP/STP cable
- Diameters between 3.2 - 9mm

| Item   | Description                     | Mfr Ref | Price |
|--------|---------------------------------|---------|-------|
| 774424 | Universal Cable Jacket Stripper | CS100   | £4.90 |

## Cable Ringing Tool

Cable stripper for cables from 4-25mm in diameter

- Simple to use tool for removing PVC and rubber cable insulation
- End and mid-span stripping
- The spring-loaded cable retention arm holds the cable in place
- An integral chisel edge cuts through the insulation - the tool is then rotated around the cable to complete a cut around the circumference
- The cutting blade can be rotated through 90 degrees to cut along the cable
- Depth of cut is adjustable by up to 3mm

| Item   | Description        | Price  |
|--------|--------------------|--------|
| 815587 | Cable Ringing Tool | £14.76 |

# Tooling

## Cable Strippers

Allows all common round cables to be stripped accurately, quickly and safely. The cutting depth of the blade can be regulated infinitely which prevents damage to the inner conductor. The blade is self-rotating allowing conversion from circular to longitudinal stripping

- Available in sizes to suit cables 4mm through to 35mm
- Ergonomically shaped, non-slip handle
- In addition 880027 has a straight blade which can be covered with a protective cap and 880028 has a fully insulated, fibreglass reinforced plastic bracket

| Item   | Description                               | Cable Dia | No. | Price  |
|--------|---|-----------|-----|--------|
| 993293 | Jacket Stripper                           | 4mm-16mm  | 7   | £8.25  |
| 992132 | Jacket Stripper                           | 8mm-28mm  | 8   | £10.05 |
| 880028 | Jacket Stripper                           | 28mm-35mm | 9   | £11.85 |
| 880027 | Jacket Stripper with Straight Knife Blade | 4mm-28mm  | -   | £14.74 |

## Peg Style Jacket Strippers

Jacket strippers for use on a range of cable types including coaxial up to 8mm and standard UTP data cable

- Adjustable blades can be set for any depth for error-free stripping
- Strips circumferentially and longitudinally
- Supplied with three straight blades and one round blade

| Item   | Man. Code | Description               | Cable Type     | Cable Dia   | Colour | Price  |
|--------|-----------|---------------------------|----------------|-------------|--------|--------|
| 996364 | 45-162    | Jacket Stripper Peg Style | RG174/RG187    | Up to 3.2mm | Grey   | £17.60 |
| 995524 | 45-163    | Jacket Stripper Peg Style | RG58/Mini Coax | 3.2mm-5.6mm | Blue   | £19.00 |
| 807228 | 45-164    | Jacket Stripper Peg Style | RG11/RG8       | 6.5mm-14mm  | Blue   | £26.51 |
| 998085 | 45-165    | Jacket Stripper Peg Style | RG59/UTP Cable | 4.8mm-8.0mm | Black  | £16.36 |

## Dual Drop Trimmer

Small combination body design dual drop trimmer that allows cable preparation of RG59, RG6, CT100 & CT65 coax cable (std, tri and quad) without any adjustment or blade cassette change out

- One-step cable preparation precisely exposes the centre conductor by 5/16" (7.93mm) and removes the proper length of jacket at 1/4" (6.35mm)
- Supplied with a unique polymer braid brush attachment for folding back the braid after cable preparation
- Built-in strip stop for precise preparation every time
- Lightweight, impact resistant High-Visibility yellow polymer construction
- DDT replacement cassettes are available separately
- Superior quality tool steel blade cassettes will perform 3500+ preparations under normal use

| Item   | Man. Code | Description            | Type          | Price  |
|--------|-----------|------------------------|---------------|--------|
| 823394 | 38590     | DDT Dual Drop Stripper | RG59/RG6/RG11 | £18.07 |

## Lightweight Drop Trimmer

Lightweight drop trimmer with compact body design that allows cable preparation of RG59, RG6 and N48 coax cable (standard, tri and quad)

- One step cable preparation precisely exposes the centre conductor by 5/16" (7.93mm) and removes proper length of jacket 1/4" (6.35mm)
- Supplied with unique polymer brush attachment for folding back the braid after cable preparation
- Built in strip stop for precise preparation every time
- Lightweight, impact resistant, highly visible yellow polymer construction
- Superior quality tool steel blade cassettes will perform 3500+ preparations under normal usage
- Blade cassettes are colour coded and marked with cable series type for easy identification

| Item   | Man. Code | Description                  | Type         | Mfr Ref     | Price  |
|--------|-----------|------------------------------|--------------|-------------|--------|
| 806656 | 38830     | LDT Lightweight Drop Trimmer | RG59/RG6/N48 | LDT 596-250 | £16.45 |

## Coax Stripper

Double bladed coax stripper cuts both inner and outer core simultaneously. Adjustable blade depth

- Suitable cable types - RG6/58/59/62

| Item   | Description                | Price |
|--------|----------------------------|-------|
| 784667 | Rotary Coax Cable Stripper | £6.25 |

## Longitudinal Jacket Stripper

Longitudinal jacket stripper for lengthways splitting of cable sheath or sub duct

- Also known as BT Cutter Longitudinal 1A
- One cutter for all plastic cable sheath diameters
- Cuts at any point in the cable
- Adjustable cutting depth control
- Easy knife replacement
- Maintenance-free
- Cable Diameter up to 25mm

| Item   | Description                  | Price  |
|--------|------------------------------|--------|
| 993292 | Jacket Stripper Longitudinal | £45.00 |
| 990019 | Replacement Blade            | £10.15 |

## Wire Stripper No. 5

An automatic wire stripper suitable for stripping cable diameters between 0.2-6mm. The wire stripper features a special scanning system which adjusts automatically to the diameter of the wire and ensures quick and accurate stripping without leaving marks on the insulation or damage to the conductor

- Quick-set stripping length stop is adjustable from 5-12mm and enables repeated stripping of a preset length
- Ergonomic design and light weight ensure fatigue-free operation
- Convenient clip holds the tool safely in the closed position when not in use

| Item   | Description             | Price  |
|--------|-------------------------|--------|
| 825825 | Automatic Wire Stripper | £17.75 |

## Redline Wire Strippers

Drop forged chrome vanadium steel wire strippers

- Induction hardened and precision ground cutting edges
- Micro adjustment for damage free repeatable results
- Spring assisted opening for convenience
- Suitable for stripping cables 0.2-6mm
- Ergonomic dual component handles offering the perfect balance of grip and comfort

| Item   | Description                     | Mfr Ref | Price  |
|--------|---------------------------------|---------|--------|
| 796383 | Automatic Wire Stripping Pliers | 495001  | £19.75 |

# Tooling

## Tile Lifters

Suction pad plastic tool for lifting tiles and boards

- Pad diameter: 120mm

| Item   | Description            | Lifting Capacity | Pad Diameter | Price  |
|--------|------------------------|------------------|--------------|--------|
| 800278 | Tile Lifter Single Pad | 35Kg             | 120mm        | £7.45  |
| 994455 | Tile Lifter Dual Pad   | 80Kg             | 120mm        | £10.06 |

## Hot Air Guns

Electric heat gun for use with heat shrinkable products

- For high volume applications
- Two heat settings, low (approx. 400°C) & high (approx. 600°C)
- Resettable thermostat protection

| Item   | Description | Output     | Power | Price  |
|--------|-------------|------------|-------|--------|
| 795537 | Hot Air Gun | Adjustable | 2000W | £24.25 |

## Heat Gun

Bosch heat gun with complete temperature and airflow control for demanding applications

- 10 airflow rates, digitally adjustable temperature settings, and 4 customizable programs for total tool control
- Incredibly strong 2300W motor to quickly reach 650°C
- Enhanced safety thanks to the thermal protection: Automatic shut-off of the heating element in case of motor overheating

| Item   | Man. Code  | Description           | Power | Voltage | Mfr Ref   | Price   |
|--------|------------|-----------------------|-------|---------|-----------|---------|
| 821571 | 06012A6360 | Professional Heat Gun | 2300W | 110V    | GHG 23-66 | £124.95 |

### Cordless SDS Plus Hammer Drills

Durable 3-function hammer drill with anti-vibration system, all-metal gearbox and LED work light for working in dark areas and tight corners. Supplied with heavy duty carry case and charger

- Hammer drill & chisel
- Single speed variable & reverse
- 1hr charger
- Anti-vibration system
- Mechanical safety clutch
- Lock-off switch
- LED work light
- Electric brake

| Item   | Description                    | Mfr Ref  | Voltage       | Battery          | Price   |
|--------|--------------------------------|----------|---------------|------------------|---------|
| 799116 | Rotary Hammer Drill (SDS Plus) | DCH253M2 | 18V XR Li-Ion | 2x 4Ah Batteries | £259.00 |
| 823764 | Rotary Hammer Drill (SDS Plus) | DCH273P2 | 18V XR Li-Ion | 2x 5Ah Batteries | £399.95 |

### DCF887M1 18V Cordless Impact Driver

The DeWalt DCF887's improved brushless motor gives increased torque as well as maintaining excellent power and efficiency in a range of light to heavy applications. The impact driver features an integrated 3 mode selector which gives a variety of speeds to suit different applications; where mode 1 suits light and small jobs and mode 3 suits heavy impact jobs. It incorporates a new impact mechanism which provides longer drive and better speed. In addition to this a specialist SBS module derives more power from the motor. A new chuck design with "drop and load" bit holder makes for fast and efficient bit changes and a 3 LED light ring lights up the working area. The DCF887 impact drivers overall length has been reduced to 135mm making it ideal for use in compact and small spaces. Its lightweight and compact design reduces fatigue allowing users to use it for longer periods without rest. The impact driver also includes an ergonomic cold forged impactor handle that improves overall durability

- Voltage: 18v
- Max Torque (Nm): 205
- Brake Type: Electric
- LED Job Light: Triple LED
- Battery Compatibility: 18v Lithium-Ion (XR)
- Rotation: Forward / Reverse
- Variable Speed Control Trigger: Yes
- No Load Speed (RPM): 0-3250
- Standard Bolt Capacity: M4-M12
- Max. Impacts Per Min (IPM): 0-3800
- Driving Shank: 1/4" Hex
- Overall Length (mm): 134

| Item   | Description            | Mfr Ref  | Voltage       | Battery           | Price   |
|--------|------------------------|----------|---------------|-------------------|---------|
| 821591 | Cordless Impact Driver | DCF887M1 | 18V XR Li-Ion | 1 x 4.0Ah Battery | £155.00 |

## Cordless Rotary Hammer with SDS plus GBH 18V-26 F Professional

18V Brushless SDS plus rotary hammer with quick-change chuck

- Kickback control and electronic precision control for better tool handling and increased user protection
- Variable and constant speed options
- Rotation control clutch

| Item   | Description      | Mfr Ref                 | Voltage | Battery        | Price   |
|--------|------------------|-------------------------|---------|----------------|---------|
| 825867 | SDS Hammer Drill | GBH18V-26F Professional | 18v     | 2x 4Ah Battery | £385.96 |

## Professional GSB 18 V-28 + GDX 18 V-180 Combi Drill, Twin Pack

Bosch combi drill twin pack GSB 18 VE-28 + GDX 18 V-180 18V with 2 x 4.0Ah CoolPack batteries and L-BOXX

- GSB 18 VE-28 Combi Drill
- GDX 18 V-180 Impact driver wrench
- 2 x 4.0Ah Li-Ion batteries

| Item   | Description           | Mfr Ref                  | Voltage | Battery                   | Price   |
|--------|-----------------------|--------------------------|---------|---------------------------|---------|
| 825848 | Combi Drill Twin Pack | GSB 18v-28 + GDX 18V-180 | 18V     | 2x 4Ah Batteries + L-BOXX | £268.23 |

## Cordless Drill/Driver GSR 12V-35 Professional 12V

Cordless drill/driver with a longer lifetime thanks to brushless motor with electronic motor protection

- Compact design enables optimum handling, especially when working overhead or in tight spaces
- Integrated LED light with afterglow function
- Professional quality 10mm Auto-Lock drill chuck

| Item   | Description  | Mfr Ref                 | Voltage | Battery        | Price   |
|--------|--------------|-------------------------|---------|----------------|---------|
| 825846 | Drill/Driver | GSR 12V-35 Professional | 12V     | 2x 3Ah Battery | £181.44 |

## Cordless Drill/Driver GSB 18V-55 Professional

Bosch's powerful entry-level 18 V impact drill with brushless motor

- Tough and powerful: performance of 55 Nm and 1,750 RPM for highest efficiency when working in wood, metal, and masonry
- Robust 13-mm Roehm metal chuck offers ideal power transfer for drilling and screwdriving
- Brushless motor ensures extensive tool lifetime and longer battery runtimes

| Item   | Description | Mfr Ref                 | Voltage | Battery          | Price   |
|--------|-------------|-------------------------|---------|------------------|---------|
| 825865 | Combi Drill | GSB 18V-55 Professional | 18V     | 2x 2Ah Batteries | £121.20 |

### Professional Cordless Combi Drill GSB 18V-28

The Bosch GSB 18V-28 professional cordless combi drill is a durable all-rounder which benefits from less wear thanks to a 13mm full metal chuck

- Ergonomic and comfortable handling due to the compact design
- Built to last with a reduced risk of motor overload thanks to its electronic motor protection (EMP)

| Item   | Description | Mfr Ref     | Voltage      | Battery          | Price   |
|--------|-------------|-------------|--------------|------------------|---------|
| 814947 | Combi Drill | GSB 18 V-28 | 18V Cordless | 2x 5Ah Batteries | £205.10 |

### Professional Cordless Drill Driver GSR18V-60 FC

The Bosch Professional GSR18V-60 FC cordless drill driver has a high capacity Lithium-ion battery. Complete with the 5-in-1 FlexiClick system which provides the optimum solution with its bit holder, drill chuck adapter, angle adapter, off-set angle adapter and rotary hammer adapter. The FlexiClick system can be locked in 16 different positions (360°) without having to remove them from the cordless screwdriver

- Unique rotary hammer adapter turns the drill/driver into a fully fledged rotary hammer
- Integrated lockable bit holder accepts all common standard bits
- Exceptionally high torque due to newly developed gearbox design and new 4-pole Bosch high-performance motor
- Integrated LED light
- CoolPack batteries ensure optimum heat dissipation and increase lifetime by up to 100%
- Bosch electronic cell protection (ECP) protects the battery against overload, overheating and deep discharge
- Max. drilling diameter in wood 38mm & in steel 13mm
- Supplied with L-BOXX, 2 x 5Ah batteries and charger

| Item   | Description             | Mfr Ref              | Voltage | Battery               | Price   |
|--------|-------------------------|----------------------|---------|-----------------------|---------|
| 800416 | FlexiClick Drill/Driver | GSR 18V-60 FC 5-in-1 | 18V     | 2x 5Ah Li-Ion Battery | £435.83 |

### FlexiClick 5-in-1 System Drill Adaptors

| Item   | Description | Type                  | Price  |
|--------|-------------|-----------------------|--------|
| 800435 | FlexiClick  | Angle Adaptor         | £49.72 |
| 800436 | FlexiClick  | Drill Chuck           | £49.72 |
| 800438 | FlexiClick  | Off Set Angle Adaptor | £49.72 |
| 800437 | FlexiClick  | Rotary Hammer Adapter | £82.42 |

### Batteries

Compact battery range

- Smart Li-Ion+ technology

| Item   | Description | Model                | Voltage | Capacity | Price   |
|--------|-------------|----------------------|---------|----------|---------|
| 800440 | Battery     | GBA O-B Professional | 12V     | 2Ah      | £50.59  |
| 800434 | Battery     | GBA M-C Professional | 18V     | 4Ah      | £77.22  |
| 800429 | Battery     | GBA H-B Professional | 36V     | 2Ah      | £133.45 |
| 800430 | Battery     | GBA H-C Professional | 36V     | 6Ah      | £191.77 |

# Tooling

## SDS Chuck Adaptor Kits

Chuck adaptor for SDS drills

- Converts SDS to standard keyed chuck adaptor

| Item  | Description       | Price |
|-------|-------------------|-------|
| 10069 | Chuck Adaptor Kit | £6.95 |

## SDS Chuck Adaptor Kits

Bosch chuck adaptor for SDS drills

- Converts SDS to standard keyed chuck adaptor

| Item   | Description              | Price  |
|--------|--------------------------|--------|
| 801936 | SDS Quick Change Adaptor | £20.37 |

## Professional Cordless Multi-Cutter GOP 18 V-28

The Bosch GOP 18V-28 cordless multi-cutter tool

- Cordless with similar power to a corded model thanks to brushless motor
- LED joblight illuminates workspaces improving visibility even in the dark
- Superior Starlock interface for highest direct power transfer
- Snap-in function enables fast and easy tool accessory change
- Includes 16 accessories - sanding sheets, wood & metal blades and sanding plate
- Comes with 2x 2Ah batteries, hard carry case, bits box and charger
- Weight (inc battery) 1.6Kg

| Item   | Description                         | Mfr Ref      | Voltage | Battery          | Price   |
|--------|-------------------------------------|--------------|---------|------------------|---------|
| 821268 | Starlock Plus Brushless Multicutter | GOP 18 V-282 | 18V     | 2x 2Ah Batteries | £242.52 |

## Cordless Angle Grinder GWS 18-125 V-LI Professional

Powerful 18-volt angle grinder

- Compact design and low weight (only 2.3 kg) for comfortable working
- Robust and durable 4-pole high-performance motor for a long lifetime

| Item   | Description   | Mfr Ref        | Voltage | Battery                  | Price   |
|--------|---------------|----------------|---------|--------------------------|---------|
| 825866 | Angle Grinder | GWS 18 125V-LI | 18V     | 2x 4Ah battery in L-BOXX | £280.02 |

### D-tect 120 Professional Wall Scanner

Intuitive radar scanner for almost all materials

- Spot measurement provides accurate detection on narrow surfaces
- Centre finder offers visual guidance, to clearly identify the precise location of the object's centre
- Dual Power Source allows for use with a 12 V Li-ion battery or with standard alkaline batteries
- Maximum detection depth 120mm
- Detects water-filled plastic pipes, ferrous metals, non-ferrous metals, wooden studs, live cables

| Item   | Description                         | Price   |
|--------|-------------------------------------|---------|
| 825575 | D-tect 120 Professional Wallscanner | £189.00 |

### GMS 120 Professional Multi-Detector

A reliable multi-detector

- Maximum reliability - most objects are found and application errors are avoided due to the automatic calibration
- Reliable detection even of deep-lying objects up to a depth of 12cm
- Even more reliable detection of objects due to three-colour LED luminous ring
- Pinpoint indication of the objects centre with the Centre Finder scale, and display of material properties
- Better visibility of the result due to illuminated display
- Marking hole with LED luminous ring
- Three detection modes for various applications: Drywall mode, metal mode, live cable mode

| Item   | Description                         | Price  |
|--------|-------------------------------------|--------|
| 800587 | GMS 120 Professional Multi-Detector | £62.95 |

### S300 Stud Detector

Stud and metal detector from Stanley

- Backlit LCD screen clearly displays all of the sensor's readings, even in low light conditions
- Wood and metal stud detection through up to 38mm deep surface material
- AC detection identifies live wires up to 51 mm deep
- OnePassT centre-find technology locates stud centres

| Item   | Description        | Price  |
|--------|--------------------|--------|
| 792924 | S300 Stud Detector | £45.95 |

## Extreme Flat Wood Drill Bit Set

8 Drill bit set suitable for use with combi drills, drill drivers and impact drivers

- Extra thick and robust steel
- Easy and slip-proof clamping
- Fast and extended drilling life
- 8 different sizes

**DEWALT**

| Item   | Description                              | Mfr Ref | Price  |
|--------|--|---------|--------|
| 808364 | Titanium Extreme Flat Wood Drill Bit Set | DT7943B | £17.86 |

## HSS Drill Bits Straight Shank Metric Jobber

HSS straight shank twist drill bits, high speed for general drilling

- Black oxide finish

| Item   | Description   | Type          | Diameter | Length | UoM      | Price |
|--------|---------------|---------------|----------|--------|----------|-------|
| 784795 | HSS Drill Bit | Metric Jobber | 2.0mm    | 61mm   | Pk of 10 | £1.14 |
| 784808 | HSS Drill Bit | Metric Jobber | 2.5mm    | 61mm   | Pk of 10 | £1.31 |
| 783094 | HSS Drill Bit | Metric Jobber | 3.0mm    | 61mm   | Pk of 10 | £1.36 |
| 784823 | HSS Drill Bit | Metric Jobber | 3.5mm    | 61mm   | Pk of 10 | £1.51 |
| 783095 | HSS Drill Bit | Metric Jobber | 4.0mm    | 75mm   | Pk of 10 | £1.74 |
| 783096 | HSS Drill Bit | Metric Jobber | 4.5mm    | 80mm   | Pk of 10 | £2.05 |
| 783097 | HSS Drill Bit | Metric Jobber | 6.0mm    | 93mm   | Pk of 10 | £3.24 |
| 784882 | HSS Drill Bit | Metric Jobber | 6.5mm    | 93mm   | Pk of 10 | £4.01 |
| 783098 | HSS Drill Bit | Metric Jobber | 7.0mm    | 109mm  | Pk of 10 | £4.54 |
| 784886 | HSS Drill Bit | Metric Jobber | 8.0mm    | 109mm  | Pk of 10 | £6.66 |
| 784899 | HSS Drill Bit | Metric Jobber | 8.5mm    | 109mm  | Pk of 5  | £3.58 |
| 783100 | HSS Drill Bit | Metric Jobber | 10.0mm   | 133mm  | Pk of 5  | £4.66 |
| 784907 | HSS Drill Bit | Metric Jobber | 12.0mm   | 133mm  | Pk of 5  | £7.25 |
| 994441 | HSS Drill Bit | Metric Jobber | 13.0mm   | 133mm  | Pk of 5  | £8.54 |

Tooling

## Metric Jobber HSS Drill Bit Sets

High speed steel drill bit set for metal, plastic and wood

- Sets contain all sizes in 0.5mm increments held within a durable plastic case

| Item   | Description       | Set      | Diameter    | Price |
|--------|-------------------|----------|-------------|-------|
| 785276 | HSS Drill Bit Set | 13 Piece | 2.0mm-8.0mm | £4.09 |
| 796297 | HSS Drill Bit Set | 19 Piece | 1.0-10.0mm  | £7.26 |

## HSS Cone Cutter

Step drill for cutting varying hole sizes in material up to 4 mm thick without changing the drill bit

- 6-30mm in 2mm increments

| Item   | Description    | Head Size | Price  |
|--------|----------------|-----------|--------|
| 813055 | HSS Step Drill | 6mm-30mm  | £19.99 |

### SDS Plus Masonry Drill Bits

SDS plus drill bits to drill into hard surfaces such as brick and concrete with minimal effort

- Ideal for drilling into brick and concrete
- Rigorously tested for quality and compliance
- Large selection of sizes and lengths available

| Item   | Description       | Style    | Type     | Diameter | Length | Price  |
|--------|-------------------|----------|----------|----------|--------|--------|
| 823784 | Masonry Drill Bit | SDS Plus | 4 Cutter | 5mm      | 110mm  | £0.89  |
| 823785 | Masonry Drill Bit | SDS Plus | 4 Cutter | 5.5mm    | 110mm  | £0.96  |
| 823786 | Masonry Drill Bit | SDS Plus | 4 Cutter | 6mm      | 110mm  | £0.98  |
| 823787 | Masonry Drill Bit | SDS Plus | 4 Cutter | 6.5mm    | 110mm  | £1.03  |
| 823788 | Masonry Drill Bit | SDS Plus | 4 Cutter | 7mm      | 110mm  | £1.34  |
| 823789 | Masonry Drill Bit | SDS Plus | 4 Cutter | 8mm      | 110mm  | £1.34  |
| 823790 | Masonry Drill Bit | SDS Plus | 4 Cutter | 8mm      | 260mm  | £1.92  |
| 823791 | Masonry Drill Bit | SDS Plus | 4 Cutter | 8mm      | 460mm  | £2.98  |
| 825893 | Masonry Drill Bit | SDS Plus | 4 Cutter | 10mm     | 260mm  | £2.49  |
| 823792 | Masonry Drill Bit | SDS Plus | 4 Cutter | 10mm     | 460mm  | £3.36  |
| 823793 | Masonry Drill Bit | SDS Plus | 4 Cutter | 10mm     | 600mm  | £4.48  |
| 823794 | Masonry Drill Bit | SDS Plus | 4 Cutter | 10mm     | 1000mm | £7.65  |
| 825894 | Masonry Drill Bit | SDS Plus | 4 Cutter | 12mm     | 260mm  | £3.74  |
| 823795 | Masonry Drill Bit | SDS Plus | 4 Cutter | 12mm     | 460mm  | £4.25  |
| 823796 | Masonry Drill Bit | SDS Plus | 4 Cutter | 16mm     | 200mm  | £4.78  |
| 823797 | Masonry Drill Bit | SDS Plus | 4 Cutter | 16mm     | 460mm  | £6.60  |
| 823798 | Masonry Drill Bit | SDS Plus | 4 Cutter | 18mm     | 460mm  | £8.45  |
| 825897 | Masonry Drill Bit | SDS Plus | 4 Cutter | 20mm     | 460mm  | £13.23 |
| 825896 | Masonry Drill Bit | SDS Plus | 4 Cutter | 20mm     | 600mm  | £15.23 |
| 823799 | Masonry Drill Bit | SDS Plus | 4 Cutter | 22mm     | 460mm  | £12.80 |

Tooling

### SDS-Plus Masonry Drill Bit Sets

5 & 15 piece SDS masonry drill & steel set

- 5 Piece contains; 5, 6 x 110mm and 7, 8, 10 x 160mm supplied in a blister pack
- 15 Piece contains the following supplied in a plastic case
  - 110mm drill bits; 5.5, & 6mm
  - 160mm drill bits; 5.5, 6, 6.5, 7, 8, & 10mm
  - 260mm drill bits; 10, 12, & 16mm
  - Chisels: 1 x wide, 1 x point, 1 x flat, 1 x groove

| Item   | Description           | Set | Price  |
|--------|-----------------------|-----|--------|
| 799114 | Masonry Drill Bit Set | 5   | £5.43  |
| 785383 | Masonry Drill Bit Set | 15  | £17.20 |

### Masonry Drill Bits

Masonry drill bits, milled and sandblasted, with industrial grade carbide tip

- For use with rotary or percussion drills
- Milled slow spiral for quick and effective debris removal
- Straight Shank

| Item   | Description       | Diameter | Length | Price |
|--------|-------------------|----------|--------|-------|
| 990117 | Masonry Drill Bit | 5.5mm    | 150mm  | £0.92 |
| 990118 | Masonry Drill Bit | 6mm      | 150mm  | £0.96 |
| 771293 | Masonry Drill Bit | 7mm      | 100mm  | £1.03 |

## Holesaw Kit

Variable pitch holesaws in bi-metal construction

- Hardened HSS teeth, flexible high carbon steel backing
- For cast steel, malleable cast iron, stainless and structural steel, alloyed and non-alloyed aluminium, bronze, copper, PVC, acrylic and wood
- Set contains 18, 20, 25, 32, 40 and 51 mm holesaws
- Includes 2 arbors and mandrel adaptor

| Item   | Description                       | Price  |
|--------|-----------------------------------|--------|
| 784728 | Electricians Bi-Metal Holesaw Kit | £20.22 |

| 784598 | Bi-Metal Holesaw | 25mm     | £6.55  |
| 784600 | Bi-Metal Holesaw | 29mm     | £6.97  |
| 784603 | Bi-Metal Holesaw | 32mm     | £7.37  |
| 784612 | Bi-Metal Holesaw | 38mm     | £7.98  |
| 784605 | Bi-Metal Holesaw | 40mm     | £8.20  |
| 784606 | Bi-Metal Holesaw | 41mm     | £8.34  |
| 784607 | Bi-Metal Holesaw | 43mm     | £8.58  |
| 784609 | Bi-Metal Holesaw | 48mm     | £8.75  |
| 784610 | Bi-Metal Holesaw | 51mm     | £8.89  |
| 788473 | Bi-Metal Holesaw | 54mm     | £9.54  |
| 788475 | Bi-Metal Holesaw | 57mm     | £9.84  |
| 788476 | Bi-Metal Holesaw | 60mm     | £10.14 |

| Item   | Description      | Diameter | Price  |
|--------|------------------|----------|--------|
| 784613 | Bi-Metal Holesaw | 64mm     | £10.17 |
| 784614 | Bi-Metal Holesaw | 65mm     | £10.20 |
| 784615 | Bi-Metal Holesaw | 67mm     | £10.29 |
| 784619 | Bi-Metal Holesaw | 70mm     | £10.60 |
| 788477 | Bi-Metal Holesaw | 73mm     | £10.79 |
| 784620 | Bi-Metal Holesaw | 76mm     | £11.05 |
| 784621 | Bi-Metal Holesaw | 79mm     | £11.08 |
| 784623 | Bi-Metal Holesaw | 83mm     | £11.48 |
| 784625 | Bi-Metal Holesaw | 86mm     | £12.28 |
| 784626 | Bi-Metal Holesaw | 89mm     | £12.69 |
| 784627 | Bi-Metal Holesaw | 92mm     | £14.00 |
| 784628 | Bi-Metal Holesaw | 95mm     | £14.19 |
| 784629 | Bi-Metal Holesaw | 102mm    | £15.49 |
| 784630 | Bi-Metal Holesaw | 105mm    | £16.99 |
| 784632 | Bi-Metal Holesaw | 111mm    | £20.27 |
| 784635 | Bi-Metal Holesaw | 114mm    | £21.34 |

## Holesaw Arbor

Holesaw arbor for use with CK holesaws

- Complete with shaft locking grub screw
- For use with holesaws up to 30mm
- 8mm or 11mm hexagonal drive shaft
- Supplied with replaceable 1/4" HSS pilot drill
- Use for 14-30mm Holesaws

| Item   | Description   | Price |
|--------|---------------|-------|
| 784604 | Holesaw Arbor | £7.24 |
| 784611 | Holesaw Arbor | £7.63 |

## Holesaw Arbor Quick Release

Quick-release holesaw arbor for use with CK holesaws

- Fixing pins are spring loaded for easy withdrawal making holesaw changes fast and efficient
- 11mm hexagonal drive shaft
- Supplied with replaceable 1/4" HSS pilot drill
- Use for 32-152mm Holesaws

| Item   | Description                   | Price  |
|--------|-------------------------------|--------|
| 784616 | Holesaw Arbor (Quick Release) | £12.15 |

## Holesaw Arbor Heavy Duty

Heavy duty holesaw arbor for use with CK holesaws from 32-114mm

- Fixing pins are locked in place with a screw down collar securing the holesaw for heavy duty use
- 11mm hexagonal drive shaft
- Supplied with replaceable 1/4" HSS pilot drill
- Use for 32-152mm Holesaws

| Item   | Description              | Price  |
|--------|--------------------------|--------|
| 784617 | Holesaw Arbor Heavy Duty | £12.68 |

## Pilot Drill

Replacement HSS pilot drill bits for CK holesaw arbors

- Suitable for 784604, 784622, & 784624

| Item   | Description                          | Price |
|--------|--------------------------------------|-------|
| 784652 | Replacement Pilot Drill for 11mm Hex | £4.31 |

## Holesaw Arbor SDS Plus Shank

Heavy duty holesaw arbor with SDS Plus drive shaft, designed for use with CK holesaws

- 14-30mm or 32-152mm options
- 11mm hexagonal drive shaft
- Supplied with replaceable high speed steel pilot drill

| Item   | Description                  | Price  |
|--------|------------------------------|--------|
| 784622 | Holesaw Arbor SDS Plus Shank | £7.85  |
| 784624 | Holesaw Arbor SDS Plus Shank | £12.55 |

## Holesaw Arbor Extension

300mm Extension bar for all CK 11mm hexagonal shaft arbors

- Complete with shaft locking grub screw

| Item   | Description                  | Price |
|--------|------------------------------|-------|
| 784753 | 11mm Holesaw Arbor Extension | £7.24 |

## Fibreglass Swingback Ladder

Fibreglass swingback step ladders

- Load capacity 150Kg
- British Standard EN131
- Non-conductive fibreglass stiles perfect for working near electricity
- Open Height 1.7Mtr
- Weight 7.5Kg

| Item   | Description | No. of Treads | Series | Price   |
|--------|-------------|---------------|--------|---------|
| 782026 | Step Ladder | 8 Tread       | GFBB   | £109.00 |

## 716 Series Fibreglass Step Ladders - Swingback

The 716 series swingback fibreglass stepladder has a multi-functional holster top to keep tools organised and safe on the ladder

- Load capacity 150Kg
- British Standard EN131
- Non-conductive fibreglass stiles perfect for working near electricity
- A generous 300mm treads pitch gives excellent reach heights
- Wide size range from 4 - 12 treads
- Slip resistant treads
- Semi tubular rivets throughout provides rigid fixings
- New design internal "H-spreaders" offer single handed operation also adds strength and stability of the ladder
- Edge bracing provides enhanced strength and increased protection against damage

| Item   | Description | No. of Treads | Series     | Weight  | Open Height | Price   |
|--------|-------------|---------------|------------|---------|-------------|---------|
| 797062 | Step Ladder | 6 Tread       | 716 Series | 8.54Kg  | 1.67Mtr     | £83.63  |
| 797063 | Step Ladder | 8 Tread       | 716 Series | 11.21Kg | 2.23Mtr     | £101.81 |

## Telescopic Combi Ladders

Telesteps combi ladders join the best features from the Telesteps telescopic ladders and stepladders into one single ladder for all your tasks during the day

- Use it free-standing or put it against a wall
- Pull the ladder out to its full length
- Then just unfold both halves of the ladder and start work
- EN131 approved and comply with European safety standards
- Tread depth 90mm

| Item   | Description                       | Mfr Ref | Weight | Extension Height | Closed Height | Price   |
|--------|-----------------------------------|---------|--------|------------------|---------------|---------|
| 809139 | Telesteps Telescopic Combi Ladder | 60623   | 14.5Kg | 2.3Mtr           | 0.71 Mtr      | £278.00 |

# Site Equipment

## Telescopic Ladder Stability Accessorie

Improve ladder safety and stability with the adjustable safety feet, top support and ground spikes

| Item   | Description                 | Type                   | UoM  | Price  |
|--------|-----------------------------|------------------------|------|--------|
| 797106 | Telescopic Ladder Accessory | Adjustable Safety Feet | Pair | £63.05 |

## Aluminium Telescopic Ladder

Aluminium telescopic ladders ideal for surveyors, tradesmen and DIY use. These high quality ladders are light to carry, compact to store, easy to transport and will easily fit into the boot of a car

- Smooth operation, extends and locks rung by rung
- Anti-pinch finger protectors
- Indicators to show when each rung is locked
- Manufactured to BS EN 131 standards
- Anti-pinch system which protects hands when collapsing the ladder

| Item   | Description       | No. of Treads | Weight | Extension Height | Closed Height | Price  |
|--------|-------------------|---------------|--------|------------------|---------------|--------|
| 818971 | Ladder Telescopic | 9 Tread       | 6.8Kg  | 2.6Mtr           | 0.8Mtr        | £60.03 |

## Aluminium Ladder Platforms

Convenient hop-up for general low level work

- Certified to EN 14183:2003.
- Non-slip platform
- Locking hinges

| Item   | Description     | Type   | Weight | Height | Width | Length | Price  |
|--------|-----------------|--------|--------|--------|-------|--------|--------|
| 820167 | Ladder Platform | 2 Step | 5.5Kg  | 800mm  | 445mm | 900mm  | £32.95 |
| 820168 | Ladder Platform | Square | 6.5Kg  | 500mm  | 710mm | 620mm  | £44.99 |

## Anti Slip Ladder Leveller

Ladder mat anti-slip ladder leveller is made from heavy-duty rubber matting with nodules and is fully adjustable

- Prevents accidents and reduces risk of injury
- Adjustable for use on sloping and uneven ground
- Prevents feet from sinking in to soft ground

| Item   | Description     | Width | Length | UoM  | Price  |
|--------|-----------------|-------|--------|------|--------|
| 824123 | Ladder Leveller | 24cm  | 17cm   | Pair | £14.30 |

## Ladder Leveller

Ladder leveller used to stabilise ladders on uneven surfaces

- Tough all rubber construction
- Superior grip no metal on metal contact
- Increases surface area on ground
- Unique grip pattern
- One size fits all ladders
- Suitable for lone worker
- Works in the wet

| Item  | Description     | Width | Price  |
|-------|-----------------|-------|--------|
| 13682 | Ladder Leveller | 280mm | £40.74 |

## Ladder Stop

Tee pieces for securing ladder feet

- Helps prevent ladders from slipping
- Rugged, durable construction

| Item   | Description | Width | Price  |
|--------|-------------|-------|--------|
| 773424 | Ladder Stop | 450mm | £52.60 |
| 825691 | Ladder Stop | 600mm | £65.78 |

## Ladder Stay

Ladder stay / stand off

- Easy to fit
- Industrial build
- Can be used with all ladders
- Detachable from ladder

| Item   | Description             | Price  |
|--------|-------------------------|--------|
| 200118 | Ladder Stay / Stand Off | £29.76 |

## Ultimate Ladder Standoff

A versatile ladder stand off designed using square wheels to roll freely up the wall and then re-shape when weight is applied turning the wheel into a non-slip rubber pad which grips the wall or roof and prevents the top of the ladder from sliding in any direction.

| Item   | Description              | Price  |
|--------|--------------------------|--------|
| 825824 | Ultimate Ladder Standoff | £89.00 |

## Ladder Clamps (Pair)

Ladder clamps for locking ladders to roof racks etc

- Supplied as a pair
- Steel construction
- Includes 2 padlocks

| Item   | Description                | Price  |
|--------|----------------------------|--------|
| 993590 | Ladder Roof Rack Clamp Set | £20.37 |

## Ladder Tie

BT style ladder accessory

- Used to lash ladders extension 5B and 7A when working on poles

| Item   | Description | Price |
|--------|-------------|-------|
| 200119 | Ladder Tie  | £3.60 |

## Laddertag

Ladder tags and inserts for recording safety inspections

| Item   | Description           | Mfr Ref  | UoM    | Price  |
|--------|-----------------------|----------|--------|--------|
| 797982 | Ladder Tags & Inserts | EITH/L12 | Box 10 | £43.57 |
| 797985 | Laddertag Inserts     | EITL12   | Each   | £2.50  |

# Site Equipment

## Pedestrian Barriers (Metal)

Metal barrier gates available in three and four gate options

- Designed to be used around manhole repairs, cable laying and other temporary excavations
- 3 and 4 gate barriers are supplied with barrier clips included

| Item   | Description          | Type   | Price  |
|--------|----------------------|--------|--------|
| 992172 | Panel Barrier System | 3 Gate | £45.47 |
| 992165 | Panel Barrier System | 4 Gate | £55.72 |

## Portagate Pedestrian Barrier System

The Portagate is a blown moulded high density polyethylene barrier

- Lightweight and compact
- Adjoining clips allow multi-positioning configurations
- Firm hold hinge clip down system locking panels securely
- Temporary signage recesses included for toggle mount courtesy signs

| Item   | Description              | Type   | Price  |
|--------|--------------------------|--------|--------|
| 816081 | Portagate Barrier System | 3 Gate | £51.85 |
| 819345 | Portagate Barrier System | 4 Gate | £64.08 |

## Utility Pedestrian Barrier System

Utility barrier system with a unique and protected D-Hinge system for incredible stability

- Manufactured from 100% recyclable material
- Higher reflective area to meet various legislations
- Deep channels to prevent collection of rainwater
- Product stacks with itself in every orientation

| Item   | Description                  | Type   | Price  |
|--------|------------------------------|--------|--------|
| 805030 | Panel Utility Barrier System | 3 Gate | £38.85 |
| 810583 | Panel Utility Barrier System | 4 Gate | £59.00 |

## SafeGate Pedestrian Barriers

SafeGate is a folding barrier system designed to be used around manhole repairs, cable laying and other temporary excavations

- 100% recyclable
- Modular design can be assembled as per required configuration
- Integral locking clamp to aid stability when the barriers are deployed in a straight line

| Item   | Description                   | Type   | Price  |
|--------|-------------------------------|--------|--------|
| 790049 | SafeGate Panel Barrier System | 3 Gate | £47.92 |
| 793435 | SafeGate Panel Barrier System | 4 Gate | £63.84 |

## Gate Barrier

Chapter 8 blow moulded barrier

- Incredible strength and durability
- Free standing with 360 swivel feet
- Free from screws and rivets
- Stacks in 50mm (2 inch) with location (40 per pallet)
- Moulded in orange as standard but can be coloured to suit
- Coloured feet if desired
- A moulded lamp connector
- Barrier to barrier connection is quick and easy to use on uneven ground
- Manufactured in high density polyethylene
- Company identification can be embossed

| Item   | Description  | Inc.           | Length | Price  |
|--------|--------------|----------------|--------|--------|
| 815650 | Gate Barrier | Anti-Trip Feet | 2Mtr   | £31.43 |

## Low Pro Trench Cover

Pedestrian board with patented flexi-edge technology, suitable for 700mm trenches

- Complies with National Grid footway board specification T/SP/E/42
- Pedestrian and driveway board
- Central section made of glass reinforced composite
- Shock resistant, patented Flexi-Edge technology
- Anti-slide, non-pinned and self-weighted
- Robust and long-lasting

| Item   | Description         | Width    | Length   | Price  |
|--------|---------------------|----------|----------|--------|
| 814245 | LowPro Trench Cover | 1.125Mtr | 1.125Mtr | £95.84 |

## Footway Boards & Trench Covers

The tuff trench is the first pedestrian trench cover to be moulded from High Density Polyethylene which means it won't splinter or shatter when dropped

- Can withstand over 400Kg loads
- Strong durable with high impact resistance
- Anti-slip pattern conforms to slip resistance of BS 7976: Part 2
- Single man lift with handles for easy lifting, only 8Kg
- Conforms to National Grid T/SP/E/42
- Conforms to HAUC advice note No. 2018/01

| Item   | Description             | Height | Width | Length | Price  |
|--------|-------------------------|--------|-------|--------|--------|
| 810649 | Pedestrian Trench Cover | 40mm   | 800mm | 1200mm | £56.40 |

## External Heavy Duty Cabling Protector

Vehicle Loads - tested for use with axle loads up to 6000kg and therefore suitable for use with most goods vehicles. Not designed as a speed reduction ramp for fork trucks or similar high point loads

- Instant cable protection for contracts work & outside events
- Heavy duty rubber mouldings interlink to form continuous ramped cable protection
- Hinged lid allows cables to be inserted after ramps are in position
- Robust design withstands passage of heavy goods traffic
- Linked sections normally require no ground fixings
- Bolt holes provided for more permanent installations
- Three generous channels (each 55H x 65Wmm) allow a variety of cables and hoses to be accommodated
- Supplied in 980 x 600mm sections
- Overall dimensions 75H x 600W x 1000Lmm
- 3 x cable channels 55H x 65Wmm
- Unit weight 27.6kg

| Item   | Description                         | Channel   | Width | Length | Price  |
|--------|-------------------------------------|-----------|-------|--------|--------|
| 809517 | External Heavy Duty Cable Protector | 3 Channel | 600mm | 1000mm | £93.80 |

# Site Equipment

## Triflex Road Signs

Extremely compact system, brings significant benefits regarding vehicle capacity and payload

- Unparalleled stability - designed to flex in strong gusts
- Two-piece product
- Very quick and easy to erect with no fiddly fixings
- Small footprint makes the TriFlex ideal for works in urban areas
- Corrosion-proof metalwork, GRP spine and ribs with reinforced flexible PVC

| Item   | Description       | Type                  | Height | Price   |
|--------|-------------------|-----------------------|--------|---------|
| 821890 | TriFlex Road Sign | 8 Piece Chapter 8 Kit | 750mm  | £895.00 |

## Road Cones

PVC road cones in 2 commonly used sizes

- 100% recycled sturdy one-piece cone complete with Sealbrite reflective sleeve

| Item   | Description | Height | Price |
|--------|-------------|--------|-------|
| 992338 | Road Cone   | 450mm  | £3.67 |
| 790721 | Road Cone   | 750mm  | £5.10 |

## Road Cone Mounted Signs

Selection of signs for mounting to 750mm road cones

- Chapter 8 cone mounted signs
- Class 1 reflective on black environmentally friendly recycled HDPE
- Triangular signs 750mm x 750mm x 750mm
- Pedestrians left/right sign 600mm x 450mm
- Chapter 8 kit contains 4 road works, 2 END supplementaries, 1 left & 1 right directional arrow, 1 left & 1 right road narrows
- Cones are NOT supplied, pictures for illustration purposes only

| Item   | Description       | Type                                   | Shape       | Height | Width | Price   |

## Road Sign Mounting Stand

Tripod style road mounting stand

- Folding extendable three-legged sign stand
- Accepts various sizes of flexible sign panels
- Ideal for uneven ground

| Item   | Description            | Price  |
|--------|------------------------|--------|
| 809620 | Tripod Road Sign Stand | £16.43 |

## 5kg Filled Sandbag

Pre-filled sand bags perfect for reducing ingress in the event of flooding

| Item   | Description | Price |
|--------|-------------|-------|
| 813079 | Sandbag 5kg | £9.25 |

## Stand Mounted Road Signs

Flexible road signs with Class 1 reflective panel

- For use with tripod style road sign stand (809620)
- Fully compliant with Chapter 8 requirements
- Road narrows sign supplied with pop on panel enabling user to convert to left or right

| Item   | Description  | Type                                    | Shape       | Height | Width | Price  |
|--------|--------------|---|-------------|--------|-------|--------|
| 809623 | Roll Up Sign | Keep Left/Right                         | Square      | 750mm  | -     | £19.50 |
| 819818 | Roll Up Sign | Pedestrians Left/Right Arrow            | Rectangular | 450mm  | 600mm | £14.50 |

## G.fast Cabinet Jointers Tent

An Openreach approved jointers tent designed specifically by Comtec for use with G.fast street cabinets. A wider version of the BT Tent 12A jointers tent designed to be large enough to cover a PCP (7x7) cabinet with G.fast bolt-on pod

- Also known as BT Jointers Tent 12A
- Aluminium framework 20mm tubing
- Steel support brace
- Zipped openings both ends
- Waterproof, fire retardant and UV resistant reinforced polyurethane material
- Convenient lifting handles
- Quick to erect and pack away (approx. 2-3 mins)
- No loose components - integrated frame & cover
- Folded dimensions 1.2Mtr x 1Mtr x 30cm
- Weight 21.5Kg

| Item   | Description                  | Height | Width  | Depth  | Price   |
|--------|------------------------------|--------|--------|--------|---------|
| 811979 | G.fast Cabinet Jointers Tent | 1800mm | 2000mm | 1200mm | £475.00 |

## Versatile Tent

Designed as a free standing tent for engineers working in jointing chambers

- Can be erected by a single person within 2 minutes
- The translucent covering material has been selected for its fire retardant, U.V. performance and waterproof properties
- 40mm tubular aluminium legs
- Supplied with a carrying bag designed with suitable drainage for when the tent is folded wet

| Item   | Description    | Height | Width  | Depth | Price   |
|--------|----------------|--------|--------|-------|---------|
| 811064 | Versatile Tent | 1605mm | 1750mm | 940mm | £275.00 |

## Pop-Up Jointers Tent

Useful pop-up ground tent popular with jointers and telecommunications engineers working on poles

- Pole tent specially adapted door to encapsulate pole
- Velcro opening and closing to allow tight seal

| Item   | Description   | Height | Width   | Depth   | Price    |
|--------|---------------|--------|---------|---------|----------|
| 792601 | Jointers Tent | 2Mtr   | 1.8Mtr  | 1.8Mtr  | £225.00  |
| 823678 | Pole Tent     | 2Mtr   | 1.25Mtr | 1.25Mtr | £1025.00 |

## Pole Cover & Street Cabinet

Versatile hard wearing covers for street cabinets and poles for engineers wanting to be protected from rain or heavy sunshine

- Offers coverage against the elements whilst working in or around cabinets and poles
- Multi-sided cover offering full or partial protection against rain and sun
- Hard wearing material includes frame

| Item   | Description                | Price   |
|--------|----------------------------|---------|
| 823679 | Adjustable Pole Cover      | £109.00 |
| 823776 | DSLAM Street Cabinet Cover | £169.95 |

## Folding Jointers Stool

A heavy duty folding stool popular with jointers

| Item   | Description    | Height | Width | Depth | Price  |
|--------|----------------|--------|-------|-------|--------|
| 992650 | Jointers Stool | 435mm  | 360mm | 328mm | £17.50 |

## Large Folding Stool

A versatile compact folding stool designed for easy storage

- Features grip dots for added stability
- Compact folding storage
- Easy and light to carry
- Carry handle when folded for easy transportation
- Max height when in use 39cm

| Item   | Description | Height | Width | Depth | Price |
|--------|-------------|--------|-------|-------|-------|
| 819429 | Step Stool  | 390mm  | 290mm | 220mm | £9.65 |

## Waterproof Sheet

General purpose waterproof sheet with eye ringlets

- Also known as BT Waterproof Sheet No.2

| Item   | Description      | Width  | Length | Price  |
|--------|------------------|--------|--------|--------|
| 782628 | Waterproof Sheet | 1980mm | 1980mm | £68.30 |

## Heavy Duty Ground Sheets

Heavy duty waterproof cotton canvas tarpaulin

- Before proofing the cotton tarpaulin is 14oz
- Seams are double sewn

| Item   | Description  | Width | Length | Price  |
|--------|--------------|-------|--------|--------|
| 992649 | Canvas Sheet | 5'9"  | 5'     | £27.65 |

## Oil-Only Spill Kit

Suitable for small spills and especially useful when carried with tools and machinery where they can be deployed in an emergency

- Kit includes absorbing pads, socks, disposal bag and ties
- Contained in a clear re-sealable bag
- Suitable for oil-only

| Item   | Description   | Size     | Price  |
|--------|---------------|----------|--------|
| 200241 | Oil Spill Kit | 15 Litre | £14.39 |

## Multi-Purpose Spill Kit

Multi-purpose spill kit suitable for solvents, acids, caustics, oil and fuel

- Kit includes 20x absorbing pads, 2x socks, disposal bag and ties
- Complete with instruction sheet
- Absorbs 20 litres
- Conforms to BS7959-1

| Item   | Description        | Size     | Price  |
|--------|--------------------|----------|--------|
| 791162 | Chemical Spill Kit | 20 Litre | £96.00 |

## Spill Protection System

Plant Nappy is a practical solution to spill prevention, allowing fuels and oils to be absorbed into the base containing the spillage whilst allowing the water to escape contaminate free

- Liners are reusable to help keep project costs to a minimum
- Material is crush, UV, abrasion and puncture resistant
- External dimensions 1000mm x 685mm
- Internal dimensions 880mm x 565mm
- Absorbency 4.5Ltr (liners also 4.5Ltr)
- Net weight 2Kg (liners 1Kg)

| Item   | Description     | Price   |
|--------|-----------------|---------|
| 816429 | Spill Protector | £191.97 |
| 816430 | Absorbent Liner | £38.68  |

# Site Equipment

## Petrol Powered Generator (Dual 110V)

Robust and reliable petrol powered generators comprising of a heavy duty maintenance free alternator, cast iron cylinder and rugged frame

- Quad clean heavy duty cyclonic air cleaner
- Engineered for enhanced durability
- Oversized mufflers, steel forged crankshafts and oversized ignition systems
- Low oil shut down
- Engine designed in the USA
- Supply 110V (2 Sockets)
- Continuous rated output 2.4KVA
- Maximum output 2.75KVA
- Kohler 7.5hp engine
- Unleaded petrol
- Tank capacity 4.1Ltr
- Running time (approx.) 3 hours

| Item   | Description      | Engine | Output | Tank Size   | Supply          | Price   |
|--------|------------------|--------|--------|-------------|-----------------|---------|
| 798249 | Petrol Generator | 7.5hp  | 2.4KvA | 4.1Ltr Tank | 2x 110V Sockets | £450.00 |

## Petrol Powered Generator (110V/220V)

Dual voltage petrol driven generator

- Maximum output of 2.2kW
- Dual voltage output 110V/220V
- 5.5HP 4 stroke petrol engine
- Full surround frame for site working
- 13 hours continuous operation from 15 litre fuel tank
- Low noise level (65dB)
- Weight 35kg

| Item   | Description      | Voltage | Wattage | Price   |
|--------|------------------|---------|---------|---------|
| 795632 | Petrol Generator | 110V    | 2000W   | £229.00 |

## 110V Ventilator with Duct Hose

A lightweight, portable 110V cold air blower with double wall polyethylene construction for extended lifetime and protection. Moves up to 868 cubic metres of air per hour, and with ducting the air can be moved 15 metres

- Also known as BT Cold Air Blower

| Item   | Description     | Price   |
|--------|-----------------|---------|
| 795633 | Ventilator 110V | £179.00 |

## Koshin Ponstar Automatic Submersible Pump

A compact light and easy to handle contractors submersible pump

- 2" hoesetail outlet for convenient use
- Flow rate of up to 290 litres per minute
- Maximum pump height 10 metres
- Twin mechanical seal
- Cast iron impeller for long durable life
- Designed to allow pumping of sandy water

| Item   | Description             | Mfr Ref | Price   |
|--------|-------------------------|---------|---------|
| 813124 | Submersible Pump (110V) | PB55011 | £355.00 |

## Submersible Water Pump 3A

Submersible 110V water pump with 2" outlet

- 2" layflat hose sold separately (823707) suitable for submersible pump
- Output: 450W
- Max Flow: 260 l/min
- Max Head: 11 Mtr
- Electric Source: 110V/50Hz

| Item   | Description             | BT Ref | Price   |
|--------|-------------------------|--------|---------|
| 795634 | Submersible Pump (110V) | 3A     | £199.00 |

## Petrol Water Pump Hoses

Hoses specifically designed for use with surface pumps with a 2" diameter

- 2" Diameter
- Layflat hose for compact storage when not in use
- Robust fittings
- Super strong construction

| Item   | Description  | Diameter | Length | Price  |
|--------|--------------|----------|--------|--------|
| 823707 | Layflat Hose | 2"       | 15Mtr  | £23.00 |

## Petrol Water Pump

Petrol driven 2" water pump offering 600 litre/minute water flow rate with a maximum pumping head height of 28 metre and a 8 metre maximum suction head. Built in a robust carry frame, the water pump features a low oil shut down to help protect the water pump from damage.

- Built in a robust carry frame
- Suitable for agricultural and industrial use
- 7hp Petrol engine
- Tough cast iron impeller

| Item   | Description       | Outlet | Price   |
|--------|-------------------|--------|---------|
| 814155 | Petrol Water Pump | 2"     | £175.00 |

## Petrol Water Pump Hoses

Hoses specifically designed for use with surface pumps with a 2" diameter

- 2" Diameter
- Robust fittings
- Super strong construction

| Item   | Description     | Diameter | UoM   | Price  |
|--------|-----------------|----------|-------|--------|
| 814156 | Water Pump Hose | 2"       | 10Mtr | £29.00 |

## Water Sample Kit

Water sampling kit supplied in a rugged lightweight plastic case. For sampling water in line with UK Environment Agency guidelines which requires the sampling of water from underground structures before de-watering can take place

- Easy to use
- Purpose designed for on-the-spot assessment

| Item   | Description        | Price  |
|--------|--------------------|--------|
| 100033 | Water Sampling Kit | £49.95 |

# Site Equipment

## Site Transformers

Portable power transformer for use with 110V equipment

- Suitable for use with power tools and site lights
- Converts 240V to 110V
- Heavy duty for site use

| Item   | Description      | Rating | Outlets        | Price   |
|--------|------------------|--------|----------------|---------|
| 788585 | Site Transformer | 1.5kVa | 2x 16A         | £49.95  |
| 788586 | Site Transformer | 3.3kVa | 2x 16A         | £52.95  |
| 825162 | Site Transformer | 5kVa   | 2x 16A, 1x 32A | £138.63 |

## Splitter Box

Allows up to four 110V appliances to be run from a single suitably rated power source

| Item   | Description       | Type  | Price  |
|--------|-------------------|-------|--------|
| 788588 | 110V Splitter Box | 4 Way | £22.60 |

## 110V Extension Lead

110V 16A Cable extension lead

- Used to connect 110V equipment to power transformer
- 32A Socket - 16A Plug lead converter 1Mtr available
- Extension Lead 16A 14Mtr available

| Item   | Description        | Price  |
|--------|--------------------|--------|
| 823711 | Converter 16A-32A  | £11.91 |
| 788589 | Extension Lead 16A | £9.95  |

## Commando Plug Splitters

Commando plug splitters for splitting one power source into two separate feeds

- 32A and 16A power splitter
- Length 0.5Mtr

| Item   | Description         | Price  |
|--------|---------------------|--------|
| 800780 | Splitters 16A-2x16A | £16.38 |
| 800781 | Splitters 32A-2x16A | £44.56 |
| 800783 | Splitters 32A-2x32A | £29.07 |

## Site Transformer Accessories

Heavy duty impact resistant commando plugs and sockets for site and industrial use

- IP44 Rated
- Splashproof

| Item   | Description     | Price |
|--------|-----------------|-------|
| 784005 | 230V Plug 16A   | £2.82 |
| 794560 | 230V Plug 32A   | £3.72 |
| 784004 | 230V Socket 16A | £3.01 |
| 794557 | 230V Socket 32A | £3.75 |
| 784002 | 110V Socket 16A | £3.01 |

## Industrial Cable Reels with Thermal Overload Protection

Robust, heavy duty, steel-framed cable reel including thermal overload protection with power reset button

- 2x 240V sockets
- Thermal overload protection
- Max load 13A
- Rewind handle

| Item   | Description           | Length | Price  |
|--------|-----------------------|--------|--------|
| 782657 | Industrial Cable Reel | 25Mtr  | £23.95 |
| 783914 | Industrial Cable Reel | 50Mtr  | £39.05 |

## 110v Industrial Cable Reels

2 socket 110 reel extension

- An open reel extension cable on a metal stand
- Thermal overload and power reset button
- Maximum load 16A

| Item   | Description    | Size | Length | Price  |
|--------|----------------|------|--------|--------|
| 700095 | Extension Reel | 110V | 25Mtr  | £28.93 |

## 12V Vehicle Inverter

A regulated 12V DC-to-AC inverter to power 230V AC equipment up to 150W from a suitable 12V car or lorry battery. It is important to ensure that the power rating of the appliance is less than the continuous power of the inverter

- DC to AC inverter
- 150W Output power
- 10-15V DC input voltage
- 100-240V AC output voltage
- Cigar lighter plug input connector
- Battery low alarm
- Battery low shutdown
- Overload and over temperature protection

| Item   | Description       | Type        | Price  |
|--------|-------------------|-------------|--------|
| 817928 | DC to AC Inverter | 12V to 230V | £34.81 |

## Lithium Polymer Battery Pack

Battery pack suitable for applications where a 12V power source is required and mains power cannot be accessed

- Provides independent power source for routers, at cabinet or at customer premises
- Built in fuel gauge
- Robust ABS casing and soft grip texture
- Safety features include overcharge/over discharge protection and thermal protection
- Supplied with TR8141 cable perfect for BT router (instead of 12V DC female adaptor cable)

| Item   | Description                  | Amp | Price  |
|--------|------------------------------|-----|--------|
| 801697 | Lithium Polymer Battery Pack | 4Ah | £82.25 |

## Standard Alkaline Batteries

Premium quality, high performance alkaline batteries

| Item   | Description         | Volts | UoM      | Price |
|--------|---------------------|-------|----------|-------|
| 819100 | AA (LR6) Battery    | 1.5V  | Pk of 4  | £0.80 |
| 994120 | AAA (LR03) Battery  | 1.5V  | Pk of 10 | £1.05 |
| 993890 | C (LR14) Battery    | 1.5V  | Pk of 10 | £4.06 |
| 993889 | D (LR20) Battery    | 1.5V  | Pk of 10 | £9.64 |
| 819433 | PP3 (6LR61) Battery | 9V    | Pk of 4  | £4.03 |

## Plus Power Alkaline Batteries

These plus power alkaline batteries are high performing and long-lasting for all electronic devices

- AA, AAA, C, D and PP3 available
- Ideal for daily use
- Long shelf life

| Item   | Description          | Volts | UoM     | Price |
|--------|----------------------|-------|---------|-------|
| 788575 | AA (MN1500) Battery  | 1.5V  | Pk of 4 | £2.15 |
| 788580 | AAA (MN2400) Battery | 1.5V  | Pk of 4 | £2.15 |
| 788581 | C (MN1400) Battery   | 1.5V  | Pk of 2 | £2.15 |
| 788582 | D (MN1300) Battery   | 1.5V  | Pk of 2 | £2.15 |
| 788583 | PP3 (MN1604) Battery | 9V    | Each    | £2.15 |

## 6V Zinc Carbon Battery

6V zinc carbon battery 4R25R (PJ996)

- Suitable for a variety of different applications

| Item   | Description         | Volts | Price |
|--------|---------------------|-------|-------|
| 992358 | Zinc Carbon Battery | 6V    | £2.63 |

## SLA Sealed Lead Acid Rechargeable Battery

Sealed lead acid rechargeable battery commonly used in alarm systems, emergency lighting, ride on toys, torches, UPS systems and other electrical systems

- Weight 2.3Kg
- Dimensions 151 mm X 65mm X 98mm
- Capacity 1Ah

| Item   | Description | Voltage | Mfr Ref | Price  |
|--------|-------------|---------|---------|--------|
| 783330 | Battery     | 12V     | NP7-12  | £14.59 |

# Site Equipment

## Steel

Tubular steel shafted solid socket designed for the professional for heavier usage. Contoured tubular steel handles are rotatory welded into the body of the shovel socket for extra strength and rigidity - thus producing a very robust yet lightweight tool for digging. Outperforms the requirements of BS3388 under all tests.

## Polyfibrepro

Solid forged contractors tools offering a high degree of fibreglass strength along with the comfort of a profile moulded PYD hand grip. Injection moulded polypropylene sheathing totally encloses the polyester resin fibreglass core - virtually eliminating the danger of handle breakage and potential injury. PolyFibrePro tool handles will not rot, shrink, dry out or become more susceptible to breakage through periods of inactivity. Outperforms the requirements of BS3388 under all tests.

## Shocksafe

A range of insulated contractors tool providing full conformity to the exacting specifications of 'BS8020: Tools for Live Working'. BS8020:2002 demands full adherence to detailed manufacturing and testing procedures for safe working practices to be maintained by the user when working on or in close proximity to live conductor cables. A specially integrated collar prevents the user's hand slipping onto the steel blade. Every single tool is tested to 10,000 Volts before being uniquely numbered and the issue of certificate, unique to each implement. This ensures total traceability and a guarantee of safety to the user, in a potentially dangerous live-working environment.

## Square Mouth Shovels

Used for shovelling out or concrete mixing, working tarmac and cement, backfilling trenches and manoeuvring ballast. An all round, multi-use shovel

- Also known as Shovel Stoking No2 Square

| Item   | Description         | Type        | Price  |
|--------|---------------------|-------------|--------|
| 825210 | Square Mouth Shovel | Steel Shaft | £13.62 |
| 825211 | Square Mouth Shovel | Polyfibre   | £17.44 |
| 815997 | Square Mouth Shovel | Shocksafe   | £45.73 |

## Trenching Shovels

Often known as a '2-way' in some trades. Used for digging and cleaning out narrow trenches for cable and pipe laying

| Item   | Description      | Type        | Price  |
|--------|------------------|-------------|--------|
| 825214 | Trenching Shovel | Steel Shaft | £13.90 |
| 993367 | Trenching Shovel | Polyfibre   | £17.75 |
| 810630 | Trenching Shovel | Shocksafe   | £44.44 |

## Grafting Spades

Grafting spade with a slightly dished blade and round cutting edge, designed for clay digging and heavy ground breaking

- Also known as Spade Digging

| Item   | Description    | Type         | Price  |
|--------|----------------|--------------|--------|
| 825209 | Grafting Spade | Steel Shaft  | £14.15 |
| 200201 | Grafting Spade | PolyfibrePro | £18.90 |
| 825212 | Grafting Spade | Shocksafe    | £40.00 |

## Taper Mouth Shovels

Preferred by some users as an alternative to the Square Mouth. Used for shovelling out or concrete mixing, working tarmac and cement, backfilling trenches and manoeuvring ballast

| Item   | Description        | Type        | Price  |
|--------|--------------------|-------------|--------|
| 825213 | Taper Mouth Shovel | Steel Shaft | £11.48 |
| 200169 | Taper Mouth Shovel | Polyfibre   | £21.45 |
| 815988 | Taper Mouth Shovel | Shocksafe   | £37.02 |

## Cable Laying Shovels

Often known as a '1-way' in some trades terminology, these spades have been designed for cable and pipe laying with a slim blade that is ideal for digging out narrow trenches

| Item   | Description         | Type         | Price  |
|--------|---------------------|--------------|--------|
| 808411 | Cable Laying Shovel | Steel Shaft  | £18.98 |
| 825215 | Cable Laying Shovel | PolyfibrePro | £17.75 |
| 810631 | Cable Laying Shovel | Shocksafe    | £44.44 |

## Newcastle Drainers

Often referred to and known as a 'grafter' these long blade spades have been designed for digging deep and narrow trenches, channels and post holes

| Item   | Description              | Type         | Price  |
|--------|--------------------------|--------------|--------|
| 825216 | Newcastle Draining Spade | Steel Shaft  | £19.20 |
| 200131 | Newcastle Draining Spade | PolyfibrePro | £20.52 |
| 815985 | Newcastle Draining Spade | Shocksafe    | £46.23 |

## Rabbiting Spades

Traditionally used for digging tight and confined post holes. Longer handles maximise reach and reduce potential user strain injuries, while the rounded corners reduce 'snag ups' and the risk of unwanted damage. Mainly used by fencing contractors, utilities and local councils, the post hole 'rabbit' spade is a versatile contractors favourite

| Item   | Description     | Type        | Price  |
|--------|-----------------|-------------|--------|
| 825217 | Rabbiting Spade | Steel Shaft | £40.00 |
| 200200 | Rabbiting Spade | Fibreglass  | £44.82 |
| 789244 | Rabbiting Spade | Shocksafe   | £56.60 |

## Digging Bars

These digging bars have been specifically designed and are used by telecom contractors, the digging bar is designed to tamper any loose material around tightly fit telegraph poles making them easier to remove or aid packing prior to replacement

| Item   | Description | Type       | Price  |
|--------|-------------|------------|--------|
| 782619 | Digging Bar | Fibreglass | £56.52 |
| 825218 | Digging Bar | Shocksafe  | £80.21 |

## Punner (Half Round)

Also known as a Kidney Punner. Used for consolidating earth, hardcore and tarmac and particularly useful for tampering around lighting columns and telegraph poles

| Item   | Description             | Type       | Price  |
|--------|-------------------------|------------|--------|
| 200313 | Punner Half Moon/Kidney | Fibreglass | £66.57 |
| 825220 | Punner Half Moon/Kidney | Shocksafe  | £91.71 |

## Iron Punnners

Iron punners, also known as square rammers, are used for consolidating earth, hardcore and tarmac. Particularly useful for tampering around lighting columns and telegraph poles but unlike half moon punner, iron punners have a square edge making them useful when close to walls and corners where other punners and machinery would leave a ridge

| Item   | Description | Type        | Price  |
|--------|-------------|-------------|--------|
| 816025 | Iron Punner | Steel Shaft | £17.71 |
| 200312 | Iron Punner | Fibreglass  | £37.46 |
| 825221 | Iron Punner | Shocksafe   | £49.81 |

## Excavating Spoons

Solid forged excavating spoon designed to scoop out loose earth from the bottom of deep trenches and post holes

| Item   | Description      | Type       | Price  |
|--------|------------------|------------|--------|
| 200063 | Excavating Spoon | Fibreglass | £72.92 |
| 825223 | Excavating Spoon | Shocksafe  | £71.25 |

# Site Equipment

## Shovel Hokers

Scissor action post hokers for digging post and pipe holes and clearing rubble and soil from the dug holes around posts or pits. Pointed tip for greater penetration with a carbon steel dished blade for extra strength

| Item   | Description             | Type        | Price   |
|--------|-------------------------|-------------|---------|
| 789245 | Heavy Duty Shovel Hoker | Steel Shaft | £62.69  |
| 200170 | Heavy Duty Shovel Hoker | Fibreglass  | £82.12  |
| 825224 | Shovel Hoker            | Shocksafe   | £114.75 |

## Shocksafe Pickaxe

Chisel/Point Insulated Fibreglass Pick Shaft

- Pultruded fibreglass core with an injection moulded polypropylene outer
- BS Standard 3" x 2" eye
- Tested and made in conformance with BS8020:2011
- Suitable for live working

| Item   | Description | Type      | Price  |
|--------|-------------|-----------|--------|
| 810632 | Pick Axe    | Shocksafe | £35.74 |

## Point Bar (Pointed Crowbar)

Fibreglass handled crowbar with pointed tip

- Diameter 32mm

| Item   | Description         | Type        | Price  |
|--------|---------------------|-------------|--------|
| 100039 | Point Bar (Crowbar) | FibremaxPro | £58.12 |

## Spades

Spades with pressed steel head, corrosion resistant finish and varnished wooden T-handle

- Round-mouth blade for moving rubble, concrete and gravel
- Traditional round head for easy soil penetration
- Overall length 100cm
- Head width 24cm
- Head length 30cm

| Item   | Description       | Mfr Ref | Price |
|--------|-------------------|---------|-------|
| 815568 | Round Mouth Spade | SW100   | £8.41 |

## Chisel & Point Crowbar

Chisel & point crowbar made from high quality steel with hardened tips

- Diameter 30mm

| Item   | Description            | Length       | Price  |
|--------|------------------------|--------------|--------|
| 993364 | Chisel & Point Crowbar | 1524mm (60") | £13.69 |

## Wrecking Bars

Drop forged carbon steel wrecking bars

- Working ends hardened and tempered

| Item   | Description  | Mfr Ref | Length | Price |
|--------|--------------|---------|--------|-------|
| 813623 | Wrecking Bar | WB300   | 300mm  | £1.87 |
| 813624 | Wrecking Bar | WB600   | 600mm  | £3.20 |

## Gorilla Wrecking Bar Set (5pcs)

Gorilla wrecking bar 5 piece set

- Low profile claw for increased prying power
- Wider claw surface for better control
- Made from stamped alloy steel, hardened and tempered with an integral nail puller and polished tips
- 2x Wrecking bars 380mm & 300mm
- 2x Mini utility bars 180mm & 330mm
- 1x Gorilla bar 350mm

| Item   | Description      | Pieces  | Price  |
|--------|------------------|---------|--------|
| 808418 | Wrecking Bar Set | 5 Piece | £26.99 |

## Bow Saw

Tait Tools bow saw with a large, thick steel frame for excellent strength and rigidity

- Soft grip handle with knuckle protection
- Easy blade tensioning
- Supplied with blade protector

| Item   | Description | Mfr Ref | Length | Price |
|--------|-------------|---------|--------|-------|
| 100029 | Bow Saw     | BS600   | 600mm  | £5.24 |

## Distance Measuring Wheel

Durable lightweight and compact distance measuring wheel

- Adjustable handle between 600-950mm long
- Illuminated readout for poor lighting conditions
- Reset facility on milometer
- Capable of measurements up to 9999.9M
- Supplied with a stand and a durable canvas carrying bag.

| Item   | Description              | Price  |
|--------|--------------------------|--------|
| 826589 | Distance Measuring Wheel | £35.99 |

## Distance Measuring Wheel

The professional lightweight measuring wheel from Bosch

- Ease of use with lightweight aluminium frame
- Wheel diameter of 318.5mm
- Rubber tread for use on any surface
- Telescopic

| Item   | Description              | Mfr Ref | Price  |
|--------|--------------------------|---------|--------|
| 814153 | Distance Measuring Wheel | GWM 32  | £59.87 |

## Inspection Recording Camera

The EasyView tradesman inspection camera helps you to quickly and easily find issues in hard to reach places, like under floors, within walls and cavities, in ceilings, roof voids, in drains, chimney, gutters and much more

- 8.5mm low light camera and image enhancement software
- Super bright and adjustable LED light
- 4 times zoom and video recording
- Professional soft carry case
- 1000 photo internal memory with an SD card option

| Item   | Description              | Length | Price  |
|--------|--------------------------|--------|--------|
| 808357 | Record Inspection Camera | 1.5Mtr | £99.95 |

## Cordless Inspection Camera

The Bosch professional range of cordless inspection cameras designed as a compact tool for quick and easy inspection

- 2.7" display
- 320 x 240px resolution
- 1.2Mtr cable camera length
- LED light for lighting poorly lit areas
- Compass view offers a clear spatial orientation
- Comes complete with 4x AA batteries

| Item   | Description                | Model   | Price   |
|--------|----------------------------|---------|---------|
| 818312 | Cordless Inspection Camera | GIC 120 | £176.02 |

# Site Equipment

## Inspection Cameras

Inspection cameras offer a quick and effective solution in fault finding and investigation in most duct and pipework installations

- Features a sprung camera head with integral light source (LED)
- Spooled system allows for inspection across long distances from 30m - 120m
- Outstanding resolution and image clarity
- Record function for better analysis after event
- Innovative coiled inspection system
- V7 includes carry case and monitor, 30m cable wheel and cable, remote control, SD card, glider attachment, car charger and mains adaptor
- V8 includes robust frame and 120m cable, sprung mounted camera head, DVT monitor (with built in battery) SD card, small & large glider attachments, car charger and mains adaptor

| Item   | Description            | Type         | Length | Price    |
|--------|------------------------|--------------|--------|----------|
| 823818 | Duct Inspection Camera | Super Cam V7 | 30Mtr  | £776.00  |
| 787490 | Duct Inspection Camera | Super Cam V8 | 120Mtr | £4999.00 |

## BHB Hydraulic Breakers

Sturdy and reliable breakers designed for working with Altrad Belle hydraulic power packs

- BHB23 Hydraulic breaker is a medium/heavy weight beaker ideal for concrete and asphalt breaking
- BHB27 Hydraulic breaker is a heavy weight beaker with vibration dampened handles for the most demanding applications

| Item   | Description       | Type        | Mfr Ref | Price    |
|--------|-------------------|-------------|---------|----------|
| 816134 | Hydraulic Breaker | Medium Duty | BHB23   | £1059.46 |
| 810615 | Hydraulic Breaker | Heavy Duty  | BHB27   | £1115.50 |

## Hydraulic Breaker Steel Tips

Replacement steels for BHB hydraulic breakers

- Suitable for models BHB25, BHB25X & BHB27

| Item   | Description       | Type                       | Breaker Steel | Collar to Tip | Price  |
|--------|-------------------|----------------------------|---------------|---------------|--------|
| 810618 | Hex Large Chisel  | Fits BHB25, BHB25X & BHB27 | 32mm x 160mm  | 380mm (15")   | £21.29 |
| 810617 | Hex Tarmac Cutter | Fits BHB25, BHB25X & BHB27 | 32mm x 160mm  | 280mm (11")   | £44.29 |

## Hydraulic Power Pack

Hydraulic power packs are the 'economic on-site' power solution, three times more efficient than typical pneumatic power systems

- Extremely portable, fitting in most estate car boot spaces
- Power on demand, the engine idles until power is required
- Low hydraulic oil cutout system stops expensive damage to tools and pumps
- Hydraulic oil level and filter condition gauges
- Supplied with braided siamese hose and non-drip flat-face couplings

| Item   | Description                         | Mfr Ref            | Weight | Height | Width | Length | Price    |
|--------|-------------------------------------|--------------------|--------|--------|-------|--------|----------|
| 810616 | Petrol Hydraulic Power Pack (Honda) | Belle Major 30-140 | 72Kg   | 560mm  | 540mm | 720mm  | £2990.00 |

## Compaction Plate

Compaction plates, also known as 'Wacker Plates' are designed for compaction of soil, sand, grit and loose ground materials in footways, footings and trenches before the final top layer materials are added. Compaction plates can also be used on tarmac to finish the surface

| Item   | Description      | Type          | Mfr Ref | Price    |
|--------|------------------|---------------|---------|----------|
| 810624 | Compaction Plate | 350mm/14 Inch | VP1135A | £1081.88 |

## Trench Rammer

Trench rammers, also known as 'Wackers' are designed for the compaction of soil, sand, grit and loose ground materials in newly dug trenches before the ground is covered and sealed

- Ideal for curbs, gutters, footings, forms, columns, drains, ditches, sewers and trenches
- Shockmount handle system designed to reduce hand-arm vibrations
- Slim design for compaction jobs in narrow trenches

| Item   | Description   | Type         | Mfr Ref | Price    |
|--------|---------------|--------------|---------|----------|
| 810625 | Trench Rammer | 150mm/6 Inch | BS 50-2 | £2248.60 |

# Site Equipment

## Petrol Cut Off Saw

Compact cut off saw with excellent cutting and guide characteristics

- Reduced-emission engine technology
- Manual fuel pump (Purger)
- Pre-separation air filtration system
- Extremely low vibration levels (3.9m/s)
- Semi automatic drive belt tensioning
- For use with 300mm cutting wheel

| Item   | Description        | Power | Mfr Ref     | Price   |
|--------|--------------------|-------|-------------|---------|
| 810626 | Petrol Cut Off Saw | 3.2kW | Stihl TS410 | £690.00 |

## Dust Suppression Water Bottle

10 litre capacity pressurised water container providing a mobile water supply for clean, wet cutting without dust build up

- Recessed grip and stable base
- Extended operating time on each full tank
- Large filling tunnel with cover
- Pressure limit 3 bar
- Comes with coupling as standard

| Item   | Description                   | Mfr Ref | Capacity | Price   |
|--------|-------------------------------|---------|----------|---------|
| 810627 | Dust Suppression Water Bottle | 6706000 | 10Ltr    | £107.15 |

## Diamond Blade Cutting Discs

High quality 300mm cutting discs from Stihl

| Item   | Description  | Type             | Diameter | Price   |
|--------|--------------|------------------|----------|---------|
| 813494 | Diamond Disc | Asphalt Cutting  | 300mm    | £119.00 |
| 813495 | Diamond Disc | Concrete Cutting | 300mm    | £119.00 |

## HA104 Bedding Mortar

Ultibed HA104 is a fast setting and hardening bedding mortar to allow the rapid installation and opening of highway ironwork installations and repairs

- 15 minute working time
- Can be used in wet conditions
- High bond strength
- 5N/mm<sup>2</sup>; tensile strength after 3 hours
- 30N/mm<sup>2</sup>; compressive strength after 3 hours

| Item   | Description    | Size                | Price  |
|--------|----------------|---------------------|--------|
| 819328 | Bedding Mortar | 18.5kg + 2.5Ltr Tub | £29.15 |

## Bedding Mortar HA104 Flowable 18.5Kg + 2.5Ltr Tub

A two component, high performance fluid mortar designed for rapid installation and repairs. Compatible with concrete, brick and stone substrates

- Controlled quick setting
- High early strength
- Easy to use

| Item   | Description    | Size                | Price  |
|--------|----------------|---------------------|--------|
| 819329 | Bedding Mortar | 18.5kg + 2.5Ltr Tub | £29.15 |

## Ultibed Concrete 25kg Bag

Rapid setting high performance concrete designed for permanent installation and repair to concrete structures, highways and back fill applications

- Contains no chlorides
- Shrinkage compensated in both the plastic and hardened states
- Containing special cements and graded aggregates
- Ideal for backfill of carriage-way ironwork

| Item   | Description      | Size     | Price  |
|--------|------------------|----------|--------|
| 819330 | Ultibed Concrete | 25Kg Bag | £11.49 |

## Ultibed Flowing Concrete 25kg Bag

Ultibed flowing concrete is a rapid setting high performance flowable concrete designed for permanent installation and repair to concrete structures, highways and backfill applications

- No special curing requirements
- Can be used at temperatures as low as 10°C
- Open to pedestrian traffic in 45 minutes and vehicle traffic after 90 minutes
- Shrinkage compensated

| Item   | Description              | Size     | Price  |
|--------|--------------------------|----------|--------|
| 819331 | Ultibed Flowing Concrete | 25Kg Bag | £11.49 |

## 40N Quick Set Concrete

Quick set 40N concrete is a high performance quick-setting concrete ideal for the fast and efficient installation of posts, signs and other highways furniture

- 40N/mm<sup>2</sup> final compressive strength
- Easy to use, pre-blended component product - just add water & mix

| Item   | Description            | Pack Size | Price |
|--------|------------------------|-----------|-------|
| 819332 | 40N Quick Set Concrete | 25Kg Bag  | £7.93 |

## 40N Flowing Concrete 25kg Bag

Flowing 40N concrete is a high performance flowable concrete suitable for general concreting applications and is the perfect solution where site access is limited and bulk concrete cannot be delivered

- Flowable & self compacting
- 40N/mm<sup>2</sup> final compressive strength
- Easy to use, pre-blended, one component product - just add water & mix

| Item   | Description          | Size     | Price |
|--------|----------------------|----------|-------|
| 819333 | 40N Flowing Concrete | 25Kg Bag | £7.93 |

# Site Equipment

## Edgmaster Bitumin Seal & Tack Coat 750ml Aerosol

Ultrapatch Edgmaster is an emulsion based bituminous aerosol designed to complement Tarmac's Ultrapatch highway repair and reinstatement range

- Adheres to ironwork, concrete and bituminous substrates enabling even the smallest repairs to be completed effectively
- Can be applied in all weathers
- Seals cracks instantly
- Provides a durable, long lasting finish

| Item   | Description              | Size  | Price |
|--------|--------------------------|-------|-------|
| 804131 | Edgmaster Bitumin Sealer | 750ml | £7.13 |

## Over-Banding Tape

Tarmac over-banding tape is a quick and efficient way of applying high quality thermoplastic preformed overbanding tape to seal joints in asphalt surfaces, preventing water ingress and associated frost damage

- Use to prolong the life of the asphalt repair
- Has anti-skid grain already premixed meaning no additional drop on material required
- Can be trafficked in 10 minutes to minimise road closure times

Length  
5Mtr

| Item   | Description       | Width | Depth | Price  |
|--------|-------------------|-------|-------|--------|
| 819335 | Over-Banding Tape | 35mm  | 3mm   | £11.22 |

## Instant Road Repair

Cold lay asphalt concrete for permanent repairs in footways, footpaths and cycle tracks

- 6mm grade - for permanent repairs in footways, footpaths and cycle tracks
- 10mm grade - for permanent repairs in type 3 & 4 roads
- HAPAS Approved since 2002
- Can be used in all weathers
- No waste - resealable tubs
- Use with SCJ for a permanent repair

| Item   | Description                | Volume      | Price  |
|--------|----------------------------|-------------|--------|
| 809073 | Instant Road Repair 6mm    | 25Kg Bucket | £12.45 |
| 817891 | Instant Road Repair 10mm   | 25Kg Bucket | £12.45 |
| 817892 | SCJ Seal & Tack Coat Spray | 750ml       | £9.79  |

## Crayon Marker

Crayon markers for use on most materials including concrete, metals, ceramics and timbers

- Great for marking concrete, timber and metals
- Suitable for use on oily, wet and dry surfaces
- Bright yellow marking

| Item   | Description   | Uom  | Price |
|--------|---------------|------|-------|
| 300039 | Crayon Marker | Each | £0.95 |

## Survey Spray Line Marking Paint Aerosol

A high quality, fast drying and hard wearing acrylic marking paint for use on concrete, tarmac, woods and composites

- Lead and xylene free formulation
- Unique spray head imparts a narrow spray pattern allowing letters and numbers to be marked accurately and legibly
- Volume 750ml

| Item   | Description              | Colour | Price |
|--------|--------------------------|--------|-------|
| 300152 | Spray Line Marking Paint | Blue   | £3.55 |
| 300153 | Spray Line Marking Paint | Green  | £3.55 |
| 300154 | Spray Line Marking Paint | Red    | £3.55 |
| 300155 | Spray Line Marking Paint | White  | £3.55 |
| 300156 | Spray Line Marking Paint | Yellow | £3.55 |

## Galvanised Wheelbarrow

Lightweight galvanised steel wheelbarrow ideal for a wide range of light construction applications

- Constructed with strong tubular steel frame and rubber gripped handles
- Fitted with a pneumatic tyre

| Item   | Description | Type       | Volume | Price  |
|--------|-------------|------------|--------|--------|
| 810647 | Wheelbarrow | Galvanised | 65Ltr  | £39.20 |

## Galvanised Steel Buckets

A selection of steel buckets ideal for use on site

- Robust galvanised steel
- Available in 7Ltr (1.5 Gallon) & 12Ltr (2.5 Gallon)

| Item   | Description             | Volume | Price |
|--------|-------------------------|--------|-------|
| 200070 | Galvanised Steel Bucket | 7Ltr   | £5.80 |
| 823689 | Galvanised Steel Bucket | 12Ltr  | £5.82 |

## Plastic Bucket

General purpose plastic bucket

- Ergonomic steel carrying handle
- Plastic grip for comfort
- Pouring spout for convenience

| Item   | Description    | Volume           | Price |
|--------|----------------|------------------|-------|
| 795620 | Plastic Bucket | 14Ltr (3 Gallon) | £1.09 |

## Heavy Duty Polyethylene Flex Tub

Strong and durable tubs

- Lightweight, heavy-duty polyethylene, flexible tub features super-strong comfortable handles and is ideal for solids and fluids

| Item   | Description    | Volume           | Price |
|--------|----------------|------------------|-------|
| 810645 | Plastic Bucket | 28Ltr (6 Gallon) | £6.26 |

## Rubber Bucket

Rubber bucket for use on site

- 14Ltr (3 Gallon) capacity

| Item   | Description   | Volume           | Price |
|--------|---------------|------------------|-------|
| 990086 | Rubber Bucket | 14Ltr (3 Gallon) | £3.95 |

## Dustbin

Heavy duty standard dustbin with lid

- Complete with carrying handles either side

| Item   | Description     | Capacity | Price  |
|--------|-----------------|----------|--------|
| 810644 | Plastic Dustbin | 90Ltr    | £12.61 |

## Sealable Container

Handy jerry can supplied with tap

- 10Ltr capacity

| Item   | Description      | Volume | Price |
|--------|------------------|--------|-------|
| 790593 | Bottle Polythene | 10Ltr  | £9.31 |

## Water Containers

Polythene water container

- Polythene water container comes complete with screw cap for easy access/containment of the contents inside
- Carrying handle on top

| Item   | Description     | Volume | Price |
|--------|-----------------|--------|-------|
| 792649 | Water Container | 10Ltr  | £4.87 |
| 795700 | Water Container | 25Ltr  | £8.73 |

# Site Equipment

## Bricklayers Trowel

Bricklayers trowel for general purpose brickwork

- Wooden handle

| Item   | Description       | Size  | Price |
|--------|-------------------|-------|-------|
| 993266 | Bricklayer Trowel | 250mm | £2.20 |

## Pointing Trowel

Small bladed trowel designed for use in forming brick joints and repairing or replacing weathered joints

- High quality steel blade, with London pattern
- The soft-grip handles provide excellent comfort
- Size: 150mm (6 inch)

| Item   | Description     | Size  | Price |
|--------|-----------------|-------|-------|
| 200141 | Pointing Trowel | 150mm | £2.86 |

## Draper Gauging Trowel

A gauging trowel made by Draper, with a carbon steel blade that's hardened and tempered for added strength with a protective lacquer finish applied

- Soft grip handle provides comfort to the user even when used for prolonged periods

| Item   | Description    | Length | Price |
|--------|----------------|--------|-------|
| 787148 | Gauging Trowel | 175mm  | £3.67 |

## Gardening Trowel

Garden style hand trowel

- Soft grip handle

| Item   | Description           | Overall Length | Price |
|--------|-----------------------|----------------|-------|
| 440016 | Gardening Hand Trowel | 120mm          | £3.73 |

## Plastering Trowel

Lightweight and sturdy plasterers finishing trowel

- 120mm x 280mm
- Tempered carbon steel blade
- ABS plastic handle for comfort

| Item   | Description       | Width | Length | Price  |
|--------|-------------------|-------|--------|--------|
| 100314 | Plasterers Trowel | 120mm | 280mm  | £14.79 |

## Edging Trowel

Edging trowel for applying a rounded finished edge to concrete and render

- The carbon steel blade with one long curved edge is fitted with a full sized soft-grip handle for user comfort
- Blade size: 280mm x 120mm

| Item   | Description   | Size  | Price |
|--------|---------------|-------|-------|
| 810623 | Edging Trowel | 280mm | £8.73 |

## Brooms With Handles

A selection of brooms with handles for various applications

- Supplied with handle
- Soft and hard brush types available

| Item   | Description | Style         | Width | Price |
|--------|-------------|---------------|-------|-------|
| 600008 | Broom       | Soft Coco     | 12"   | £3.25 |
| 810634 | Broom       | Soft Coco     | 18"   | £8.98 |
| 810633 | Broom       | Stiff Bassine | 18"   | £9.97 |

## Hand Brush

A stiff bristle hand brush

- Wooden handle and tough bristles

| Item   | Description | Length | Price |
|--------|-------------|--------|-------|
| 782626 | Hand Brush  | 27.9cm | £1.45 |

## Dust Pans

Traditional style dust pan with pressed steel head and raised shoulders to eliminate spillages

- Large pressed steel head
- Durable hardwood handle
- Raised shoulders to eliminate spillages
- Multiple uses indoors and out

| Item   | Description    | Length | Price |
|--------|----------------|--------|-------|
| 200003 | Metal Dust Pan | 230mm  | £3.71 |

## Dust Pan & Brush

A standard, plastic hand dust pan and brush

- Available in blue
- Soft bristle brush

| Item   | Description          | Price |
|--------|----------------------|-------|
| 782660 | Dust Pan & Brush Set | £1.09 |

## Wire Brush

Wooden handled wire brushes

- Ideal for cleaning dirt, mud and debris from work tools after use

| Item   | Description | Size  | Length | Price |
|--------|-------------|-------|--------|-------|
| 993255 | Wire Brush  | Small | 20cm   | £3.55 |
| 993259 | Wire Brush  | Large | 32cm   | £1.80 |

## Cotton Dust Sheet

100% Cotton twill dust sheet

- Cotton dust sheet absorbs spills and protects from dust

| Item   | Description | Width | Depth | Price |

## Heavy Duty Rubble Sacks

Heavy duty rubble sacks suitable for disposing of sand, gravel, rubble and general building waste. These builders bags are reusable and recyclable

- Thickness: 440 gauge
- Size: 500 x 760mm

| Item   | Description             | UoM       | Price  |
|--------|-------------------------|-----------|--------|
| 812757 | Heavy Duty Rubble Sacks | Pk of 100 | £22.67 |

## Tools Lighting

CK T9410 120 lumens LED pocket inspection light

- 180° rotating magnetic pocket clip
- Water & dirt resistant, tested to IP64
- Battery life: 8hrs
- Size: 160 x 26mm

| Item   | Description             | Lumens | Price |
|--------|-------------------------|--------|-------|
| 796317 | Pocket Inspection Light | 120    | £3.95 |

## COB LED Torch

COMTEC ▶

A dual function COB LED torch with pocket clip

- Direct LED beam on the end with powerful COB light built in to the handle
- Useful fixing magnet on one end
- Length 167mm
- Requires 3x AAA batteries not included. See pg 115

| Item   | Description             | Power | Lumens | Price |
|--------|-------------------------|-------|--------|-------|
| 809300 | Pocket Inspection Light | 1W    | 120    | £2.75 |

## Rubber Torch

Heavy duty rubber torch with carry strap

- Bright 3 x LED beam
- Carry strap
- Long life LED technology
- Requires 2x D batteries (not included) See pg 115
- Size: 10" (25cm)

| Item   | Description  | Price |
|--------|--------------|-------|
| 990154 | Rubber Torch | £2.95 |

## LED Torch

SEALEY

- Powerful 5W XPG Cree LED directional torch
- Extending out the shaft reveals a 3W COB LED
- Strong magnet in the base allows for hands free use
- Requires 4x AAA batteries (not included) See pg 115

| Item   | Description             | Price  |
|--------|-------------------------|--------|
| 819945 | Aluminium Sliding Torch | £14.05 |

## ATEX Torches & Flashlights

The Unilite ATEX range has been designed to be an intrinsically safe range of LED flashlights and torches featuring high powered CREE LEDs

- High powered CREE LEDs
- ATEX zone O gas compliant
- ATEX-FL4 IP67 rated, 3m submersible
- ATEX-RA2 IP54 rated, water resistant

| Item   | Description       | Lumens | Price  |
|--------|-------------------|--------|--------|
| 797629 | Flashlight        | 150    | £29.95 |

## Rechargeable Hand Light

NOVA-TECH

Nova-Tech rechargeable hand light with tilt function and magnetic base

- 260 lumen power
- 120m light distance
- 3 hour runtime
- 2 in 1 light
- USB rechargeable
- Car charger included
- 90 degree rotation
- Built-in hanging hook

| Item   | Description             | Price |
|--------|-------------------------|-------|
| 823024 | Rechargeable Hand Light | £9.95 |

## 1W LED Head Torch

NOVA-TECH

LED 1 watt head torch with 4 modes

- Ultra-bright white (60 Lumens)
- Low power white (30 Lumens)
- Dual red (10 Lumens)
- Flashing dual red (10 Lumens)
- Requires 3x AAA batteries (not included) See pg 115

| Item   | Description       | Price |
|--------|-------------------|-------|
| 804029 | Helmet/Head Torch | £3.88 |

## 3W Head Torch

NOVA-TECH

3W LED head torch with a non-slip rubberised strap

- 4 White light modes; full main beam, 50% main beam, full side lights, S.O.S. flashing
- 120 Lumens
- Upto 120 hour runtime
- Weather resistant IP6
- Requires 3x AAA batteries (not included) See pg 115

| Item   | Description       | Price |
|--------|-------------------|-------|
| 821534 | Helmet/Head Torch | £6.79 |

## COB LED Worklamp

20W Rechargeable LED worklamp, supplied with both 240V mains charger and 12V vehicle charger

- Built-in LED lamp
- Battery lifespan: 500 times charging and discharging
- Number of switching cycles: 15,000
- Tilts up and down with 360 rotation
- Li-ion rechargeable battery
- Insulated grip handle
- Safety glass cover
- Luminous Flux: 1500lm
- Beam Angle: 120
- IP Rating: IP65
- Mains Supply: 240Vac
- Car Charger: 12V dc

| Item   | Description | Type         | Lumen | Price  |
|--------|-------------|--------------|-------|--------|
| 814968 | Worklamp    | Rechargeable | 1600  | £33.95 |

## COB LED Worklamp

Expert quality LED worklamp, produces a ultra-bright light output (10W = 800 Lumens, 20W = 1600 Lumens)

- Internal Li-ion battery and low energy COB LED consumption
- Produces very little heat making it ideal for use in confined spaces
- Supplied with 230V wall charger and 12V car charger

| Item   | Description               | Lumen | Voltage | Price  |
|--------|---------------------------|-------|---------|--------|
| 814609 | Twin Worklamp with Tripod | 1300  | 110V    | £45.66 |

## Amber Warning Light Beacon

Flashing beacon light

- Uses car 12V power

| Item   | Description                | Type     | Lead Length | Price  |
|--------|----------------------------|----------|-------------|--------|
| 813616 | Amber Warning Light Beacon | Rotating | 4.4Mtr      | £29.50 |

**Twin MT645 Mobile Radios**

The Cobra MT645 walkie talkie two way radios come complete with charger and batteries, making it ideal for leisure and business activities. This radio supersedes the best selling Cobra MT600 walkie talkie radio. PMR446 communication is free and can be used everywhere in Europe. It can be used to communicate with all other PMR446 walkie talkie radios that are within range

- Up to 8km range - terrain permitting
- Roger beep (selectable on/off)
- Call alert
- USB charging capable
- Box contains: 2x PMR Radios, 2 sets of rechargeable Ni-MH batteries, 1x USB charge lead, user manual, belt clips

| Item   | Description  | Mfr Ref | UoM  | Price  |
|--------|--------------|---------|------|--------|
| 808363 | Mobile Radio | MT645   | Pair | £44.72 |

**Adventure AM1035 FLT 12km Floating 2-Way Radios**

Walkie talkie set with rubberised grips for enhanced grip and built-in LED flashlight to keep you on the go. VibrAlert notifies you of incoming transmissions by vibrating

- Provides extended signal range up to 12km with 968 channel combinations
- Floating
- Water resistant
- VOX - Voice activated transmission (hands free)
- VibrAlert - Enhanced vibrating feedback to notify you of incoming transmissions
- Built-in LED flashlight
- 2 Pack PMR Radios
- Height: 191mm
- Width: 61mm
- Depth: 38mm
- Rechargeable AA batteries included

| 820973 | Utility Harness | Front, Rear and Side D | RGH11   | XL       | 54 - 58" | 48 - 52" | 56 - 60" | £97.00 |

## RGL11 Kernmantle Rope Lanyard & Shock Absorber

Lanyards fitted with a standard shock absorber pack

- Made with 11 mm kernmantle rope
- Has an arrest force of <6 kN
- Accredited to EN 354:2010, EN 355:2002
- Rope has resistance to some alkalis, oil and organic solvents
- To be used when the operative is working from a static position

| Item   | Description                              | Mfr Ref | Price   |
|--------|--|---------|---------|
| 820967 | Kernmantle Rope Lanyard & Shock Absorber | RGL11   | £105.00 |

## RGP11 Pole Utility Strap

RGP11 multi-purpose pole strap specifically designed with a controlled release adjuster buckle to ensure safe operation and adjustment. As with the other pole straps, it should be clipped to the side D rings of a harness or work positioning belt. It can also be used individually if required. The twisted snap hook and two part triangle / karabiner ensures flat surface contact with pole whilst working

- Fully approved & extensively used by BT
- Double action safety hook on adjustable end
- Material: 43mm polyester webbing 3000Kg
- 75mm Webbing abrasion pad
- Weight 0.95kg
- Accredited to EN 358:1999

| Item   | Description        | Fixing        | Mfr Ref | Price  |
|--------|--------------------|---------------|---------|--------|
| 820966 | Utility Pole Strap | Multi Purpose | RGP11   | £92.50 |

## RGL2+RGK11 Kernmantle Rope Lanyard & Shock Absorber with Scaffold Hook

RGL2 lanyard using 11 mm Kernmantle rope which has machine stitched connection eyes at each end and is fitted with a standard shock absorber

- 11 mm Kernmantle rope
- Fitted with shock absorber pad
- Has an arrest force of <6 kN
- Accredited to EN 354:2010 & EN 355:2002
- Max weight 130Kg

| Item   | Description                              | Mfr Ref      | Price  |
|--------|--|--------------|--------|
| 803027 | Kernmantle Rope Lanyard & Shock Absorber | RGL2 + RGK11 | £55.00 |

## Scafftag Microtag

Scafftag Microtag solutions offer equipment tagging to improve safety in the workplace. Each tag ensures all important information is clearly displayed

- Available for scaffolding, mobile towers, ladders, podiums, steps, stools and harnesses
- Multiple colour options available

| Item   | Description | Type                     | Colour | Price |
|--------|-------------|--------------------------|--------|-------|
| 820320 | Microtag    | Next Inspection Date Due | Blue   | £2.25 |

| 804903 | Microtag    | Harness Insert           | Green  | £2.25 |

# Site Equipment

## EVO2 Safety Helmet

The EVO2 Comfort Plus helmet combines a super strong shell for superior all day protection in the widest range of environments, with the comfort benefits of the 3D adjustment harness system

- Tough HDPE shell. In tests the EVO2 proved far tougher than the EN397 standard required and far tougher than any of its competitors
- Supreme comfort with a 6-point polyethylene cradle harness system
- Chamlon sweatband with an Egyptian cotton core and porous PU coating for maximum sweat absorption. PH neutral and dermatologically tested
- 3D precision fitting using the unique 1-2-3 point harness depth settings
- One hand adjustment via the OneTouch slip ratchet
- Universal slots enables firm fitting of a range of Surefit safety visors and ear defenders
- Extra large area for logos on the front, sides, and rear
- Optional chinstrap available to purchase separately

| Item   | Description                   | Type             | Other  | Price |
|--------|-------------------------------|------------------|--------|-------|
| 794824 | EVO2 Safety Helmet            | c/w Slip Ratchet | Vented | POA   |
| 811212 | Deluxe Chinstrap with Chincup | Elasticated      | -      | POA   |

## EVOLite Skyworker Safety Helmet

The EN12492 compliant EVOLite Skyworker helmet has a suspension system and shell structure designed for industrial, mountaineering, rescue and leisure activities

- Strong light shell that conforms to the mandatory shock absorption and penetration requirements of EN397 industrial standard
- E.P.S liner for side, front and rear impact protection
- 6-Point terylene comfort harness with revolution wheel ratchet and 3D adjustment
- 4-Point fully adjustable chinstrap with quick release buckle
- Universal slots enabling firm fitting of a range of Surefit safety visors and ear defenders
- Extra large area for logos on the front, sides, and rear
- CR2 reflectivity option available to provide extra safety when working in low-light conditions

| Item   | Description           | Price |
|--------|-----------------------|-------|
| 820988 | EVOLite Safety Helmet | POA   |

## Surefit Helmet Visor

Offers protection against medium energy high-speed particles at 120 m/s (270 mph), liquid droplets and molten metal

- Material - Polycarbonate
- Visor depth: 20cm
- Conforms with EN166 1.B.3.9

| Item   | Description       | Price |
|--------|-------------------|-------|
| 820997 | Replacement Visor | POA   |

## VisiLite EVOLite LED Safety Helmet Light

Helmet mounted LED light designed for use with JSP EVOLite safety helmets. It creates an orange LED band around the circumference of the helmet

- Orange light

| Item   | Description         | Price |
|--------|---------------------|-------|
| 820998 | Safety Helmet Light | POA   |

## Chamlon Safety Helmet Sweatband

Chamlon sweatband for EVO range of safety helmets

- Suitable for EVOLite Skyworker and EVO 2 safety helmets

| Item   | Description      | Price |
|--------|------------------|-------|
| 820999 | Helmet Sweatband | POA   |

## Sonis 1 Ear Defenders

Sonis 1 ear defenders are available in 2 styles, headband and helmet mounted

- Rated at SNR 27 (headband version), SNR 26 (helmet mounted version)
- Moderate industrial noise
- Green - low attenuation small cup 80-107 dB
- Can also be printed with a company logo for improved brand recognition and to discourage theft (MOQ's apply)

| Item   | Description   | Type           | Price |
|--------|---------------|----------------|-------|
| 820991 | Ear Defenders | Helmet Mounted | POA   |
| 820990 | Ear Defenders | Overhead       | POA   |

## Sonis 2 Ear Defenders

The Sonis 2 Ear Defenders are headband style. Working with a leading UK acoustic engineering research facility these top specification ear defenders peak at an unbeaten 31 SNR. Suitable for use in areas where substantial industrial noise is present, these products provide the optimum cushion pressure and comfort

- Rated at SNR 31
- Suitable for substantial industrial noise
- Yellow - Medium attenuation medium cup 107-111 dB
- The sealing rings are easy to replace

| Item   | Description   | Type     | Price |
|--------|---------------|----------|-------|
| 820994 | Ear Defenders | Overhead | POA   |

## Sonis 3 Ear Defenders

The Sonis 3 Ear Defenders are available in 2 styles, headband and helmet mounted. Suitable for use in areas where extreme industrial noise is present, these products provide the optimum cushion pressure and comfort

- Rated at SNR 36 (helmet mounted), SNR 37 (overhead)
- Suitable for extreme industrial noise
- Red - High attenuation large cup 112-117dB

| Item   | Description   | Type           | Price |

## Force 8 Half-Mask Respirator

The Force 8 half-mask respirator from JSP features a twin cartridge TYPHOON valve system which offers superior low breathing resistance and a 4-point suspension harness with quick release buckles. The mask accepts the full range of low profile Force 8 filters, providing protection against particulates, many gases and vapours

- Available in three sizes for a superior fit to most face shapes
- 4-Point suspension harness with quick release buckles
- Low resistance exhalation valve for easy breathing with stable mask configuration.

Made from silicone it performs well at very low temperatures

- Accepts the full range of low profile Force 8 filters

## Topaz Handling Gloves

Topaz gloves feature a polycotton shell teamed with a textured latex palm

- Conforms to EN 388 levels 2-2-4-2
- Polycotton glove
- Latex palm
- Textured grip
- Ribbed knit wrist
- Enhanced tear resistance
- Suitable for baggage handling, construction, disposal operations, gardening, general handling, general maintenance

| Item   | Description           | Size  | UoM  | Price |
|--------|-----------------------|-------|------|-------|
| 300035 | Topaz Handling Gloves | Large | Pair | £1.02 |

## Gripper Gloves

Knitted cotton gloves with criss-cross non-slip grip

- Elasticated wrists
- Size large (fits most hands)

| Item   | Description           | UoM  | Price |
|--------|-----------------------|------|-------|
| 784737 | Yellow Gripper Gloves | Pair | £0.92 |

## Nitrile Coated Gloves

Nitrile coated gloves with Kevlar and polycotton mixed liner

- Combines excellent grip with high abrasion, chemical and cut resistance
- Ideal for handling small, sharp and pointed objects or parts
- One size fits all

| Item   | Description    | UoM  | Price |
|--------|----------------|------|-------|
| 784894 | Nitrile Gloves | Pair | £6.42 |

## Nylon Gloves

Nylon glove coated with nitrile

- Suitable for assembly work and handling small/delicate machine parts
- Very dextrous, ideal for technicians
- One size fits all

| Item   | Description  | UoM  | Price |
|--------|--------------|------|-------|
| 784895 | Nylon Gloves | Pair | £1.85 |

## PVC Gloves

Waterproof PVC gloves with cotton reinforcing and elasticised wrist

- One size fits all

| Item   | Description | Type               | UoM  | Price |

## Knitted Gloves

Knitted gloves ideal for outside work and keeping fingers and hands warm during cold weather. Can be worn under other gloves for added warmth and comfort

- Acrylic knit outer material
- Hardwearing
- Soft inner Insulatex lining gives warmth and support
- Knit gauge 9 for shape retention
- Knitted cuff for comfort and warmth

| Item   | Description              | Type       | UoM  | Price |
|--------|--------------------------|------------|------|-------|
| 823831 | Knitted Insulatex Gloves | Fingerless | Pair | £3.43 |

## Insulated Lined Beanie Hat

High-performance cold-weather hat with an insulated microfibre lining for extra warmth retention

- One size fits all
- Windproof fine-knit acrylic fabric

| Item   | Description                | Price |
|--------|----------------------------|-------|
| 823832 | Insulated Lined Beanie Hat | £3.29 |

## Bi-Fold Kneeling Mat

A jointers and service engineers kneeling mat

- Can be folded for double cushion protection
- Lightweight and foldable compact design
- Resistant to most oils and chemicals

| Item   | Description          | Price |
|--------|----------------------|-------|
| 823702 | Bi-Fold Kneeling Mat | £5.77 |

## Kneeling Pad

Handy polyfoam kneeling pad to provide improved comfort whilst kneeling either indoors or outdoors

- Quick fix knee protection
- Hard wearing
- Reduces knee and back strain
- Integral carry handle
- Dimensions 18.5cm W x 2cm D x 40cm L

| Item   | Description  | Mfr Ref | Price |
|--------|--------------|---------|-------|
| 789893 | Kneeling Pad | KP05    | £5.77 |

## Knee Pad Inserts

Pressed foam knee pad inserts designed for use with work trousers and coveralls

- Help to reduce the pressure/strain on the knees
- Supplied in pairs

| Item   | Description                  | UoM  | Price |
|--------|------------------------------|------|-------|
| 794497 | Lightweight Knee Pad Inserts | Pair | £4.00 |

## Lightweight Knee Pads

Lightweight moulded kneepad with ribbed kneeling surface

- Coolmax lining wicks away moisture

| Item   | Description           | UoM  | Price |

## Continuous Duct Rods

High quality glass fibre reinforced helically wound epoxy rod giving good adhesion properties for the outer polyethylene coating. This construction gives excellent bending elasticity which makes it ideal for short to long installations into ducts. It is an ideal and fast way of installing draw ropes and winch ropes into ducts, ready for cable pulling operations

- Continuous rod on a free standing frame, featuring guide rings and reel brake
- Supplied on a free standing frame for easy handling
- Zinc plate finish
- Rod comes complete with guide tips
- 4mm rod supplied on 40cm x 25cm x 46cm frame
- 6mm rod supplied on 52cm x 26cm x 57cm frame
- 9mm rod supplied on 92cm x 46cm x 103cm frame
- 11mm rod supplied on 115cm x 52cm x 105cm frame
- 14mm rod supplied on 127cm x 52cm x 130cm frame

## Duct Rod Pusher

The duct rod pushers are designed to assist in rodding operations

- Spring loaded self-centring fail safe operating lever
- Measuring counter with reset lever
- Anti crush control to prevent damage to rod
- For use with duct rods upto 14mm
- Weight 53kg
- Duct rod pusher used in conjunction with hydraulic power pack (797743)

| Item   | Description          | Price |
|--------|----------------------|-------|
| 825579 | Duct Rod Pusher      | POA   |
| 797743 | Hydraulic Power Pack | POA   |

## Duct Rod Repair Kits

Duct rod repair kit to repair breakage's to conduit rod. The fitting is used with ADH1 adhesive which is included in the kit

1 Rod & Glue Included In Kit

| Item   | Description         | Rod Size | Price  |
|--------|---------------------|----------|--------|
| 794853 | Duct Rod Repair Kit | 4mm      | £8.25  |
| 794854 | Duct Rod Repair Kit | 6mm      | £9.90  |
| 992795 | Duct Rod Repair Kit | 9mm      | £12.25 |
| 992750 | Duct Rod Repair Kit | 11mm     | £13.50 |

## Flexible Duct Leaders

Spring type flexible leader for use with 9mm and 11 mm continuous rods

| Item   | Description                    | Price  |
|--------|--------------------------------|--------|
| 803622 | Flexible Guide Tip Wire Rope   | £42.08 |
| 992471 | Flexible Guide Tip with Spring | £14.31 |
| 803621 | Flexible Leader Rod            | £29.10 |

## Duct Rod Guided Tips

Duct rod guided tips to guide the rod through the duct. The eye allows pulling rope to be attached to the rod

- Suitable for 4mm, 6mm, 9mm, 11mm & 14mm duct rod

| Item   | Description               | Type         | Price |
|--------|---------------------------|--------------|-------|
| 993156 | Duct Rod 4 & 6mm          | Bullet Style | £8.95 |
| 795476 | Duct Rod 6mm, 9mm & 11mm  | Bullet Style | £9.95 |
| 993157 | Duct Rod 11mm             | Bullet Style | £4.25 |
| 794855 | Duct Rod 9mm, 11mm & 14mm | Ball Style   | £9.90 |

## Duct Rod U-Shackle

U-shackle for use with duct rod guided tips when a larger pulling eye is required

- Suitable for 9mm, 11mm & 14mm duct rod

| Item   | Description        | Price  |
|--------|--------------------|--------|
| 794856 | Duct Rod U-Shackle | £12.95 |

## Brass End Fittings

Brass end fittings for use with continuous duct rod. Threaded end allows the connection of other rod accessories

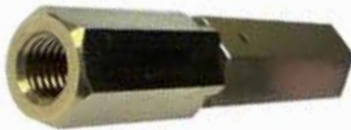

| Item   | Description                | Rod Size | Price  |

| 794851 | Duct Rod Brass End Fitting | 4mm      | £4.55  |
| 794852 | Duct Rod Brass End Fitting | 6mm      | £4.70  |
| 990088 | Duct Rod Brass End Fitting | 9mm      | £4.90  |
| 990094 | Duct Rod Brass End Fitting | 11mm     | £7.20  |
| 800903 | Duct Rod Brass End Fitting | 14mm     | £10.90 |

## Duct Rod Swivel Connector

Used to extend single rod when the rod is not long enough for the duct length that is being rodded

- Enables two rods to be screwed together
- Suitable for use with 9mm, 11mm & 14mm rod
- An ideal accessory to have in the van

| Item   | Description      | Mfr Ref | Price  |
|--------|------------------|---------|--------|
| 824193 | Swivel Connector | M342/4  | £14.55 |

## BT PVC Duct Rods

**BEST SELLER**

Rigid PVC duct rods available in 2m and 3m with ferret latch mechanism

- The joint is commonly known as the ferret type which operates on the principles of a spring loaded pin engaging into a mating hole.

| Item   | Description | Diameter | Length | Price  |
|--------|-------------|----------|--------|--------|
| 991963 | Duct Rod 1  | 15/16"   | 3Mtr   | £14.29 |
| 200154 | Duct Rod 2  | 15/16"   | 2Mtr   | £12.79 |
| 991964 | Duct Rod 5  | 1/2"     | 2Mtr   | £6.40  |

## BT Coiled Duct Rod

- Also known as BT Duct Rod 3
- Please note, these can be supplied in black or yellow

| Item   | Description   | Diameter | Length | Price   |
|--------|---------------|----------|--------|---------|
| 794789 | Duct Rod No.3 | 15/16"   | 250Mtr | £326.60 |

## Rod Sweep Plier

Pliers for assembling and disassembling sweeping rods used in cleaning cable ducting

| Item   | Description     | Price  |
|--------|-----------------|--------|
| 821822 | Rod Sweep Plier | £28.53 |

# External Cabling

## BT Duct Rod Coupling Up Pieces

Two-part marrying sets for joining duct rods within the duct

- 200127 - Also known as BT Coupling 1

Coupling 1

- 991965 - Also known as BT Coupling 2

Coupling 2

| Item   | Description      | Size   | Diameter | Price  |
|--------|------------------|--------|----------|--------|
| 200127 | Duct Rod Coupler | Small  | 13/8"    | £46.00 |
| 991965 | Duct Rod Coupler | Medium | 17/8"    | £50.00 |

## BT Rod Attachment 1A

A rod leader and follower with a male thread for use on the female end of Rod Duct 5

- Also known as BT Attachment Rod 1A
- Used in cable and draw rope pulling

| Item   | Description       | Diameter | Price |
|--------|-------------------|----------|-------|
| 992274 | Attachment Rod 1A | 1/2"     | £7.25 |

## BT Rod Attachment 2A

A leader and follower with a female thread for joining to the male end of Rod Duct 5

- Also known as BT Attachment Rod 2A

| Item   | Description       | Diameter | Price |
|--------|-------------------|----------|-------|
| 992275 | Attachment Rod 2A | 1/2"     | £8.25 |

## BT Rod Attachment 3A

Leader or follower for duct rod no. 3. Can be used with rod duct 5 as a rod leader. It incorporates a spring for rodding through tee couplings

- Also known as BT Attachment Rod 3A

| Item   | Description       | Style       | Diameter | Price |
|--------|-------------------|-------------|----------|-------|
| 794794 | Attachment Rod 3A | Spring Type | 1/2"     | £7.08 |

## BT Rod Attachment 4A

Leader or follower to 15/16" ferret rod. Used with rod duct 3 as a leader or when used with adaptor rod 2A or 3A as a leader or follower with rod duct 1 or 2

- Also known as BT Attachment Rod 4A

| Item   | Description       | Style  | Diameter | Price |
|--------|-------------------|--------|----------|-------|
| 991968 | Attachment Rod 4A | Female | 15/16"   | £2.72 |

## Duct Grip Couplings

Grip couplings are designed to assist the threading of sub ducts by stiffening the leading end. They comprise of BT couplings with 3 metre long glass fibre rods which screw into the sub duct

- Grip Coupling 1A designed to thread 25mm diameter sub duct

| Item   | Description   | BT Ref | Length | Price  |
|--------|---------------|--------|--------|--------|
| 822057 | Grip Coupling | 1A     | 3Mtr   | £62.00 |

## BT Duct Rod Adaptors

A selection of rod adaptors for use with BT duct rods

- Also known as BT Adaptor Rod 1A, 2A, 3A, 5 and 7 respectively

| 996344 | Cable Pulling | 6kN   | 22mm Swivel  | -      | Pk of 10 | £29.10 |
| 996345 | Cable Pulling | 8kN   | 22mm Swivel  | -      | Pk of 10 | £29.10 |

## Duct Pulling Eyes

- Pulling eye lug - sub duct with lug end fitting for direct use with connector swivel
- Pulling eye clevis - tapered, threaded sub duct pulling eyes (carrots) with clevis end (requires cabling link for use with connector swivel)

| Item   | Description | Type   | Style | For Duct    | Diameter | Price  |
|--------|-------------|--------|-------|-------------|----------|--------|
| 993986 | Pulling Eye | Lug    | Duct  | 24mm-29mm   | 35mm     | £37.95 |
| 992434 | Pulling Eye | Clevis | Duct  | 24mm-29mm   | 35mm     | £48.50 |
| 992491 | Pulling Eye | Clevis | Duct  | 32mm-36.5mm | 44.5mm   | £56.44 |

# External Cabling

## Cable Grips (Single Eye)

Standard steel cable sock with single eye for cable pulling

- Open down one side for wrapping around cable
- Supplied with closing strand

| Item   | Description        | Style        | Type       | Cable Dia | Price  |
|--------|--------------------|--------------|------------|-----------|--------|
| 990249 | Cable Pulling Grip | Single Weave | Single Eye | 6mm-13mm  | £12.97 |
| 992009 | Cable Pulling Grip | Single Weave | Single Eye | 13mm-19mm | £8.97  |
| 992007 | Cable Pulling Grip | Single Weave | Single Eye | 19mm-25mm | £10.87 |
| 992006 | Cable Pulling Grip | Single Weave | Single Eye | 25mm-38mm | £11.87 |
| 992005 | Cable Pulling Grip | Double Weave | Single Eye | 38mm-51mm | £15.35 |
| 992004 | Cable Pulling Grip | Double Weave | Single Eye | 51mm-63mm | £17.75 |
| 992008 | Cable Pulling Grip | Double Weave | Single Eye | 63mm-76mm | £19.55 |

## Cable Grips (Double Eye)

Steel cable sock with double eye

- Neck is open for fleeting applications

| Item   | Description        | Style        | Type       | Cable Dia | Price  |
|--------|--------------------|--------------|------------|-----------|--------|
| 992003 | Cable Pulling Grip | Single Weave | Double Eye | 19mm-25mm | £30.41 |
| 991993 | Cable Pulling Grip | Double Weave | Double Eye | 38mm-51mm | £19.00 |
| 991994 | Cable Pulling Grip | Double Weave | Double Eye | 51mm-63mm | £22.55 |
| 990041 | Cable Pulling Grip | Double Weave | Double Eye | 63mm-76mm | £43.26 |

## Cable Grips Double Eye (Soft Loop)

Cable grips used to aid the recovery of underground cables

- Available in a variety of sizes
- Double weave and double eye
- Also known as BT Grip Cable Recovery 1-4

| Item   | Description        | Style        | Type       | Cable Dia | Price  |
|--------|--------------------|--------------|------------|-----------|--------|
| 200031 | Cable Pulling Grip | Double Weave | Double Eye | 31-44mm   | £67.90 |
| 200087 | Cable Pulling Grip | Double Weave | Double Eye | 44-57mm   | £75.52 |
| 200088 | Cable Pulling Grip | Double Weave | Double Eye | 57-70mm   | £79.26 |
| 200089 | Cable Pulling Grip | Double Weave | Double Eye | 70-82mm   | £83.67 |

## Split Cable Pulling Grips

Split steel cable sock with single eye

- Open down one side for wrapping around cable
- Supplied with closing strand

| Item   | Description        | Style      | Type       | Cable Dia | Price  |
|--------|--------------------|------------|------------|-----------|--------|
| 991997 | Cable Pulling Grip | Split Grip | Single Eye | 38mm-51mm | £41.23 |

## Universal Drain Rod Set

Drain rod set includes 30 feet of the finest blue rods with varying tool options. An essential product for the builder, plumber, chimney sweep or handyman

- 1x Blue carry bag
- 10x 3ft x 3/4" Blue Rods
- 1x 4" Plunger
- 1x 4" Drop scraper
- 1x Double worm screw

| Item   | Description             | Price  |
|--------|-------------------------|--------|
| 808379 | Universal Drain Rod Set | £25.46 |

## Deluxe Cable Scout & Rod Set

A professional cable routing tool that allows the installer to easily route cables and save time

- High quality glass reinforced plastic
- Save time even on challenging jobs
- Load capacity: 200Kg

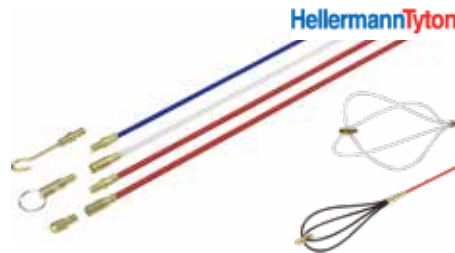

| Item   | Man. Code       | Description         | Length | Price  |
|--------|-----------------|---------------------|--------|--------|
| 808366 | CS-SD 897-90001 | Cable Scout Rod Set | 10Mtr  | £69.80 |

## Cable Scout Rods & Accessories

Rods and accessories for the HellermannTyton Cable Scout

• Cable Scout+ is supplied with a range of useful standard accessories. Additional accessories can be purchased separately. Cable grips are designed to grip objects and provide reliable and time saving method of securing cables & pipes to the rods. Just open the grip by compressing the braid, push the grip over the cable or pipe and release the grip, which will contract and establish a tight grip on the cable or pipe to the rod set

| Item   | Man. Code | Description            | Type  | Colour | Length | Price  |
|--------|-----------|------------------------|-------|--------|--------|--------|
| 819025 | 897-90003 | Cable Scout Rod Set    | Handy | -      | 1.6Mtr | £16.82 |
| 808362 | 897-90018 | Cable Scout Attachment | Whisk | Black  | 195mm  | £11.64 |
| 819023 | 897-90019 | Cable Scout Attachment | Whisk | White  | 340mm  | £11.56 |

## Super Rod Standard Rod Set

Entry level set of rods for awkward areas

- Kit contains;
- 10 x 4mm x 1 Mtr rods
- 1 x mini eye
- 1 x mini hook
- 1 x 130mm flexi lead

| Item   | Description | Length | Price  |
|--------|-------------|--------|--------|
| 782009 | Cable Rod   | 10Mtr  | £35.17 |

# External Cabling

## Super Six Set

Cable rod set for restricted areas, contains 6Mtrs of rod in 3 flexibilities

- Kit contains;
- 3 x 5mm x 1Mtr rods
- 2 x 4mm x 1Mtr rods
- 1 x 6mm x 1Mtr rod
- 1 x flexi lead
- 6 assorted end fittings

| Item   | Description | Length | Price  |
|--------|-------------|--------|--------|
| 782010 | Cable Rod   | 6Mtr   | £60.51 |

## Aerial Set

Cable rod aerial set for navigating over external roofs

- Kit contains;
- 12 x 6mm x 1Mtr rods
- 1 x 5mm x 175mm flexi lead
- 1 x Gender changer
- 1 x X2 Glider
- 1 x Mini eye and ring
- 1 x 6-10 Super grip

| Item   | Description | Length | Price  |
|--------|-------------|--------|--------|
| 782011 | Cable Rod   | 12Mtr  | £98.88 |

## Polymer Rod Set

Small polymer set of non-conductive cable rods for ultra restricted areas

- Kit contains;
- 4 x 330mm Rods
- 3 x End fittings

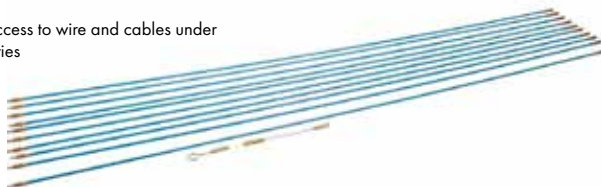

| Item   | Description | Length  | Price  |
|--------|-------------|---------|--------|
| 782012 | Cable Rod   | 1.32Mtr | £26.88 |

## PVC Duct Rod Kit

Set of glass-reinforced polyester rods for gaining access to wire and cables under floorboards, in ceiling ducts, trunking and wall cavities

- Kit contains;
- 10 x 1Mtr rods
- 1 x Hook end
- 1 x Ring end
- 1 x Flexi extender

| Item   | Description | Type             | Length | Price  |
|--------|-------------|------------------|--------|--------|
| 783976 | Cable Rod   | Cable Access Kit | 10Mtr  | £15.48 |

## Joint Boxes & Covers

Underground jointing enclosures offering significant advantages over the more traditional methods of forming a jointing enclosure. Light in weight yet immensely strong and rigid having no seams or welds, they are rot proof and will not support microbiological growth. Typical uses include:- Telephone connection systems, connection of lighting standards to mains, traffic light connections, underground water metre housing, cable television connections, loop connections and cable communications

- Joint box chambers moulded from glass fibre reinforced polyester moulding compounds
- Manufactured under a system of rigidly applied quality control to ensure optimum, fully cured mouldings
- Made to ensure trouble free installations
- Available for installation in driveways, paths etc
- Joint boxes and covers sold separately
- Joint Box Cover 23 made from ductile iron
- Joint Box Cover 26 made from steel with infilled concrete
- Cover supplied with BT logo
- Class B 125
- For footway areas only

| Item   | Description                              | BT Ref | Width | Depth | Length | Price  |
|--------|--|--------|-------|-------|--------|--------|
| 992102 | Joint Box                                | No.23  | 277mm | 482mm | 512mm  | £38.95 |
| 992103 | Joint Box Cover (BT Logo) Ductile Iron   | No.23  | -     | -     | -      | £35.15 |
| 990682 | Joint Box                                | No.26  | 720mm | 200mm | 570mm  | £59.00 |
| 992455 | Joint Box Cover (BT Logo) Steel/Concrete | No.26  | -     | -     | -      | £84.00 |

## Cable Bearers (Wall Type)

Galvanised steel wall brackets for mounting cable bearers

- For supporting cables in manholes and joint boxes.
- The type numbers indicate the number of brackets which the bearings will carry
- Also known as BT Cable Bearer Wall Type 2, 3, and 5 respectively

| Item   | Description            | BT Ref | Position | Length | Price |
|--------|------------------------|--------|----------|--------|-------|
| 992083 | Cable Bearer Wall Type | Type 2 | 2        | 279mm  | £4.20 |
| 992084 | Cable Bearer Wall Type | Type 3 | 5        | 508mm  | £6.25 |
| 992085 | Cable Bearer Wall Type | Type 5 | 9        | 813mm  | £8.30 |

## Cable Bearer Brackets

Cable bearer brackets used with wall type cable bearers and locking pins. The type number indicates the effective length

- Also known as BT Bracket Cable Bearer 5, 8, and 12 respectively

| Item   | Description          | BT Ref | Length | Price |
|--------|----------------------|--------|--------|-------|
| 992090 | Bracket Cable Bearer | No.5   | 165mm  | £2.25 |
| 992091 | Bracket Cable Bearer | No.8   | 241mm  | £3.90 |
| 992092 | Bracket Cable Bearer | No.12  | 343mm  | £4.61 |

# External Cabling

## Cable Bearer Locking Pins

Galvanised steel concrete foundation mounting bolts

- Also known as BT Pins Locking Cable Bearer

| Item   | Description               | Price |
|--------|---------------------------|-------|
| 992095 | Cable Bearer Locking Pins | £0.60 |

## Foundation Bolts

Galvanised steel pin for securing bracket cable bearers to channel brackets

- No. 1 for cross connection cabinets Diameter: 15.2mm
- No. 2 for fixing cable bearers in new concrete and brickwork Diameter: 12.7

| Item   | Description     | BT Ref | Length | Price |
|--------|-----------------|--------|--------|-------|
| 992097 | Foundation Bolt | No.2   | 125mm  | £0.50 |
| 992096 | Foundation Bolt | No.1   | 150mm  | £2.30 |

## Iron Anchors

Galvanised steel device for mounting in concrete to provide an anchoring point

- Also known as BT Iron Anchor 4

| Item   | Description | BT Ref | Price |
|--------|-------------|--------|-------|
| 992099 | Iron Anchor | No.4   | £7.60 |

## Manhole Steps

Galvanised non-slip step for brick or concrete manholes

- Also known as BT Step Manhole 1

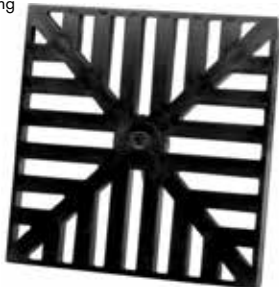

| Item   | Description  | BT Ref | Price |
|--------|--------------|--------|-------|
| 992100 | Manhole Step | No.1   | £5.70 |

External  
Cabling

## Sump Grills

Tough PVC grill for manhole sumps

- Also known as BT Grating Sump 2A
- Dimensions 250mm height x 250mm width

| Item   | Description    | BT Ref | Price |
|--------|----------------|--------|-------|
| 992101 | PVC Sump Grill | 2A     | £3.50 |

## Hydraulic Manhole Lifter 4B

A hydraulic manhole lifter supplied with 4 pairs of keys used for lifting different types of carriageway covers

- Safe Working Load: 800Kg
- Quick and easy to assemble

| Item   | Description                 | Type                       | Price   |
|--------|-----------------------------|----------------------------|---------|
| 823336 | Hydraulic Manhole Lifter 4B | Complete with Sets of Keys | £550.00 |

## Hydraulic Lifter Keys

Range of lifting keys used in conjunction with hydraulic manhole lifters

- Keys used in pairs
- 1A used to lift Elkington type manhole covers
- 2A used to lift unit type covers
- 3B used to lift triangular covers and carriageway covers C and D
- 4A used to lift old types of manhole covers
- 5C used in pairs for lifting unit type light covers and covers driveway

| Item   | Description                   | Type | Price  |
|--------|-------------------------------|------|--------|
| 992242 | Hydraulic Manhole Lifting Key | 1A   | £57.60 |
| 992243 | Hydraulic Manhole Lifting Key | 2A   | £67.20 |
| 992244 | Hydraulic Manhole Lifting Key | 3B   | £72.00 |
| 992245 | Hydraulic Manhole Lifting Key | 4A   | £17.28 |
| 992246 | Hydraulic Manhole Lifting Key | 5C   | £62.20 |

## Hydraulic Lifters

Proteus hydraulic lifters are light and easy to use, and with a safe working load of 1.5 tonnes it will enable anyone to lift even stuck covers with minimal effort. With the right selection of keys and accessories, it is capable of lifting virtually any cover with keyholes, including single piece sewer covers, split 'double-triangle' covers, block-paved covers with four keyholes, and Elkington gatic covers

- Keys and spreader bar purchased separately
- Handylifter model tackles covers up to 900mm x 900mm
- Texas model tackles covers up to 1100mm x 1100mm

| Item   | Description              | Type        | Price   |

## ManUp Key Lifting Tool

The ManUp Key is a revolutionary lifting tool designed to make the removal of manhole covers easy and effortless. A 'one man' solution it ensures safe lifting and manual handling. V3 has 2 additional and improved grips for even more comfort and versatility

- Manholes can be lifted without the use of hammers and chisels, preventing damage to covers and surrounding area
- Provides a momentary upward force of 1.5 tonnes from its 8Kg weight and slide hammer action
- One man solution still ensuring all health and safety aspects of safe lifting and manual handling
- Simply add the specific tip required for the industry required
- Other tips available to order
- 'Telecoms Kit' includes Lifting tool, 4 Tips & Locking rings in a padded case
- Includes: 32mm & 22mm Flat Tips, 10mm J Tip & 20mm Oval Tip

**YouTube DEMONSTRATION VIDEO ONLINE**

| Item   | Description   | Height | Width | Price   |

## Joint Box Key No.2

Lever action key for joint box and light concrete footway/driveway covers

- Also known as BT Key Joint Box 2

| Item   | Description        | Type         | Price  |
|--------|--------------------|--------------|--------|
| 992107 | Joint Box Key No.2 | Short Handle | £16.01 |

## Joint Box Key No.4

Lever action key for joint box and light concrete footway/driveway covers

- Also known as BT Key Joint Box 4

| Item   | Description        | Type        | Price  |
|--------|--------------------|-------------|--------|
| 992108 | Joint Box Key No.4 | Long Handle | £18.90 |

## Joint Box Key No.5

Lever action key for joint box and light concrete footway/driveway covers

- Key No.5 has a supporting counter balanced leg to add safety to the lifting operation
- Also known as BT Key Joint Box 5

| Item   | Description        | Type         | Price  |
|--------|--------------------|--------------|--------|
| 994232 | Joint Box Key No.5 | Balanced Leg | £25.00 |

## Joint Box Key Replacement Hook Set

Replacement hook and pin set (nut & bolt) for joint box key No.2, No.3 & No.5

- Nut and bolt also orderable separately

| Item   | Description                          | Price |
|--------|--------------------------------------|-------|
| 799513 | Key Joint Box Replacement Hook Kit   | £4.85 |
| 801982 | Key Joint Box Replacement Nut & Bolt | £0.97 |

## Pit Roller Bar

Metal bar used to roll opened pit lids safely into a secure position

- Joint box keys are sold separately

| Item   | Description    | Price |
|--------|----------------|-------|
| 790888 | Pit Roller Bar | £7.25 |

## Keyhole Insertion Safety Shim Tool

The keyhole insertion safety shim, also known as a KISS tool, is used to assist the lifting of pit covers which have damaged insertion / key holes. These tools are often used in conjunction with Joint Box Key No.5

- Helps with pit covers that are damaged
- Limits the risk of injury
- Used with Joint Box No.5

| Item   | Description                               | Price |
|--------|---|-------|
| 822980 | Keyhole Insertion Safety Shim (KISS) Tool | £8.25 |

## Pit Lifting Key

A 20" pit lifting key

| Item   | Description    | Price |
|--------|----------------|-------|
| 808361 | Pit Lifter Key | £7.20 |

## Manhole Lifting Key 9752

Standard lifting key for use on heavy/medium non-locking covers, can also be used for the lifting of locking heavy duty Broadstel

- Also known as BT Key Lifting 9752
- Length 160mm

| Item   | Description         | Blade       | Price |
|--------|---------------------|-------------|-------|
| 990057 | Manhole Lifting Key | 16mm x 36mm | £5.20 |

## Joint Box Lifting Key 9753

Standard lifting key for use on light duty non-locking covers and also the lifting of pedestrian duty Broadstel

- Also known as BT Key Lifting 9753
- Length 103mm

| Item   | Description           | Blade      | Price |
|--------|-----------------------|------------|-------|
| 990058 | Joint Box Lifting Key | 7mm x 22mm | £4.94 |

## Manhole Lifting Key Type D

D-shaped lifting key for use on E type and unit type covers of square and rectangle shape. The key incorporates an adjustable locking nut which bears against the frame to lift the cover. To be used in pairs

- Also known as BT Carriageway Key 2A

| Item   | Description                | Price  |
|--------|----------------------------|--------|
| 992105 | Manhole Lifting Key Type D | £18.00 |

## Manhole Lifting Key Type T

T-shaped steel lifting key for use on circular, oval woods type and triangular carriageway manhole covers. It also incorporates an eye so that a crowbar may be used to assist lifting

| Item   | Description                | Length | Price  |
|--------|----------------------------|--------|--------|
| 992106 | Manhole Lifting Key Type T | 432mm  | £17.00 |

## Pillar Key

A multi purpose triangular shaped key for use on hollow poles, cross connection cabinets, distribution pillars and jointing posts

- Also known as BT Key Pillar

| Item   | Description | Price |
|--------|-------------|-------|
| 100143 | Pillar Key  | £4.50 |

## Star Pillar Key

A star shaped key for use on cabinets

- Also known as Huawei pillar key

| Item   | Description | Price |
|--------|-------------|-------|
| 816137 | Pillar Key  | £7.95 |

## PVC Duct

Standard PVC duct, socketed at one end & plain at the other end

- Solid wall construction, capable of being back-filled with As Dug materials where appropriate and not affected by sharp stone impingement
- Smooth bore ensuring easier and safer installation of sub-ducts and cables owing to lower internal friction
- Standard interference fit / push fit socket systems & ring seal socket systems
- 53.9mm duct also known as BT Duct 56
- 96.5mm duct also known as BT Duct 54D

Non-standard shipping costs apply due to length

| Item   | Man. Code | Description | Diameter | Colour | Length | Price  |
|--------|-----------|-------------|----------|--------|--------|--------|
| 991639 | 1562      | PVC Duct    | 53.9mm   | Grey   | 3Mtr   | £6.56  |

EMTELLE

## PVC Duct End Caps

End caps for PVC duct system

- 53.9mm duct system also known as BT Duct 56, 96.5mm duct system also known as BT Duct 54D

| Item   | Man. Code | Description  | Diameter | Price |
|--------|-----------|--------------|----------|-------|
| 803599 | 1902      | Duct End Cap | 53.9mm   | £0.58 |
| 803600 | 1875      | Duct End Cap | 96.5mm   | £1.07 |

## PVC Duct Tee (Swept)

Swept tee for use with PVC duct system, tees off from a 96.5mm duct to a 53.9mm swept exit

- 53.9mm duct system also known as BT Duct 56, 96.5mm duct system also known as BT Duct 54D
- Angle 90°

| Item   | Man. Code | Description | Diameter      | Price |
|--------|-----------|-------------|---------------|-------|
| 991679 | 4479      | Duct Tee    | 96.5mm-53.9mm | £6.43 |
| 803601 | 1552      | Duct Tee    | 96.5mm-53.9mm | £6.43 |

## PVC Duct Tee Split (Swept)

Split duct tee suitable for existing duct where cables are present

- Main duct 96.5mm, tee duct 53.9mm
- 53.9mm duct system also known as BT Duct 56, 96.5mm duct system also known as BT Duct 54D
- Angle 45°

| Item   | Man. Code | Description    | Price  |
|--------|-----------|----------------|--------|
| 803603 | 1880      | Duct Tee Split | £10.11 |

## PVC Duct Y-Branches

PVC duct Y-Branch, also called an equal swept tee, for branching off from 96.5mm duct with a new 96.5mm duct exit

- Manufactured from solid wall PVC duct
- Used for breaking and branching where multiple cables are present
- Supplied with non-returnable woven polypropylene sacks
- Usually double socketed
- Angle 90°

| Item   | Man. Code | Description   | Price  |
|--------|-----------|---------------|--------|
| 803604 | 3683      | Duct Y-Branch | £32.90 |
| 803605 | 2066      | Duct Y-Branch | £26.79 |

## PVC Duct Reducer

PVC duct reducer, reducing duct from 96.5mm to 53.9mm

- 53.9mm duct system also known as BT Duct 56, 96.5mm duct system also known as BT Duct 54D

| Item   | Man. Code | Description  | Price |
|--------|-----------|--------------|-------|
| 803606 | 3189      | Duct Reducer | £9.61 |

## Underground LDPE Marker Tapes

A selection of LDPE tapes designed to be buried into the ground to mark buried cable routes. Can prevent damage when future contractors dig into the ground and find this tape first

- 810628 includes a tracer wire so that it can be detected underground
- Width 150mm

| Item   | Description                       | Length | Price  |
|--------|-----------------------------------|--------|--------|
| 810628 | 'Caution Fibre Optic Cable Below' | 100Mtr | £29.57 |
| 813050 | 'Caution Fibre Optic Cable Below' | 365Mtr | £11.75 |
| 813051 | 'Telephone Cable Below'           | 365Mtr | £11.75 |
| 813048 | 'Caution Electric Cables Below'   | 365Mtr | £11.75 |

| 992294 | Duct Brush  | 108mm | 102mm     | 350mm  | £105.00 |

## Duct Mandrels

Duct mandrels with swivelling eyes for proving duct runs

| Item   | Description  | Size | Duct Bore | Length | Price  |
|--------|--------------|------|-----------|--------|--------|
| 992295 | Duct Mandrel | 43mm | 51mm      | 200mm  | £52.38 |
| 992296 | Duct Mandrel | 70mm | 76mm      | 240mm  | £55.00 |
| 992297 | Duct Mandrel | 76mm | 83mm      | 240mm  | £78.00 |
| 991988 | Duct Mandrel | 83mm | 90mm      | 240mm  | £80.51 |
| 992299 | Duct Mandrel | 95mm | 102mm     | 240mm  | £76.63 |

## Duct Motor 2B

Duct motor for placing drawrope and light cabling into ducts

- Supplied complete with bag grips
- Replacement bags available separately

| Item   | Description   | Price   |
|--------|---------------|---------|
| 824142 | Duct Motor 2B | £735.00 |

## Duct Motor Bag Grips

Bag grips for use with duct motor 2B which is used when placing drawrope and light cabling ropes into duct

- Available in small, medium and large

| Item   | Description           | Size   | Price |
|--------|-----------------------|--------|-------|
| 200056 | Duct Motor Bag Grip 4 | Medium | £9.70 |
| 200058 | Duct Motor Bag Grip 5 | Small  | £9.70 |
| 200057 | Duct Motor Bag Grip 6 | Large  | £9.70 |

## TDUX Inflatable Duct Seals

COMMSCOPE®

TDUX is a very flexible & reliable inflatable wraparound duct sealing system for permanently sealing telephone cable ducts in order to prevent the leakage of water from the duct into exchange vaults or manholes

- Suitable for use with plastic, concrete or steel ducting wall-feed through systems
- Can be used with polyethylene or lead-jacketed cables
- Various sizes available for sealing a wide range of ducts and cables
- Fast and easy to install, even in congested enclosures, requiring over 3 parts for completion
- Water and airtight up to 50kPa
- Environmentally friendly & non-toxic
- Resistant to chemicals & bacteria
- Easy and fast removal

| Item   | Man. Code    | Description               | Mfr Ref   | Duct Size                | UoM      | Price   |

## TDUX Inflation Tool

COMMSCOPE®

Inflation tool for use with TDUX kits. Uses CO2 gas cylinders which contain 16g of CO2 and can inflate a minimum of 3 TDUX-100 duct seals in vacant ducts. Features an automatic pressure monitoring system to guarantee the required inflation pressure of 3.0 +/- 0.2 Bar

- Supplied with carry case
- TDUX Gas cylinders purchased separately (994388)

| Item   | Man. Code  | Description         | Mfr Ref    | Price   |
|--------|------------|---------------------|------------|---------|
| 788489 | 070668-000 | TDUX Inflation Tool | TDUX-IT-16 | £310.00 |

## TDUX Gas Cylinder Refills

COMMSCOPE®

CO2 gas cylinders for use with duct inflation tool

- Gas cylinders contain 16g of CO2 (can inflate a minimum of 3x TDUX-100 duct seals per cylinder)

| Item   | Man. Code  | Description              | Mfr Ref  | UoM      | Price  |
|--------|------------|--------------------------|----------|----------|--------|
| 994388 | 985444-000 | TDUX Gas Cylinder Refill | TDUX-CO2 | Pk of 10 | £17.50 |

## Duct Sealing Kits

FiloSeal+ is a universal solution for sealing cables and pipes in ducts or bore holes. Suitable for sealing several cables or pipes contained in one duct and also allows re-entry of the seal to add or remove cables or pipes as required

- High levels of gas and water tightness
- Resistant against water, alkaline, chemical agents
- Non corrosive
- Solvent free
- Quick and easy installation
- A complete kit for one duct
- Virgin Media approved

| 815164 | Filoseal+ HD Duct Seal | Up to 110mm | £58.75 |

## HD Fire Duct Sealing Kits

FiloSeal+HD FIRE is a highly certified fire, gas and water sealing system for both ducts and transit frames

- Up to 4 hours fire resistance in transit frames (single side)
- Up to 4 hours fire resistance in ducts
- Tested to BS EN 1366-3 2009
- Up to 2 bar pressure resistance
- 100Kg pulling force on the cables when sealed
- 10xd at 45°, with 1 bar pressure bending test
- Virgin Media approved

## Cable Roller Guide

'Cable Joe' Roller guide can be clamped onto support trays, bars, joists etc to assist in pulling multiple cables without snagging

- 6 nylon rollers provide smooth movement of cable to prevent damage
- Adjustable clamp allows the roller to be swivelled and/or rotated into any position
- Pull pin makes opening and closing to insert and remove cables a simple operation

| Item   | Description        | Price   |
|--------|--------------------|---------|
| 825242 | Cable Roller Guide | £125.00 |

## Heavy Duty Cable Roller Guide

Heavy duty straight, corner and edge mount cable roller guides to assist the installation of cable, duct, microduct and fibre cables in to open trenches, pits and pipework without causing damage to the cable sheath or duct surface and incurring overbending stress on the cables

- Cable rollers move easily on their free running spindles
- Increased cable support aiding labour productivity and site safety for cable pulling teams
- Prevents damage to cable sheath from trench debris or loose aggregate

| Item   | Description           | Price  |

Lightweight metal roller for small ropes and cables

- Used to prevent damage to cabling ropes at joint boxes
- Also known as BT Roller Rope Guiding Surface

| Item   | Description | Price  |
|--------|-------------|--------|
| 991978 | Cable Duct  | £31.20 |

## Duct Mouth Roller

Roller for mounting into the end of 90mm ID duct (96.5mm)

- Can be used with BT Duct 54
- Also known as BT Guide Cabling 17A

| Item   | Description | Int Duct  | Price  |
|--------|-------------|-----------|--------|
| 992261 | Duct Guide  | 90mm-97mm | £65.00 |

## Split Cable Guides

Split cable guides for cabling through ducts with 89-92mm ID (96.5mm Duct)

- Straight version for ducts in-line in chambers
- Angled version for offset ducts
- Also known as BT Guide Cabling 1 & 2 respectively

| Item   | Description     | Internal Duct Dia | Price   |
|--------|-----------------|-------------------|---------|
| 992309 | Guide Cabling 1 | 89mm-92mm         | £102.00 |
| 991977 | Guide Cabling 2 | 89mm-92mm         | £114.00 |

## Split Bellmouths

Used to protect cables when drawing into ducts. Consists of a two part tubular sleeve which is assembled over the cable and then joined together

- BT Bellmouth 1 - For use on 83mm ducting
- BT Bellmouth 2 - For use on 90-92mm ducting

| Item   | Description            | Diameter | Price  |
|--------|------------------------|----------|--------|
| 992234 | Cable Duct Bellmouth 1 | 83mm     | £27.95 |
| 991991 | Cable Duct Bellmouth 2 | 90mm     | £28.95 |

## Solid Bellmouth

Solid bellmouth used to protect cables when drawing into ducts. Designed for use with cable guide 6A and 6B

- Also known as BT Bellmouth 1A

| Item   | Description             | Price  |
|--------|-------------------------|--------|
| 991980 | Cable Duct Bellmouth 1A | £47.84 |

## Guide Rod Flexible 3

For use with mounted rodding systems as a guide and rope guard when winching with Rod Duct 3

- 3Mtr flexible rod
- One plain end and the other fitment for connection to either a rodding machine or Guide Rod Flexible 4

| Item   | Description          | Length | Price   |
|--------|----------------------|--------|---------|
| 200103 | Guide Rod Flexible 3 | 3Mtr   | £165.00 |

## Guide Rod Flexible 4

For use with Clamp 13A to extend the length of the Guide Rod Flexible 3

- 2.9Mtr flexible rod
- 3.8mm diameter

| Item   | Description          | Length | Price   |
|--------|----------------------|--------|---------|
| 200104 | Guide Rod Flexible 4 | 2.9Mtr | £169.00 |

## Clamp Guide 2A

An extendible compression strut for clamping Guides Rod Flexible 3 and 4 and Guide Cabling 5 into joint boxes.

- Extendable clamp

| Item   | Description    | Price  |
|--------|----------------|--------|
| 126481 | Clamp Guide 2A | £42.18 |

## Drawropes

3 Strand polypropylene rope for light cabling work

- Supplied on a wooded drum for ease of deployment and retrieval
- Durable and re-useable

| Item   | Description | Diameter | Length | Price  |
|--------|-------------|----------|--------|--------|
| 991970 | Drawrope    | 6mm      | 500Mtr | £24.95 |

## Slick Line

A low friction draw cord, used for pulling cable in or out of subduct

- 8kN breaking strength
- \*Sold per Drum - Check with sales for availability\*

| Item   | Description         | UoM | Price |
|--------|---------------------|-----|-------|
| 824611 | Slick Line 8kn Rope | Mtr | POA   |

# External Cabling

## X Board 500 Cable Dispenser

The X-BOARD XB500 is a universal device for winding in/out cable drums. Suitable for all types of cables and pipes (single core lines, cable rings, cable drums, empty conduits, ropes and rope drums), it enables trouble-free and efficient working without the tangled cables. Especially ideal for damaged cable drums

- Load bearing capacity 800Kg
- Rubberised feet ensure a non-slip and secure standing position whilst protecting completed flooring surfaces
- Weight 6.94Kg
- Height 133mm
- Diameter 500mm
- Optional 750mm pole extender (822855)

SEE VIDEO ONLINE

X-Board shown for illustration purposes

| Item   | Description             | Mfr Ref | Diameter | Length | Price   |
|--------|-------------------------|---------|----------|--------|---------|
| 816872 | X-Board Cable Dispenser | XB500   | -        | -      | £205.00 |
| 822855 | X-Board Pole Extender   | XBPE    | 40mm     | 750mm  | £65.77  |

## Cable Reel Dispenser

Lightweight cable dispenser

- Zinc plated steel rollers, adjustable and fitted with sealed bearings
- Maximum drum payload: 200Kgs
- Finish: zinc plated
- Drum diameter: max 750mm - min 200mm
- Drum width: 520mm
- Base size: 630mm x 550mm
- Weight: 16Kgs

| Item   | Description          | Price   |
|--------|----------------------|---------|
| 782013 | Cable Reel Dispenser | £159.00 |

## Drawrope & Dropwire Dispensers

Dispensers ideal for dispensing drawrope and dropwire

| Item   | Description           | Price  |
|--------|-----------------------|--------|
| 808754 | Drawrope Dispenser    | £30.95 |
| 992045 | Dropwire Dispenser 1  | £54.00 |
| 992044 | Dropwire Dispenser 2B | £58.95 |

## Universal Frame Cable Dispensers

Universal steel folding reel dispenser for cable and rope

- Frame supplied with removable bar
- Max reel: 500 x 400mm
- 24 inches high

| Item   | Description           | Capacity | Price  |
|--------|-----------------------|----------|--------|
| 993471 | Frame Cable Dispenser | 91Kg     | £29.00 |

## Rack-A-Tiers Cable Dispenser **HellermannTyton**

Durable cable dispenser

- Interlocking pairs
- Versatile
- Waterproof
- Rustproof
- Reliable
- Rugged
- Easy to set up
- Spindle not included -

Can be used with cable drum spindle (825239) and collars (825238)

- Capacity 150Kg

| Item   | Description           | UoM  | Price  |
|--------|-----------------------|------|--------|
| 802817 | Frame Cable Dispenser | Pair | £61.30 |

## Cable Drum Jacks

Pair of screw jacks with wide base plate

- 3 Tonne capacity SWL per pair
- Minimum drum diameter 1060mm, maximum 1600mm
- Base area 300 x 300mm
- Weight per pair 37Kgs
- \*\*\* Items over 20Kg will require special freight - costs to be quoted separately \*\*\*
- Spindles and collars not included (see below)

| Item   | Description      | Capacity | Height      | Price   |
|--------|------------------|----------|-------------|---------|
| 782014 | Cable Drum Jacks | 3 Tonne  | 530mm-840mm | £339.80 |

## Cable Drum Jacks Spindle/Collars

Spindle and collars for use with cable drum jacks (sold separately)

- 782015, 791771 & 825239 Spindle capacity up to 6 tonnes
- 600061 Spindle capacity up to 12 tonnes
- \*\*\* Items over 20Kg will require special freight - costs to be quoted separately \*\*\*

| Item   | Description        | Weight | Diameter | Length | UoM  | Price   |
|--------|--------------------|--------|----------|--------|------|---------|
| 825239 | Cable Drum Spindle | 2.5Kg  | 32mm     | 1000mm | Each | £6.31   |
| 782015 | Cable Drum Spindle | 12Kg   | 50mm     | 1219mm | Each | £48.50  |
| 791771 | Cable Drum Spindle | 18Kg   | 50mm     | 1800mm | Each | £59.00  |
| 600061 | Cable Drum Spindle | 53Kg   | 76mm     | 2100mm | Each | £117.00 |
| 825238 | Cable Drum Collars | -      | 32mm     | -      | Pair | £13.10  |
| 803618 | Cable Drum Collars | -      | 50mm     | -      | Pair | £35.41  |
| 803619 | Cable Drum Collars | -      | 76mm     | -      | Pair | £36.86  |

## Universal Jumper Wire Dispensers

Lightweight cable reel for dispensing voice cable and jumper wire

- Lightweight tubular steel frame
- For drums up to 375mm

| Item   | Description              | Max Drum Dia | Width | Price  |
|--------|--------------------------|--------------|-------|--------|
| 991045 | Jumper Wire Dispenser 1A | 375mm        | 300mm | £31.04 |

## Universal Cable Reel Stand

One piece metal stand for small cable reels

- Designed for de-reeling CT100 and CT65 coax cables

| Item   | Description      | Max Drum Dia | Max Drum Width | Minimum Drum Hole | Price  |
|--------|------------------|--------------|----------------|-------------------|--------|
| 779933 | Cable Reel Stand | 566mm        | 230mm          | 34mm              | £19.40 |

# External Cabling

## Sash Line

Poly rope for lightweight cabling work

- 1x reel of 132Mtrs (formerly 4 hanks x 33Mtrs)
- Also known as BT Sash Line 2

| Item   | Description | Diameter | Length | Price  |
|--------|-------------|----------|--------|--------|
| 782615 | Sash Line 2 | 4mm      | 132Mtr | £29.95 |

## Sash Line Dispenser

Sash line dispenser incorporates a revolving drum on a spindle

- Also known as BT Dispenser Sash line

| Item   | Description         | Price  |
|--------|---------------------|--------|
| 200054 | Sash Line Dispenser | £14.50 |

## Pole Belt 1B

Pole belt to tie off sash lines at the base of a pole

- Also known as BT Belt Pole 1B
- Used with BT Dropwire Dispensers (992044/992045)

| Item   | Description | BT Ref | Price  |
|--------|-------------|--------|--------|
| 789403 | Pole Belt   | 1B     | £28.55 |

## Rigging Head 1A

Rigging head for installing rigging lines in hollow poles. This tool is used by screwing the head on to Rod Duct No.2 and pushing the rod up the inside of a hollow telegraph pole. Weighted draw rope can then be installed to allow cable to be pulled through

- For use with Duct Rod No.2

| Item   | Description     | Price  |
|--------|-----------------|--------|
| 804384 | Rigging Head 1A | £14.65 |

## Rigging Weight 1A

Sash weight for use with Rigging Head 1A.

- 0.8Kg
- Supplied with a metal clip

| Item   | Description    | BT Ref | Price |
|--------|----------------|--------|-------|
| 200152 | Rigging Weight | 1A     | £6.39 |

## Wax String

Waxed polyester lacing cord for securing wire and cable. Puts less bends and stress on fibre than unwaxed lacing cord

- Ideal for tidy cable installs

| Item   | Description | Diameter   | Length | Price |
|--------|-------------|------------|--------|-------|
| 801206 | Wax String  | 1.9x0.26mm | 200Mtr | £7.05 |

## Securing Rope Tape 12A

Rope to secure polyethylene cables in jointing chambers

- Also known as BT Tape 12A

| Item   | Description   | Length | UoM      | Price |
|--------|---------------|--------|----------|-------|
| 792093 | Securing Rope | 2.5Mtr | Pk of 10 | £1.75 |

## Link Keystone

Steel link for use with cabling ropes

- High tensile steel
- Shaped in a figure of 8

| Item   | Description   | Price |
|--------|---------------|-------|
| 200289 | Link Keystone | £3.84 |

## Cabling Links (Maillon)

Standard screw-type rope links also known as a maillon

- 200293 - Also known as BT Link Cabling 1
- 992691 - Also known as BT Link Cabling 2
- Can be used to joint 2 lengths of cabling rope together

| Item   | Description  | BT Ref | Rope Size | Working Load Limit | Diameter | Price |
|--------|--------------|--------|-----------|--------------------|----------|-------|
| 200293 | Cabling Link | No.1   | 19mm      | 980Kg              | 8mm      | £5.90 |
| 992691 | Cabling Link | No.2   | 21mm      | 1000Kg             | 10mm     | £9.70 |

## Fibre Locking Mechanism for Ultra-Lightweight Overhead Cables

The Fibre Locking Mechanism (FLM) is a locking mechanism essential for 'loose' jacketed element(s) in an overhead cable. The FLM provides an effective solution that isolates the termination of the fibres, either spliced or connectorised, in the fibre enclosure from the 'in span' environmental loading (ice and winding)

- Can be attached to a wooden pole with 4x No.8 x 1" countersunk pozi wood screws (820139)
- Designed to form a 'bridge' over other cables fitted to a pole

| Item   | Description             | Style            | Price |
|--------|-------------------------|------------------|-------|
| 820214 | Fibre Locking Mechanism | 36F ULW OH Cable | £5.51 |

## Over Head Cable Installation Tool

The OPT Over Head Cable Installation Tool, also known as a Hybrid Cable Come Along, is used to hold and aid tension within a cable during installation

- Securely wraps around the pole with heavy duty chain
- Sturdy carabina to secure and hold tension during installation
- Hard wearing construction of cable grip housing
- Suitable for Hybrid Drop Tube

| Item   | Description                      | Mfr Ref | For Use With | Price  |
|--------|----------------------------------|---------|--------------|--------|
| 820206 | Overhead Cable Grip (Come Along) | T0132   | Hybrid Cable | £31.77 |

# External Cabling

## Grip Pulling Tool

Scissor action tool for pulling and holding aerial cables and wires during erection and tensioning

| Item   | Description       | Type | Size    | Price  |
|--------|-------------------|------|---------|--------|
| 993092 | Grip Pulling Tool | 0.7T | 3mm-8mm | £49.90 |
| 700124 | Grip Pulling Tool | 0.7T | 4-12mm  | £56.50 |

## Dropwire Pulleys

A dropwire pulley is used in the erection or installation of dropwire cables. Available in two types, both are a one way snatch block type but pulley No.6 incorporates a clam cleat

| Item   | Description     | BT Ref | SWL  | Price  |
|--------|-----------------|--------|------|--------|
| 200149 | Dropwire Pulley | No.4   | 70Kg | £32.90 |
| 790111 | Dropwire Pulley | No.6   | 70Kg | £45.50 |

## Dropwire

Used for wiring between distribution poles and building entry points

- 0.5mm solid copper conductors
- Integral steel support strands
- PE sheath

| Item   | Description  | Type   | Length | Price  |
|--------|--------------|--------|--------|--------|
| 770444 | Dropwire 10B | CW1411 | 350Mtr | £64.80 |

## Dropwire Protection Sleeve

PVC sleeve for securing dropwire strength members and preventing them from causing damage to the conductors

- Also known as BT Sleeve
- Dropwire Protection 2A

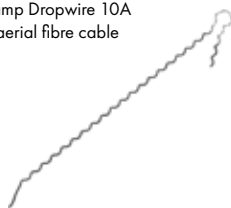

| Item   | Description       | BT Ref | UoM       | Price |
|--------|-------------------|--------|-----------|-------|
| 991942 | Protection Sleeve | 2A     | Pk of 100 | £6.95 |

## Dropwire Clamps

Coated stainless steel dead end for fixing drop wire at pole or premises' termination points. Clamps are designed to be wrapped around the dropwire not the wire around the clamp

- 992043 also known as BT Clamp Dropwire 10A
- 818157 designed to help with aerial fibre cable dropwire installations

| Item   | Description          | Cable Dia | UoM  | Price  |
|--------|----------------------|-----------|------|--------|
| 992043 | Dropwire Clamp 10A   | 5.5mm     | Each | £0.65  |
| 818157 | Fibre Dropwire Clamp | 7mm       | Pk10 | £47.75 |

## Telescopic Clearance Rods

7 section telescopic glass fibre tubes for measuring height of overhead lines

| Item   | Description    | Length | Price  |
|--------|----------------|--------|--------|
| 992199 | Telescopic Rod | 6.5Mtr | £42.95 |

## AR600E Cable Height Meter

A handy portable ultrasonic meter for fast and accurate cable height measuring

- Standard set includes:
- Height meter
- Batteries
- Accessory bracket (horizontal distance measurement only)
- User manual
- Carry case

| Item   | Description                           | Mfr Ref | Price   |
|--------|---------------------------------------|---------|---------|
| 810595 | Digital Ultrasonic Cable Height Meter | AR600E  | £249.00 |

## Catenary Steel Wires

High tensile galvanised stranded steel wire

- Used for aerial cable suspension

| Item   | Description         | Style      | Type         | Approx Break Load | Diameter | Length | Price  |
|--------|---------------------|------------|--------------|-------------------|----------|--------|--------|
| 778482 | Catenary Steel Wire | Galvanised | Seven Strand | 650Kg             | 4.75mm   | 50Mtr  | £33.29 |
| 992798 | Catenary Steel Wire | Galvanised | Seven Strand | 650Kg             | 4.75mm   | 100Mtr | £65.57 |

## Catenary Kit

A catenary wire cable support kit for installing overhead cables from poles or buildings

- Kit includes 50m x 4.75mm steel wire galvanised 7 strand rope
- 4 x Bulldog style wire grip
- 2 x Steel wire thimble
- 1 x Hook & eye tensioner
- 2 x 50mm wall plate

| Item   | Description  | Length | Price  |
|--------|--------------|--------|--------|
| 778485 | Catenary Kit | 50Mtr  | £46.31 |

# External Cabling

## Tensioner 2B

A tensioning tool used during the erection and recovery of aerial cables

- Ratchet type tensioning tool
- Sprint latch hooks for secure attachment to cable and pulling equipment

| Item   | Description | BT Ref | Price  |
|--------|-------------|--------|--------|
| 700119 | Tensioner   | 2B     | £59.95 |

## Steel Wire Tensioner

Galvanised steel device for tensioning aerial suspension wires

| Item   | Description          | Thread Size | Price |
|--------|----------------------|-------------|-------|
| 993800 | Steel Wire Tensioner | 12mm        | £9.70 |

## Steel Wire Thimble

Galvanised mild steel, standard pattern thimble for use with steel wire strand

| Item   | Description        | Size | Price |
|--------|--------------------|------|-------|
| 993407 | Steel Wire Thimble | 5mm  | £0.49 |

## Steel Wire Grips

Clamping device for use with steel wire strand, also known as bulldog grips

| Item   | Description     | Style         | Size  | Price |
|--------|-----------------|---------------|-------|-------|
| 992925 | Steel Wire Grip | Bulldog Style | 5mm   | £0.60 |
| 993032 | Steel Wire Grip | Bulldog Style | 6.5mm | £0.53 |
| 990342 | Steel Wire Grip | Bulldog Style | 8mm   | £0.55 |

## Pole Step No1

Steps for use on wooden poles only

- Also known as BT Step Pole 1
- M10 coach screws can be used with these pole steps (993001)

| Item   | Description | BT Ref | Price |
|--------|-------------|--------|-------|
| 992808 | Pole Step   | No.1   | £2.45 |

## Coach Screw

Hex head coach bolt for use with pole steps

| Item   | Description | Diameter | Length | Price |
|--------|-------------|----------|--------|-------|
| 993001 | Coach Screw | M10      | 75mm   | £0.24 |

## Brace Coach Screw

This handheld brace is used to attach and remove pole steps from poles

- Easily remove pole steps
- Black and yellow handle

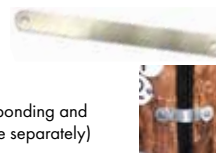

| Item   | Description       | Price  |
|--------|-------------------|--------|
| 100046 | Brace Coach Screw | £26.50 |

## Aluminium Strips For Cable Cleating

Aluminium strips used on telegraph poles to secure dropwire cable every 450mm (18")

- Use in conjunction with nails bonding and galvanised washer 19 (available separately)

| Item   | Description      | Length | UoM      | Price |
|--------|------------------|--------|----------|-------|
| 821725 | Aluminium Strips | 80mm   | Pk of 25 | £2.90 |
| 823039 | Aluminium Strips | 120mm  | Pk of 25 | £3.75 |
| 821428 | Aluminium Strips | 160mm  | Pk of 25 | £4.50 |

## Dropwire Polehead

Galvanised steel ring for distributing cables from pole tops

- Bolt diameter 16mm

| Item   | Description            | Ring Dia | Price |
|--------|------------------------|----------|-------|
| 992813 | Polehead Dropwire Ring | 240mm    | £7.25 |

## Dropwire Brackets

Galvanised steel bracket for attaching wires to poles or walls

| Item   | Description | Fixing Holes | Price |
|--------|-------------|--------------|-------|
| 992041 | Bracket 22  | 8mm          | £0.66 |
| 992042 | Bracket 32  | 8mm          | £3.50 |

## Wall Plate with Thimble

Galvanised steel wall plate for lightweight cables and wires

| Item   | Description               | Width | Length | Price |
|--------|---------------------------|-------|--------|-------|
| 993027 | Wall Plate 5 with Thimble | 150mm | 100mm  | £9.90 |

## Expanding Eyebolts

Single point fixing ring bolt for terminating dropwire

- Hole size required: 1A = 8-10mm x 50mm deep
- Hole size required: 2A = 16mm x 95mm deep

| Item   | Description          | Thread Size | Price |
|--------|----------------------|-------------|-------|
| 993797 | Expanding Eyebolt 1A | M6          | £0.55 |
| 994088 | Expanding Eyebolt 2A | M10         | £1.05 |

## Probe Pole Test

Hardened steel 10 inch tool used to detect external decay on wooden poles

- Includes protective sheath

| Item   | Description     | Price |
|--------|-----------------|-------|
| 789405 | Probe Pole Test | £6.50 |

## Galvanised Steel Capping

Formed galvanised steel channel for protecting cables

- Pre-drilled
- Sized by max cable diameter
- Delivery surcharge

| Item   | Description   | Cable Dia | Length | Price  |
|--------|---------------|-----------|--------|--------|
| 992815 | Steel Capping | 19mm      | 2440mm | £15.64 |
| 992816 | Steel Capping | 50mm      | 2440mm | £19.43 |
| 992817 | Steel Capping | 75mm      | 2440mm | £22.76 |

## Metal Capping Adaptors

Galvanised steel boot for protecting cable between capping and duct (90mm)

- Suitable for use with 19mm capping

| Item   | Description     | Type              | Price |
|--------|-----------------|-------------------|-------|
| 992812 | Capping Adaptor | 19mm Capping Only | £3.25 |

## Plastic Capping

Durable plastic channel for protecting smaller cables installed on poles and walls

- Pre-drilled
- Delivery surcharge
- 992818 Also known as BT Capping 22

| Item   | Description     | Cable Dia | Length | Price |
|--------|-----------------|-----------|--------|-------|
| 992818 | Plastic Capping | 19mm      | 2440mm | £2.50 |
| 992820 | Plastic Capping | 42mm      | 2440mm | £6.75 |
| 782629 | Plastic Capping | 50mm      | 2440mm | £8.25 |

# External Cabling

## Caution Overhead Fibre Labels

To be affixed to wooden telegraph poles where overhead fibre cable is present

| Item   | Description                  | UoM      | Price |
|--------|------------------------------|----------|-------|
| 826084 | Caution Overhead Fibre Label | Pk of 10 | £8.95 |

## Lifting Slings

Lifting slings for working at height

- 4A, 5A & 6A are flat webbing slings
- 10A is used for lifting & handling hollow pipes

| Item   | Description   | BT Ref | SWL    | Length | Price  |
|--------|---------------|--------|--------|--------|--------|
| 200199 | Lifting Sling | 4A     | 1000Kg | 1Mtr   | £8.25  |
| 821758 | Lifting Sling | 5A     | 1000Kg | 2Mtr   | £9.75  |
| 821760 | Lifting Sling | 6A     | 1000Kg | 3Mtr   | £12.61 |
| 200197 | Lifting Sling | 10A    | 1000Kg | 3Mtr   | £9.73  |

## BT Cable Entry Covers

Cable entry cover and capping for running telephone cabling into a premises

- BT Cover 101A covers cable entry on house wall (Cover dimensions 105mm x 78mm x 28mm)
- BT Capping 25 runs between connector bend 4 & cover 101A to enclose service cable
- BT Connector Bend 4 for use on housing estates to connect duct 102 or duct 56 to cover 101A - Also known as an 'Elephants Foot'

| Item   | Description         | Length | Price |
|--------|---------------------|--------|-------|
| 802285 | BT Cover 101A       | -      | £6.11 |
| 802283 | BT Capping 25       | 500mm  | £6.96 |
| 802284 | BT Connector Bend 4 | -      | £6.96 |

## Universal Cable Entry Covers

Cable entry fascia for protecting/covering cable entry into an external wall

- Suitable for coaxial, satellite and electrical cables
- Hides broken and chipped bricks as well as helping to prevent water ingress

| Item   | Description       | Colour | Price |
|--------|-------------------|--------|-------|
| 803680 | Cable Entry Cover | Black  | £0.45 |
| 786451 | Cable Entry Cover | Red    | £0.45 |
| 803681 | Cable Entry Cover | Stone  | £0.45 |
| 786450 | Cable Entry Cover | White  | £0.45 |

## Resin 2B

2 Part component polyurethane compound specifically formulated for use in the construction of vertical air blocks in pressurised telecommunication cables

- Curing time: 4 hours

| Item   | Description | Weight | Price  |
|--------|-------------|--------|--------|
| 993977 | Resin 2B    | 450g   | £11.23 |

## Resin 6C

Resin for sealing cabinet bases

- 2 Part component polyurethane compound specifically formulated for use as a sealant against the ingress of moisture into the concrete bases of cabinets cross-connection
- Gel/set time: 2hrs/24hrs

| Item   | Description | Volume | Price  |
|--------|-------------|--------|--------|
| 789132 | Resin 6C    | 3.3ltr | £28.16 |

## Resin 9B

2 Part component polyurethane compound specifically formulated for the sealing of polyethylene sheathed telecommunication cables into the bases of sleeves 30A, 31A and 32A. It is also used in fibre optic closures

| Item   | Description | Volume | Price |
|--------|-------------|--------|-------|
| 996773 | Resin 9B    | 110ml  | £6.54 |

## Resin 10B

2 Part polyurethane resin for closure sealing and repairs

- Gel/set time: 6min/20min
- Very Hard / permanent sealant for sealing sleeves 30A, 31A and 32B

| Item   | Description | Price |
|--------|-------------|-------|
| 789133 | Resin 10B   | £7.04 |

## Duct Sealant 16A

Compound 16A is a single component non-curing mastic specifically designed for sealing against gas and water in underground conduits carrying telephone cables

| Item   | Description      | UoM | Price |
|--------|------------------|-----|-------|
| 991803 | Duct Sealant 16A | 1Kg | £6.58 |

## Putty Sealant DX5

Duct sealing putty highly resistant to cracking, drying and shrinking

- For sealing around junction boxes, service cable entries and other similar applications

| Item   | Description | Weight | Price  |
|--------|-------------|--------|--------|
| 994012 | Putty DX5   | 5x454g | £14.10 |

## Desiccant Pack 2A

Used to dry out unventilated cabinets

- Also known as BT Desiccant Pack 2A

| Item   | Description    | BT Ref | Weight   | Price |
|--------|----------------|--------|----------|-------|
| 801805 | Desiccant Pack | 2A     | 110grams | £1.55 |

**NEW TOOL KITS AVAILABLE**

# External Cabling

## Contractors Tube Sealants

All purpose flexible sealant with excellent waterproofing quality

- Contains mould inhibiting fungicide
- High movement accommodation

| Item   | Description      | Volume | Colour | Price |
|--------|------------------|--------|--------|-------|
| 440041 | Silicone Sealant | 280ml  | Brown  | £1.90 |
| 440042 | Silicone Sealant | 280ml  | Clear  | £1.90 |
| 440043 | Silicone Sealant | 280ml  | White  | £1.90 |

## Tait Tools Caulking Gun

Caulking gun for easy application of sealant or adhesives around corners without having to stop or reposition the nozzle

- Handle combines plunger and release clip
- Max capacity 400ml
- Heavy duty gun perfect for application of sealants and resins

| Item   | Description  | Type       | Mfr Ref | Price |
|--------|--------------|------------|---------|-------|
| 100185 | Caulking Gun | Heavy Duty | CG200   | £5.64 |

## 22 Acrylic Sealant

Firebreak 22 is a fire resistant, intumescent acrylic sealant that forms a durable, flexible and resilient acoustic seal

- 4 Hours fire resistance
- Independently fire tested and assessed
- Independently sound tested
- Suitable for horizontal/vertical low movement joints
- Non-toxic, low smoke, halogen free
- Good adhesion to most common building materials (brick, concrete, plaster, plasterboard, wood, anodised aluminium etc)

| Item   | Description  | Compound                                  | Volume | Colour | Price |
|--------|--------------|---|--------|--------|-------|
| 788073 | Firebreak 22 | Fire Resistant & Acoustic Acrylic Sealant | 310ml  | White  | £3.96 |

## Firebreak Fire Resistant Sealant

One part, fire resistant, neutral curing silicone sealant to be used where a flexible fire resistant joint is required

- 4 Hours fire resistance
- Independently fire tested
- Excellent adhesion to most building substrates including porous materials without the use of primers
- Low smoke
- Class 1 flame spread characteristics

| Item   | Description  | Compound                        | Volume | Colour | Price |
|--------|--------------|---------------------------------|--------|--------|-------|
| 786981 | Firebreak 33 | Fire Resistant Silicone Sealant | 310ml  | Grey   | £6.55 |

## 55 Fire Resistant Putty

One part, non-setting fire resistant intumescent compound designed for sealing gaps around services penetrating fire resistant construction

- Sealing cables within trunking when passing through fire separating walls and floors
- Gaps around metal pipes penetrating fire separating walls and floor gaps around electrical cables penetrating fire separating walls and floors
- Seals around penetrating services where accommodation of thermal or mechanical movement is required
- Seals around penetrating services where frequent modification is required

| Item   | Description  | Compound                        | Weight | Price  |
|--------|--------------|---------------------------------|--------|--------|
| 786980 | Firebreak 55 | Intumescent Putty (non-setting) | 1 Kg   | £14.01 |

## Fire Resistant Compound

A single pack material that, when mixed with water, provides a fire resistant smoke stop sealable to reinstate fire resistance of separating walls and floors when penetrated by building services

- Safe - free of fibres, silica and halogens
- Up to 4 hours fire resistance
- Can be used in wall and floor penetrations to accommodate a variety of penetrating services

| Item   | Description        | Compound                   | Volume | Colour | Price  |
|--------|--------------------|----------------------------|--------|--------|--------|
| 798408 | Firebreak Compound | (Gypsum Based, Dry Powder) | 20Kg   | Grey   | £22.72 |

## Fire Bags

Heavy duty re-useable glasscloth bags containing blended mineral wools and heat expandable fillers

- Can be used to provide up to 2 hours fire resistance to services penetrating fire resistant wall and floor constructions
- Temporary seals around penetrating services through openings in fire separating walls and floors; for example, during the construction phase of large building projects
- Permanent reusable seals around penetrating services through openings in fire separating walls and floors where frequent service modification is required
- Sealing cables within cable trunking where future service modification is expected

| Item   | Description                 | Size   | Width | Depth | Length | Price |
|--------|-----------------------------|--------|-------|-------|--------|-------|
| 786982 | Fire Resistant 'Pillow' Bag | Small  | 50mm  | 20mm  | 330mm  | £4.37 |
| 786983 | Fire Resistant 'Pillow' Bag | Medium | 200mm | 25mm  | 330mm  | £5.91 |
| 786984 | Fire Resistant 'Pillow' Bag | Large  | 200mm | 45mm  | 330mm  | £5.82 |

# External Cabling

## Expanding Foam Sealant

A high expansion yield, polyurethane filling and insulation foam

- CFC free
- Fire rated Class B2

| Item   | Description    | Style          | Volume | Price |
|--------|----------------|----------------|--------|-------|
| 774220 | Expanding Foam | Fire Resistant | 750ml  | £7.50 |

## All Purpose Filler

Ready mixed filler for internal/external repairs

- Water resistant when set
- Drillable when set

| Item   | Description        | Weight | Price |
|--------|--------------------|--------|-------|
| 774221 | All Purpose Filler | 600g   | £1.89 |

## Epoxy Resin

A two part epoxy resin glue by Araldite which will bond ceramics, wood, chipboard, glass, metal and most hard plastics

- Repositionable for up to two hours
- Supplied with one tube of adhesive and one tube of hardener
- Syringe enables equal amounts of resin and hardener to be dispensed
- Syringe features re-usable cap
- Glue will not dry out in tubes

| Item   | Description | Type     | Size    | Price |
|--------|-------------|----------|---------|-------|
| 821504 | Epoxy Resin | Standard | 2x 15ml | £6.49 |

## All Purpose Contact Adhesive

Premium grade rubber based contact adhesive

- Suitable for internal and external use
- 1 minute instant bond

| Item   | Description                  | Size | Price |
|--------|------------------------------|------|-------|
| 799921 | All Purpose Contact Adhesive | 30ml | £2.93 |

## Impact Adhesive

Bonds most materials

- High strength
- Instant grab, 10 minute drying time

| Item   | Description     | Size     | Price |
|--------|-----------------|----------|-------|
| 719210 | Impact Adhesive | 65g Tube | £6.49 |

## Leak Detection Solution

This aqueous leak detection solution forms a stable foam when subjected to low pressure air from pressurised cables

- Solution should be applied with a clean brush ensuring that an even bubble free film is achieved
- Leave solution for 3 minutes before examining for evidence of foaming
- Remove all traces of the solution from the cable surfaces with clean water
- Also known as BT Solution Leak Detecting No.3

| Item   | Description             | Volume | Price |
|--------|-------------------------|--------|-------|
| 300130 | Leak Detection Solution | 500ml  | £2.43 |

## Safe-D Flame Retardant Trunking Cable Clips

Safe-D trunking cable clips are fire rated clips designed to retain surface cable installations even during fire conditions

- Available as flat (F-Clips) and pre-formed (U-Clips)
- Certified for 2 hours at 970°C
- Fully safety tested and certified to BS5839 part 1 compliant
- Thumb friendly, easy fold side-tabs
- Non-corrosive coating (coated versions)
- Ideal for ceiling voids, or popular PVC trunking
- Rounded edges for easy handling
- D30 - Base dimension 23mm (suitable for 30mm x 15mm Semi-Circle trunking)
- D40 - Base dimension 31mm (suitable for 50mm x 25mm Semi-Circle trunking)
- D50 - Base dimension 46mm (suitable for 50mm x 25mm Semi-Circle trunking)
- Also suitable for direct to surface installation
- We recommend Safe-D fire rated screws (818257) for use with these clips

| Item   | Man. Code       | Description               | Size | Material     | UoM       | Price  |

## Safe-D Conduit Spring Clips

A metal spring clip ideal for clamping cables within PVC micro trunking for an extra level of fire protection

- Suitable for use with mini, midi, quadrant or semi circular trunking
- Can be used independently
- Use with Safe-D fire rated screws (818257)

| Item   | Man. Code      | Description                | Material | UoM      | Price  |
|--------|----------------|----------------------------|----------|----------|--------|
| 818253 | SAFEDSPRING/50 | Safe-D Conduit Spring Clip | Steel    | Pk of 50 | £10.65 |

# Fixings, Fastenings & Labelling

## Safe-D Fire Rated Screws

Fire rated screws for use with Safe-D cable clips

- Suitable for use with spring clips, conduit clips or standard trunking clips

| Item   | Man. Code | Description   | UoM       | Price |
|--------|-----------|---------------|-----------|-------|
| 818257 | DFIX/100  | Safe-D Screws | Pk of 100 | £8.05 |

## Wall Dog Fire Rated Screws

An all steel, tension-free, one piece, threaded fastener. Use to fasten various fixtures directly to drywall, wood, concrete, sand-lime stone or brickwork

- No plug needed

| Item   | Description     | UoM       | Price |
|--------|-----------------|-----------|-------|
| 804431 | Wall Dog Screws | Pk of 100 | £6.90 |

## Countersunk Wood Screws

Ultima countersunk twin thread wood screws

- Countersunk recessed head
- Suitable for wood, plastic and nylon wall plugs

| Item   | Description | Type        | Style | Size  | Finish | Length           | UoM       | Price |

## Driva Wall Plugs

Metal one-piece, self-drilling anchor designed for fastening light/medium loads to plasterboard

- For use in plasterboard
- Simply screw in place using a screwdriver
- Length 37mm

| Item   | Description     | Drill Size | UoM     | Price |
|--------|-----------------|------------|---------|-------|
| 778678 | Wall Plug Driva | 8mm        | Box 100 | £8.09 |

## Masonry Anchor - Loose Bolt

A high performance bolt suitable for heavy duty concrete

- Heavy duty anchor bolts for floor fixing

| Item   | Description | Size | Diameter | Length | Price |
|--------|-------------|------|----------|--------|-------|
| 778663 | Loose Bolt  | M6   | 12mm     | 70mm   | £0.60 |
| 778664 | Loose Bolt  | M8   | 14mm     | 75mm   | £0.75 |
| 778665 | Loose Bolt  | M10  | 16mm     | 110mm  | £1.05 |
| 804247 | Loose Bolt  | M12  | 20mm     | 115mm  | £1.35 |

## Masonry Anchor - Projecting Bolts

A high performance bolt suitable for heavy duty concrete, brickwork and stone

- Projecting bolt for wall fixings

| Item   | Description     | Size | Diam | Length | Price |
|--------|-----------------|------|------|--------|-------|
| 803569 | Projecting Bolt | M6   | 12mm | 75mm   | £0.55 |
| 803570 | Projecting Bolt | M8   | 14mm | 100mm  | £0.70 |
| 803571 | Projecting Bolt | M10  | 16mm | 120mm  | £1.30 |
| 804248 | Projecting Bolt | M12  | 20mm | 135mm  | £1.75 |

## JCP Spin In Resin Anchors

A measured resin hardener and aggregate sealed in a glass capsule. The capsule is placed in the fixing hole and the fastening stud is rotated into the capsule, mixing and initiating the curing process

- Faster installation than pumping resins
- Exact measure of resin required for each application
- Either end can be inserted into the hole
- Suitable for reduced anchor spacing and edge distances
- Ideal for installation in wet or damp conditions
- Vibration resistant

| Item   | Description           | Size | Hole Depth | Diameter | Length | UoM      | Price |
|--------|-----------------------|------|------------|----------|--------|----------|-------|
| 782519 | Spin In Resin Anchors | M8   | 80mm       | 10mm     | 80mm   | Pk of 10 | £7.99 |

## Waterproof Tapes

High quality gaffer tape

- Flexible, abrasion resistant and easy to unwind

| Item   | Description  | Width | Length | Colour | Price |
|--------|--------------|-------|--------|--------|-------|
| 783808 | 'Gaffa' Tape | 50mm  | 50Mtr  | Black  | £4.37 |
| 783809 | 'Gaffa' Tape | 50mm  | 50Mtr  | Silver | £4.37 |

## Aluminium Tapes

Aluminium foil tape

- Protects against effects of fire, dust and moisture
- Also helps to insulate pipes

| Item   | Description    | Width | Length | Price |
|--------|----------------|-------|--------|-------|
| 789146 | Aluminium Tape | 50mm  | 45Mtr  | £2.82 |

## Masking Tape

Tape for masking off areas not to be painted

- Can be used on glass, plasterboard and walls

| Item   | Description  | Width | Price |
|--------|--------------|-------|-------|
| 791266 | Masking Tape | 50mm  | £2.46 |

## Double Sided Foam Tape

Double sided adhesive foam tape ideal for back boxes

| Item   | Description       | Width | Length | Price |
|--------|-------------------|-------|--------|-------|
| 993969 | Double Sided Tape | 16mm  | 25Mtr  | £7.35 |

## Self Amalgamating Tape

Formable tape which bonds to itself to form a solid mass for a watertight seals

- Ideal for use with braided sleeving
- Can be used to seal leaks in water pipes and hoses
- Length 10Mtr

| Item   | Description            | Dimensions | Price |
|--------|------------------------|------------|-------|
| 799183 | Self Amalgamating Tape | 0.5mmx19mm | £3.65 |
| 992070 | Self Amalgamating Tape | 0.5mmx25mm | £3.95 |

## Cabling Adhesive Tape

A cloth adhesive tape for securing cable grips to cable sheath

- Protects cable sheath from damage
- Strong adhesion qualities

| Item   | Description           | Width | Length | Price |
|--------|-----------------------|-------|--------|-------|
| 992062 | Cabling Adhesive Tape | 50mm  | 20Mtr  | £6.26 |

# Fixings, Fastenings & Labelling

## Joint Sealing Tape

A 'Denso' type tape for joint wrapping

- Water and weather proof
- Strong adhesion properties
- Easy moulded around awkward shapes

| Item   | Description  | Width | Colour | Length | Price |
|--------|--------------|-------|--------|--------|-------|
| 992063 | Sealing Tape | 50mm  | Black  | 10Mtr  | £4.17 |

## Reinforcing Tape For Rubber Sheets

Reinforcing tape for use with self adhesive rubber sheets

| Item   | Description      | Width | Length | Price |
|--------|------------------|-------|--------|-------|
| 992072 | Reinforcing Tape | 50mm  | 10Mtr  | £2.34 |

## Poly Tape

Poly tape for tying cable wrappings and bundles

- Also known as BT Tape 11A

| Item   | Description | Width | Length | Price |
|--------|-------------|-------|--------|-------|
| 801147 | Poly Tape   | 5mm   | 500Mtr | £2.70 |

## Hazard Tapes

- Vivid colours and easy to apply
- Abrasion, moisture and wear-resistant
- Adheres to a wide variety of substrates

| Item   | Description | Width | Length | Colour | Price |
|--------|-------------|-------|--------|--------|-------|
| 807686 | Hazard Tape | 50mm  | 33Mtr  | B/Y    | POA   |
| 807687 | Hazard Tape | 50mm  | 33Mtr  | R/W    | POA   |

## Barrier Tape

Barrier safety tape that can be used to mark out hazards

- Non-adhesive

| Item   | Description  | Width | Colour | Length | Price |
|--------|--------------|-------|--------|--------|-------|
| 801215 | Barrier Tape | 70mm  | R/W    | 500Mtr | £4.30 |

## Staple Guns

A high performance tool firing both CT-45 and CT-60 staples without any need for adjustment

- Ideal for installation of coaxial, satellite, Cat5 and Cat6 cables
- Lock down handle for easy storage
- Impact power adjuster
- Bottom loading magazine
- Slim high quality steel construction
- Full length cable guide

| Item   | Description             | Type                  | Colour | Price  |
|--------|-------------------------|-----------------------|--------|--------|
| 791217 | Cable Tacker Staple Gun | Combination CT45/CT60 | Silver | £19.90 |

## CT45 Staples

CT-45 staples for cables up to 4.5mm diameter

- High quality staples
- Boxed in 5x 1000 packs
- Galvanised finish
- Ideal for securing telecoms and alarm cabling up to 4.5mm in diameter
- Use in Tacwise combi cable tracker 791217

| Item   | Description        | Type | Height | Diameter    | Colour | UoM        | Price |
|--------|--------------------|------|--------|-------------|--------|------------|-------|
| 801116 | Galvanised Staples | CT45 | 8mm    | up to 4.5mm | Silver | Pk of 5000 | £6.44 |

| 801114 | Galvanised Staples | CT45 | 10mm   | up to 4.5mm | White  | Pk of 5000 | £7.68 |

## CT60 Staples

CT-60 staples for cables up to 6mm diameter

- High quality staples
- Boxed in 5x 1000 packs
- Galvanised finish
- For the installation of coaxial, satellite, Cat5e and Cat6 cables and other low voltage cabling applications
- Use in Tacwise combi cable tracker 791217

| Item   | Description        | Type | Height | Diameter  | Colour | UoM        | Price  |
|--------|--------------------|------|--------|-----------|--------|------------|--------|
| 993861 | Galvanised Staples | CT60 | 10mm   | up to 6mm | Silver | Pk of 5000 | £6.83  |
| 801370 | Galvanised Staples | CT60 | 14mm   | up to 6mm | Silver | Pk of 5000 | £9.40  |
| 801371 | Galvanised Staples | CT60 | 10mm   | up to 6mm | White  | Pk of 5000 | £6.50  |
| 801373 | Galvanised Staples | CT60 | 14mm   | up to 6mm | White  | Pk of 5000 | £10.55 |

# Fixings, Fastenings & Labelling

## R28 Heavy Duty Cable Tacker

The Rapid R28 stapler is ideal for securing low voltage cables (below 50V) up to 4.5mm diameter. It has no recoil and an adjustable driving force to suit hard or softer materials or to assist driving of longer staples

- Fast bottom loading
- Uses cable staples No. 28 (8mm to 10mm)
- Suitable for cables up to 4.5mm diameter

| Item   | Description             | Type | Colour | Price  |
|--------|-------------------------|------|--------|--------|
| 440151 | Cable Tacker Staple Gun | R28  | Silver | £31.55 |

## R28 Staples

No.28 staples suitable for the Rapid R28 staple gun

- For use on cable up to 4.5mm wide
- Suitable for Rapid R28 cable tacker
- Galvanised steel

| Item   | Description        | Type | Height | Diameter    | Colour | UoM        | Price |
|--------|--------------------|------|--------|-------------|--------|------------|-------|
| 993860 | Galvanised Staples | R28  | 10mm   | up to 4.5mm | Silver | Pk of 5000 | £6.10 |
| 797351 | Galvanised Staples | R28  | 8mm    | up to 4.5mm | White  | Pk of 5000 | £5.65 |
| 797352 | Galvanised Staples | R28  | 10mm   | up to 4.5mm | White  | Pk of 5000 | £6.40 |

## R36 Heavy Duty Cable Tacker

The Rapid R36 stapler is ideal for securing low voltage cables (below 50V) up to 6mm diameter. It has no recoil and an adjustable driving force to suit hard or softer materials or to assist driving of longer staples

- Fast bottom loading
- Uses cable staples No. 36 (10mm to 14mm)
- Suitable for cables up to 6mm diameter

| Item   | Description             | Type | Colour | Price  |
|--------|-------------------------|------|--------|--------|
| 993858 | Cable Tacker Staple Gun | R36  | Silver | £32.62 |

## R36 Staples

No.36 Staples for the Rapid R36 staple gun

- For use on cable up to 6mm wide
- Suitable for Rapid R36 cable tacker
- Galvanised steel

| Item   | Description        | Type | Height | Diameter  | Colour | UoM        | Price |
|--------|--------------------|------|--------|-----------|--------|------------|-------|
| 797354 | Galvanised Staples | R36  | 12mm   | up to 6mm | Silver | Pk of 5000 | £7.45 |
| 993863 | Galvanised Staples | R36  | 14mm   | up to 6mm | Silver | Pk of 5000 | £7.78 |
| 808365 | Galvanised Staples | R36  | 14mm   | up to 6mm | White  | Pk of 5000 | £8.35 |

## Standard Cable Ties

One-piece moulded non-releasable cable ties

- Made with nylon 6.6
- Bent finger grip and low threading force for quick installation
- Smooth rounded edges
- Flame resistant in accordance with UL94V2

| Item   | Description     | Bundle Size | Width | Length | Colour  | UoM       | Price  |

| 788747 | Cable Ties  | LSZH | Fire Retardant | 110mm       | 4.6mm | 390mm  | Natural | Pk of 100 | £31.71 |

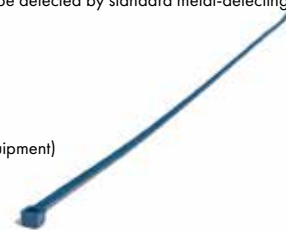

# Fixings, Fastenings & Labelling

## Metal Content Cable Tie

HellermannTyton

The metal content cable tie is designed for use in the food and pharmaceutical processing industries. A unique manufacturing process, involving the inclusion of a metallic pigment, enables even small 'cut-off' sections of the tie to be detected by standard metal-detecting equipment

- Total metal dispersion throughout the tie
- Can support quality assurance in the production of food stuffs, for example HACCP
- Blue colour for easy visual detection
- Greatly reduces risk of contamination
- Magnetic and X-ray detectable (detection level depending on specific application and equipment)

| Item   | Description | Bundle Size | Width | Length | UoM       | Price  |
|--------|-------------|-------------|-------|--------|-----------|--------|
| 811018 | Cable Ties  | 50mm        | 4.6mm | 202mm  | Pk of 100 | £14.47 |
| 811021 | Cable Ties  | 110mm       | 4.7mm | 380mm  | Pk of 100 | £27.59 |
| 811022 | Cable Ties  | 535mm       | 7.6mm | 387mm  | Pk of 100 | £44.52 |

## Stainless Steel Cable Tie

Stainless steel cable ties to support cables in escape routes and prevent overhead cables, including those in PVC conduit, from premature collapse in the event of a fire

- Self locking design for fast and secure installation
- Smooth internal surface, suitable for all types of cable insulation
- Roller ball type 316 grade stainless steel cable ties
- Det Norske Veritas type approval number E-6729
- Operating temperature: -60°C to 300°C

| Item   | Description               | Bundle Size | Width | Colour | Length | UoM       | Price  |
|--------|---------------------------|-------------|-------|--------|--------|-----------|--------|

| 798942 | Stainless Steel Cable Tie | 75mm        | 4.6mm | Silver | 260mm  | Pk of 100 | £11.28 |
| 798943 | Stainless Steel Cable Tie | 85mm        | 4.6mm | Silver | 300mm  | Pk of 100 | £13.14 |
| 798944 | Stainless Steel Cable Tie | 113mm       | 4.6mm | Silver | 360mm  | Pk of 100 | £17.86 |

## Stainless Steel Screw Fixed Cable Tie Cradles

Stainless steel screw fixed cable tie cradles for use with stainless steel cable ties

- For indoor and outdoor use, fully weather and UV resistant
- Ideal for hazardous environments
- Fire and corrosion resistant
- Where security and durability are critical
- Can be used for fixing pipework, conduits and bundles of cables

| Item   | Description    | Type               | Cable Tie Size | Height | Width | Length | UoM      | Price  |
|--------|----------------|--------------------|----------------|--------|-------|--------|----------|--------|
| 810524 | Cable Tie Base | Stainless Steel M4 | 10mm           | 4.2mm  | 15mm  | 29.2mm | Pk of 50 | £11.19 |
| 810526 | Cable Tie Base | Stainless Steel M6 | 10mm           | 6.2mm  | 15mm  | 29.2mm | Pk of 50 | £11.70 |

## Marker/Label Ties

A quick and effective method of securing and marking bundles of cables

- Large flat area for attachment of printed labels

| Item   | Description     | Type                  | Marking Area | Bundle Size | Width | Length | UoM       | Price |
|--------|-----------------|-----------------------|--------------|-------------|-------|--------|-----------|-------|
| 786241 | Nylon Cable Tie | Identification Marker | 25x8mm       | 18mm        | 2.5mm | 100mm  | Pk of 100 | £2.22 |

## Cable Ties

Cable ties made using a soft and flexible material that can stretch by up to 60%. The specially shaped cells are designed to deform and flex to permit them to pass through one another

- A radical departure from the traditional nylon tie, which forms a single rigid loop
- Offers a softer binding that can be pulled to any required tension
- Can be easily removed and re-used
- Self-terminating design - when a tied portion is cut off, the remaining section is still fully functional creating multiple ties from each strap

| Item   | Description        | Width | Length | Colour | UoM       | Price |
|--------|--------------------|-------|--------|--------|-----------|-------|
| 779819 | Reusable Cable Tie | 10mm  | 300mm  | Black  | Bag of 48 | £5.64 |

## SAF Self-Adhesive Cable Clips

Self-adhesive clips with a deformable tongue which can easily be shaped around the cable to give a secure fixing

- Clips are made from mild steel with a self-adhesive backing

| Item   | Description       | Type          | Mfr Ref | Size | Width | Length | Colour | UoM       | Price  |
|--------|-------------------|---------------|---------|------|-------|--------|--------|-----------|--------|
| 993927 | SAF Standard Clip | Self Adhesive | SAF2    | 8mm  | 25mm  | 37mm   | White  | Pk of 50  | £5.81  |
| 993928 | SAF Standard Clip | Self Adhesive | SAF3    | 12mm | 32mm  | 44mm   | White  | Pk of 100 | £7.99  |
| 993929 | SAF Standard Clip | Self Adhesive | SAF4    | 16mm | 38mm  | 53mm   | White  | Pk of 100 | £10.20 |

## Push-In Cable Tie Mount

To fix cables to walls without using screws or plugs

- Simply drill hole (6mm or 8mm) and knock in
- Accepts cable ties up to 9mm wide

| Item   | Description    | Dia | Length | UoM    | Price |
|--------|----------------|-----|--------|--------|-------|
| 779857 | Cable Tie Base | 6mm | 30mm   | Pk 100 | £4.64 |
| 779724 | Cable Tie Base | 8mm | 44mm   | Pk 100 | £4.64 |

## Heavy Duty Cable Tie Base

Suitable for use with 4.8mm cable ties

- Supplied with self-adhesive pad
- Can be screw fixed

| Item   | Description    | Width | Length | UoM       | Price |
|--------|----------------|-------|--------|-----------|-------|
| 994701 | Cable Tie Base | 25mm  | 25mm   | Pk of 100 | £6.56 |

# Fixings, Fastenings & Labelling

## Screw Fixed Cable Tie Cradles

Centre and side fixed cable tie bases

- Made from nylon 6.6
- Black mounts are resistant to UV radiation

| Item   | Description    | Type                      | Cable Tie Size | Width | Length | Colour  | UoM       | Price |
|--------|----------------|---------------------------|----------------|-------|--------|---------|-----------|-------|
| 779823 | Cable Tie Base | Screw Type (Centre Fixed) | 4.8mm          | 10mm  | 15mm   | Black   | Pk of 100 | £2.46 |

## Self-Adhesive Tie Bases

Mounts are assembled on a backing strip for easy removal

- A coating of synthetic rubber on both sides of the foam base creates high levels of instant tack and shear adhesion
- Material Nylon 6.6
- The black mounts are ideal where exposed to sunlight or aggressive external conditions

| Item   | Description    | Type          | Cable Tie Size | Width | Length | Colour  | UoM       | Price |

## Coated Steel Cable Clips

HellemannTyton

A quick and simple way of securing cables to meet the requirements of BS7671, which imposes the use of metal fixings to secure wiring systems within the escape routes of buildings. These fire resistant clips improve safety by ensuring cabling will not collapse in the event of a fire

- Available in single or twin styles
- 4.5mm Clips recommended for CT65 cable
- 7mm Clips recommended for RG6/CT100
- Flex design grips the cables and clamps into position, even in the event of a fire
- Quick and easy to apply, simply push the clip over the cables and hammer into position
- Integrated hardened steel nail pre-fitted to clips to ensure a secure fixing to the building fabric (nail dimensions 25mm x 2.5mm)
- Meets the requirements of BS7671, 3rd Amendment 17th Edition
- Manufactured from stainless steel 430 material with a PA11 coating

| Item   | Description             | Style        | Cable Dia | Colour | UoM      | Price |
